

## Gaiam Real Goods

*Real Goods is the country's most experienced solar installer, having solarized over 60,000 homes since 1978. Real Goods is part of Gaiam, Inc., a publicly traded company based in Broomfield, Colorado. Gaiam, like Real Goods, is committed to providing goods for your healthy and sustainable lifestyle, including energy efficient home products, alternative health care products, and yoga products. You can find Gaiam products at [www.gaiam.com](http://www.gaiam.com).*

- **Stock Symbol:** Nasdaq : [RGTC](#)
- **Business type:** Retail Sales
- **Products:** Packaged power systems, renewable energy, energy efficient appliances, DC to AC power inverters, photovoltaic modules (PV modules, solar panels), solar water heaters, small wind powered electric generators, sealed lead acid batteries, renewable energy system batteries.
- **Services:** Consulting services, system design, education and training
- **Address:** 13771 South Highway 101, Hopland, California 95449
- **Telephone:** 888-507-2561
- **Web Site:** <http://www.realgoods.com>

## Rich Hessler Solar Sales Training

*- Uncover the top 5 reasons homeowners buy solar & what to do about it- Only 21 solar technical terms to learn- Be prepared with a complete solar sales kit- Discover the 18 questions you need to ask before you present solar- Learn how to do solar estimates in 5 minutes or less- Confidently be able to explain a solar estimate and cost justification- Learn to give a killer solar sales presentation- Be prepared to handle common objections from solar buyers- Learn alternative solar one-call-close techniques Get the skills and tools you need to do a solar estimate and a quality solar presentation that sets you up for the close. Course materials are well-documented, professional, easily referenced with customizable Excel and Powerpoint templates. ...*

- **Products:** Photovoltaic systems.
- **Services:** Consulting, education and training services
- **Address:** 16522 Regina Cir, #3, Huntington Beach, California 92649
- **Telephone:** 949-208-0221
- **Web Site:** <http://www.pvsolarsalestraining.com>

## Moore Technologies

*We are a 20 year old company! We produce epitaxial equipment or epi tools. In the race to get to 20% efficient cells work is being done with epi or poly films. We are the best at high throughput epi tools! We are now working with others in the solar development. We can provide process and tool consulting.*

- **Business type:** Manufacturer, exporter
- **Products:** Photovoltaic cell manufacturing equipment.
- **Services:** Consulting, design, research services
- **Address:** 1095 N MacArthur Dr, Tracy, California 95376
- **Telephone:** 209-833-0100
- **FAX:** 209-833-0410
- **Web Site:** <http://www.mooretech.com>

## MTT Corp

*Leading edge manufacturer of a revolutionary third generation lighting voltage controller for all types small and large commercial and industrial facilities with HID gas lamps seeking to save lighting energy consumption up to 50%*

- **Business type:** Manufacturer of a revolutionary third generation lighting voltage controller
- **Products:** Energy efficiency lighting, voltage regulator, voltage stabilizer, dimmer, lighting voltage controller, energy saving system, dimming, custom transformers, watt manager.
- **Services:** Tennis courts, energy conservation, retrofit, parking structures, car dealers, port terminals, outdoor lighting, streetlights, shopping centers, hotels, casinos, stadiums, airports, warehouses, manufacturing facilities, gas stations
- **Address:** 814 S. Wooster St. #103, Los Angeles, California 90035
- **Telephone:** 818-674-1418
- **FAX:** 310-360-9154
- **Web Site:** <http://wattmanager.info>

## Schüco Solar USA

- **Business type:** Manufacturer, wholesale supplier, importer
- **Products:** Solar roofing systems, photovoltaic module mounting systems, solar water heating systems, solar pool heating systems, photovoltaic systems, photovoltaic modules.
- **Address:** 30300 Whipple Road, Union City, California 94587
- **Telephone:** 1-510-477-0500
- **FAX:** 1-510-477-0550
- **Web Site:** <http://www.schuco-usa.com>

## KTA Services, Inc.

*Electric Vehicle Components and Systems. Whether you are a do-it-yourselfer, a professional converter, or are designing an electric vehicle from scratch, KTA Services™ goal is to be a one-stop-shop that will help you select, purchase, install, and debug a system made up of high quality components at reasonable prices.*

- **Business type:** Retail sales, wholesale supplier, exporter
- **Products:** Electric vehicle components, electric vehicle conversion kits, electric boat components, electric vehicles, electric cars.
- **Services:** Consulting
- **Address:** 20330 Rancho Villa Road, Ramona, California 62065
- **Telephone:** 760-787-0896
- **FAX:** 760-787-9437
- **Web Site:** <http://www.kta-ev.com>

## REC Solar, Inc.

*REC Solar, Inc. specializes in grid-tied solar electric design and installation, offering affordable solar solutions for all residential and commercial customers. Headquartered in San Luis Obispo, CA, REC Solar has grown to become the largest solar installer in the US, installing more systems than any other company. REC Solar currently has over a dozen offices throughout 6 states (AZ, CA, CO, HI, OR and NJ). Call us today and ask for a free evaluation and financial analysis to determine if solar is right for your home or business!*

- **Business type:** Solar Solutions Provider
- **Products:** The size and strength of REC Solar enables us to have strong relationships with the top manufacturers of solar panels, inverters and other solar electric system products and services. So you can rest assured that only the best will be used in the building and maintaining of your solar electric system. Our purchasing power guarantees that we get the best possible prices on all your solar electric equipment. All our manufacturers provide warranties and power output guarantees ranging from 10 to 25 years. We select only manufacturers that are committed to developing solar products that are environmentally friendly, cost-effective and reliable.
- **Services:** Solar Electricity Design and Installation
- **Address:** 775 Fiero Lane, Suite 200, San Luis Obispo, California 93401
- **Telephone:** (888) Ok Solar (888. 657. 6527)
- **FAX:** 805-528-9701
- **Web Site:** <http://www.recsolar.com>

## Solar Integrated Technologies

*Solar Integrated is a pioneer and market leader in the commercial solar industry. We design, manufacture, market, install and maintain "building integrated photovoltaic" (BIPV) roofing systems and related applications for large-scale production of solar electric power. Solar Integrated has developed a proprietary process to laminate thin-film, amorphous, photovoltaic cells to heavy-duty fabrics. The result is a fused fabric and solar panel product that is applicable to virtually any flat surface.*

- **Business type:** Manufacturer, retail sales, wholesale supplier
- **Products:** Commercial building integrated BIPV solar electric power systems.
- **Address:** 1837 East Martin Luther King Jr. Blvd, Los Angeles, California 90058
- **Telephone:** 1-323-231-0411 or toll free 1-888-882-5785
- **FAX:** 1-323-231-0517
- **Web Site:** <http://www.solarintegrated.com>

## CAD Design / Solar Design and Consulting

*CAD Design offers sustainable and renewable solutions towards your energy efficiency demands.*

- **Business type:** Renewable and Sustainable Energy Design
- **Products:** Photovoltaic systems, algae biofuel, electric vehicles, solar pool heating systems, solar attic vents, water pumps, Renewable Energy Design and Consulting.
- **Services:** Consulting, design, installation, construction, engineering, project development services, education and training services, research services, site survey and assessment services, architectural design services, contractor services, maintenance and repair services, testing services
- **Address:** 1227 Flynn Road #305, Camarillo, California 93012
- **Telephone:** 805-512-3235
- **FAX:** 805-384-9400
- **Web Site:** <http://www.caddesignservices.net>

## Ghigos Energy

*Ghigos Energy is an engineering and architectural studio whose main focus entails the design of energy efficiency systems for buildings, and the development of small to medium grid connected power plants for renewable energy.*

- **Products:** Energy efficient homes and buildings, building integrated photovoltaic systems, photovoltaic systems, remote home power systems, solar electric power systems, alternative home and building construction materials.
- **Services:** Consulting, design, installation, engineering, project development services, site survey and assessment services, architectural design services
- **Address:** 1847 Veteran Avenue, #4, Los Angeles, California 90025
- **Telephone:** 310-606-2677
- **FAX:** 310-606-2209
- **Web Site:** <http://www.ghigosenergy.com>

## SGC International Inc.

*SGC International Inc. is the sales office and distributor of CSG Holding Co. Ltd., our office and warehouse are located in Santa Fe Springs, California, USA. We are the leading manufacturer of PV products in China, the current solar energy products include low iron solar glass, polysilicon, photovoltaic wafers, photovoltaic cells, photovoltaic modules, customized modules for OEM applications and BIPV solar modules.*

- **Business type:** Manufacturer, wholesale supplier, exporter, importer
- **Address:** 14539 Marquardt Ave. , Santa Fe Springs, California 90670
- **Telephone:** 562-623-9822
- **FAX:** 562-623-9816
- **Web Site:** <http://www.sgc-usa.com>

## MacroEnergy LLC

*MacroEnergy LLC provides a line of products for the home, commercial business, industry, and the Military. Our SolarCombo systems provide combined electric power and heat, independent of the Utility companies. SolarCombo is a NEW, innovative system using advanced technology to provide both power and heat from a single set of Solar collectors for the price of an electric system alone. Homes, offices, factories, hospitals, hotels, schools, public buildings, and industrial and Military installations are the markets served by MacroEnergy LLC.*

- **Business type:** Manufacturer, Wholesale Supplier, Exporter
- **Products:** Photovoltaic systems, Solar water heating systems, Combined Solar Electric and Liquid Heat Transfer Systems.
- **Services:** Design, engineering, research services
- **Address:** 23903 Malibu Knolls Road, Malibu, California 90265
- **Telephone:** 310-456-1291
- **FAX:** 310-317-9858
- **Web Site:** <http://www.solarcombo.com>

## Corrosion and Cathodic Protection Solutions

*Provide Corrosion Control and Cathodic Protection Services. Industries include Oil and Gas, Power Plant, Water and Waste Water Treatment Facilities, Municipalities, Construction, Offshore Industry, Industrial and Commercial Project. Structures include Pipes (Oil, Gas, Water, Chemical), Tanks (AST and UST), Mooring Dolphins, Bridge Decks, Offshore Platforms, Well Casings, Water Intake Structures, and other related Metallic, Plastic and Reinforced Concrete Structures.*

- **Products:** Cathodic protection systems.
- **Services:** Consulting, design, engineering, contractor services, maintenance and repair services, testing services
- **Address:** 73 Brookwood Road, #35, Orinda, California 94563
- **Telephone:** 1-925-788-4399
- **FAX:** 1-925-386-0307
- **Web Site:** <http://www.corrosioncp.com>

## Rain or Shine Power LLC

*Rain or Shine team members have international experience with design, installation, service, and testing of renewable energy systems from simple 1kW home systems to multi-megawatt utility owned wind parks. The founding partners of Rain or Shine each have over ten years experience in renewable energy.*

- **Products:** Wind turbines (large), wind energy systems (large), wind power plants, wind energy system components (large), wind turbines (small), solar electric power systems.
- **Services:** Consulting, design, engineering, education and training services, research services, contractor services, testing services
- **Address:** 26581 Brian Place, Tehachapi, California 93561
- **Telephone:** 661-289-2299
- **Web Site:** <http://www.rainorshinepower.com>

## Zero Motorcycles Inc

*Zero Motorcycles Inc designs, manufactures and markets high-performance electric motorcycles to compete and win in the growing global electric vehicle market. Zero Motorcycles will leverage its patent-pending technology, global supply chain expertise, strategic relationships, first mover advantage and brand to become a key part of the world solution to green transportation.*

- **Business type:** Manufacturer, retail sales
- **Products:** Electric motorcycles, batteries lithium ion.
- **Address:** 1 Victor Square, Scotts Valley, California 95066
- **Telephone:** 888-786-9376
- **FAX:** 831-438-4900
- **Web Site:** <http://www.zeromotorcycles.com>

## WestStart-CALSTART

*WestStart - CALSTART is dedicated to transforming transportation for a better world, by creating and expanding a global advanced transportation technologies industry and related markets. Through technology development, commercialization, analysis and implementation our goals are to:*

*Clean the air; Create high quality jobs; and Develop energy efficient transportation. We are tapping the knowledge and experience of world-class firms in the aerospace, electronics, automotive and defense industries, and combining those skills with the entrepreneurial talents of exceptional small businesses to create this new industry.*

- **Business type:** Nonprofit organization, publisher, industry analysis, consulting, research, development, business incubator
- **Products:** Electric cars, electric vehicle batteries, fuel cell batteries, hybrid electric vehicles, Natural Gas Vehicles, Intelligent Transportation Technologies, Electric Vehicles, Fuel Types: Compressed Natural Gas, Methanol, Ethanol, Propane, Hydrogen, Hythane, Bi-Fuel, Electric, Hybrid Electric.
- **Address:** 1878 S. Lewis Road, Camarillo, California 93011
- **Telephone:** 805-987-3814
- **FAX:** 805-987-6049
- **Web Site:** <http://www.calstart.org>

## Solar Power Rocks!

*Solar power is now financially compelling in many states... It's not just for do gooders anymore (although it's definitely doing good). It can put money in your wallet. Come here to see if solar power works for your state.*

- **Business type:** Nonprofit organization, research institution, publisher
- **Products:** Solar electric power systems, photovoltaic cells.
- **Services:** Education and training services
- **Address:** 548 Brannan Street, San Francisco, California 94107
- **Telephone:** 408-833-9135
- **Web Site:** <http://www.solarpowerrocks.com>

## Halus Power Systems

*Wind energy project development, assessment, supplier of pre-owned, used, reconditioned, remanufactured commercial wind turbines from 65 kW and up, and 3 phase wind turbine controllers. Also retailer and installer of pv (solar electric) residential and commercial systems. Please visit our website at [www.halus.com](http://www.halus.com).*

- **Business type:** Manufacturer, retail sales
- **Products:** Wind energy systems (large), wind energy systems (small), pv solar electric residential and commercial. Remanufactured, reconditioned, used, pre-owned Vestas wind turbines, 65 kW, 90 kw, 110 kw, 120 kw, 225 kw. Custom wind turbine microprocessor based controllers up to 300 kw..
- **Services:** Enstallation, testing services
- **Address:** 25352B Cypress Ave, Hayward, California 94544
- **Telephone:** 510-780-0591
- **FAX:** 510-780-0534
- **Web Site:** <http://www.halus.com>

## Pacific Sun Technologies, Inc.

*Pacific Sun Technologies is a full-service photovoltaic (PV)solar systems installation company. We have been in the environmental services business for over twenty-five (25) years; with the last four most recently in renewable energy. All systems installed by Pacific Sun come with a 10 year warranty on the installation, a 25 year limited manufacturer's warranty on the solar modules and 10 year manufacturer's warranty on the inverter. Upon completion of the installation we provide the owner with a system Handbook containing system component data sheets, warranties, copies of permits with final inspection sign-offs, the interconnection authorization letter, information on claiming tax credits and our customer referral program. All install...*

- **Business type:** Manufacturer, retail sales
- **Products:** Photovoltaic systems, photovoltaic modules, solar attic vents, solar lighting systems, solar water heating systems.
- **Services:** Consulting, design, installation, construction, project development services, education and training services, site survey and assessment services, contractor services, maintenance and repair services, recycling services
- **Address:** 42075 Remington Avenue, Suite 106, Temecula, California 92590
- **Telephone:** 951-296.-9644
- **FAX:** 951-296-1057
- **Web Site:** <http://www.pacsuntech.com>

## Green Building Exchange

*Green Building Exchange is an eco-hub at the forefront of the green industry. Our South San Francisco location houses an alternative fuel auto showroom, a green building exchange specializing in green building products and services, and eco design resources, our retail front selling green products such as flooring, countertop material, carpeting, and the like. Drop by our showroom M-F 9am-5pm, or Saturday 11-3pm. Located at 1 Chestnut Avenue in South San Francisco.*

- **Business type:** Retail sales
- **Products:** Alternative home and building construction materials.
- **Services:** Consulting, construction, education and training services, architectural design services, contractor services
- **Address:** 1 Chestnut Avenue, South San Francisco, California 94080
- **Telephone:** 650-588-8010
- **Web Site:** <http://www.greenbuildingexchange.com>

## [Solar-Estimate.org](http://www.solar-estimate.org)

- **Business type:** Retail sales, wholesale supplier
- **Products:** Solar electric power systems, solar water heating systems, solar pool heating systems, photovoltaic systems, solar air heating systems.
- **Services:** Consulting, design, installation, engineering, site survey and assessment services, financial services, architectural design services, contractor services, maintenance and repair services
- **Address:** PO Box 4352, Santa Rosa, California 95402
- **Telephone:** 707-861-0101
- **Web Site:** <http://www.solar-estimate.org>

## [Solar Depot](http://www.solardepot.com)

*Solar Depot Has two additional locations: Solar Depot(Nor. Cal.), 1240 Holm Rd,Petaluma CA,94954 Ph707-700-7727 Solar Depot(So.Cal)1520-H Commerce St,Corona CA,92880 Ph909-737-7652*

- **Business type:** Wholesale supplier of Solar Electric Generators & Solar Thermal Sys.
- **Products:** Solar Electric Power Systems, Photovoltaic(PV) modules, batteries, DC to AC power inverters, backup engine generators, small wind powered electric generators, solar water pumping systems, solar water heating systems, solar pool heating systems..
- **Services:** System design, system integrator, consulting
- **Address:** 8605 Folsom Blvd., Sacramento, California 95826
- **Telephone:** 916-381-0235 or toll free 800-321-0101
- **FAX:** 916-381-2603
- **Web Site:** <http://www.solardepot.com>
