

New England Solar and Electrical LLC

We are a family based business out of a Connecticut we do all or any kind of electrical services . We work on mostly residential jobs. No job is too big or small for us we can do any kind of Electrical services old or new. We also can install photovoltaic systems (SOLARPANELS) ON Residential or Commercial. Our telephone # is 860 429-6766 Call anytime day or night. Owner Greg Marsh had been a electrician for 16 years and I love what I do.

- **Products:** Photovoltaic systems.
- **Services:** Consulting, design, installation, site survey and assessment services, contractor services
- **Address:** 64 Laurel Lane, Ashford, Connecticut 06278
- **Telephone:** 860 429-6766
- **FAX:** 860-429-6766
- **Web Site:** <http://www.NEsolarelectric.com>

EarthMint, Inc.

We specialize in providing complete design and installation services for residential and light commercial Geothermal Heating and Cooling applications in Fairfield, Litchfield and New Haven Counties in Connecticut. Save up to 70% of operating costs for heating and cooling, add \$10-25 to property values for every dollar of energy saved, and remove the equivalent of two cars off the road for 20 years.

- **Products:** Geothermal energy systems.
- **Services:** Contractor services
- **Address:** 25 Fieldstone Dr, Easton, Connecticut 06612
- **Telephone:** 203-220-9250
- **Web Site:** <http://www.earthmint.com>

CGH Energy, LLC

CGH Energy was founded in early 2009 by the company president Jane Bugbee. We work with current homeowners, families building a home, contractors and architects to design and install geothermal heat pump systems as a means of heating and cooling. We create and design systems that are specific to each situation and the needs of you, the customer. We focus on sustainability, efficiency and quality in our product as well as the highest level of customer service. We offer a range of services to help determine what solution is right for you. We currently service the state of Connecticut.

- **Products:** Geothermal energy systems.
- **Services:** Consulting, design, installation
- **Address:** 671 Old Post Road, Tolland, Connecticut 06084
- **Telephone:** 860-869-8042
- **Web Site:** <http://www.cghenergy.com>

Environmental Energy Solutions LLC

Full system design and installation for all renewable energy systems. PV, thin film, solar thermal, VAWT/HAWT, hydro. Financial and grant assistance applications. Full architectural services are also available. Large systems, over 1MW to small commercial or home.

- **Products:** Photovoltaic systems.
- **Services:** Design, installation, engineering, project development services
- **Address:** 309 Greenwich Avenue, Suite 201, Greenwich, Connecticut 06830
- **Telephone:** 1-203-542-7676
- **FAX:** 1-203-622-4412
- **Web Site:** <http://www.eesol.com>

[Aegis Electrical Systems](#)

Aegis Electrical Systems is a full service solar energy contractor. We have been installing solar photovoltaic and solar hot water systems in both residential and institutional sites for 20 years. Based locally in Branford, Connecticut, all of our licensed electricians and installers are in-house, and our staff will work with you from design through installation. Whether your interest is in preserving the earth's resources or providing your own clean, renewable source of electricity, we have your solution, and will be right here in Connecticut to service your system in the future. Connecticut licenses: ELC.012375-E1 and HTG.0394000-ST1

- **Products:** Solar electric power systems, solar water heating systems, energy efficient lighting, fuel powered electric generators, solar pool heating systems.
- **Services:** Design, installation, construction, contractor services, maintenance and repair services
- **Address:** 1 Research Drive, Branford, Connecticut 06405
- **Telephone:** 203-481-2187
- **FAX:** 203-483-6320
- **Web Site:** <http://www.aegiselectric.com>

[Alteris Renewables Inc.](#)

About Alteris Renewables, Inc. Formed when SolarWrights, Inc, and Solar Works, Inc. joined forces in October of 2008, Alteris Renewables is a full service renewable energy company. The company provides solar electric (photovoltaic), solar thermal, and wind energy solutions for commercial, residential, education, municipal and institutional clients. The company has industry leading expertise in engineering, design, project management, performance analysis, project financing and renewable energy credit programs. Alteris is a portfolio company of Riverside Partners, a Boston-based technology and healthcare private equity firm. Riverside provided the capital to facilitate the merger of SolarWrights, Inc. and Solar Works, Inc. in 2008. For more ...

- **Products:** Solar electric power systems, wind energy systems (small).
- **Services:** Installation
- **Address:** 523 Danbury Road, Wilton, Connecticut 06897-0752
- **Telephone:** 203-210-7710
- **Web Site:** <http://www.alterisinc.com>

Sunlight Solar Energy, Inc.

Sunlight Solar Energy designs and installs both solar electric and solar hot water systems for homeowners, businesses, municipalities & non-profits. We can install them on your roof or on the ground. We are one of the original Connecticut Clean Energy Fund certified installers specializing in systems that tie into the utility grid to produce clean renewable electricity without the need for batteries. Our Solar Thermal Division can also help homeowners heat their domestic hot water by harnessing the power of the sun. We are committed to providing the highest quality service with open & on-going communication & professionalism. We have installed over 350 solar arrays in CT alone and offer an unparalleled 10-year labor warranty.

- **Business type:** Solar Design & Installation Company
- **Products:** A variety of solar equipment that produces electricity (photovoltaic solar) and solar equipment that heats hot water (solar thermal). Among others, we offer the 'greenest' PV panel & the most efficient panel with the highest power density. We also sell solar trackers and the new micro-inverters. .
- **Services:** Free Site Evaluations, Free Systems Design, Sales and Installation
- **Address:** 4 Oxford Road, Suite D5, Milford, Connecticut 06460
- **Telephone:** 203-878-9123
- **FAX:** 203-878-9464
- **Web Site:** <http://www.sunlightsolar.com>

Greentech Energy Solutions LLC

- **Products:** IGSHA Certified - geothermal energy systems, integrated energy solutions -alternative homes and buildings, radiant heating systems, solar water heating systems -passive design - super insulation. .
- **Services:** consulting, design, installation, construction, project development services, contractor services
- **Address:** 65 Old Newtown Rd, Monroe, Connecticut 06468
- **Telephone:** 203-268-6106
- **FAX:** 1-800-858-8941
- **Web Site:** <http://gtenergysolutions.synthasite.com/>

Old Newtown Builders LLC

- **Products:** Alternative homes and buildings, energy efficient homes and buildings, natural daylighting, building integrated photovoltaic systems.
- **Services:** Consulting, design, construction, project development services, architectural design services, contractor services, maintenance and repair services
- **Address:** 65 Old Newtown Rd, Monroe, Connecticut 06468
- **Telephone:** 203-268-6106
- **FAX:** 203-268-6106
- **Web Site:** <http://www.oldnewtownbuilders.com>

100 West Electronics, LLC

- **Business type:** Contract PCB layout and circuit design.
- **Products:** LED lighting, photovoltaic systems, battery chargers, computer and electronic components, DC to DC power converters, packaged power systems.
- **Services:** Prototype PCBs, fab and assembly, circuit design. Test fixtures.
- **Address:** PO Box 126, 100 West Road, Winchester CT, Connecticut 06094-0126
- **Telephone:** 860-738-0092

4 Elements Group

- **Products:** Geothermal energy systems, solar air heating systems, alternative homes and buildings, energy efficient homes and buildings.
- **Services:** Consulting, engineering, project development services, site survey and assessment services, testing services
- **Address:** 880 Canal St., Stamford, Connecticut 06902
- **Telephone:** 203-323-1044
- **FAX:** 230-348-3334

Alteris Renewables

- **Business type:** Solar or wind integrator, engineering
- **Products:** Solar electric power systems, solar water heating systems, power purchase agreements, financing, engineering.
- **Services:** Consulting, installation, project development services, architectural design services, contractor services, maintenance and repair services
- **Address:** 523 Danbury Rd, Wilton, Connecticut 06897
- **Telephone:** 800-339-7804

Alternative Energy Solutions, LLC

- **Business type:** Nationally Licensed Full Service Women Owned Electrical Contractor
- **Products:** Photovoltaic systems, Wind energy systems, Backup Power systems, UPS Systems. Generators, Microturbines, Fuel Cells, Cogeneration systems, Hydro energy systems, Demand Side Power Reduction..
- **Services:** Electrical, Data and Voice Services. Industrial, Commercial and Residential
- **Address:** 193 Strawberry Hill, Stamford, Connecticut 06902
- **Telephone:** 203-316-9219
- **FAX:** 203-316-9219

Anderson Electric Power Systems

- **Products:** Fuel powered electric generators, cogeneration systems, fuel cell systems, wind energy systems (large), biomass energy systems, gas turbine electric generators.
- **Address:** 62 Pemberwick Road, Greenwich, Connecticut 06831
- **Telephone:** 203-531-7722

AV International

- **Business type:** Manufacturer
- **Products:** Printed Circuit Board (PCB) Services, PCB Rework, PCB Repair. Battery charger evaluation and failure analysis..
- **Services:** Design, project development services, contractor services, maintenance and repair services, testing services
- **Address:** 3 Pine Hollow Rd, Farmington, Connecticut 06032

Burrington's SOLAR EDGE

- **Business type:** Retail sales, service, project consulting; custom PV applications
- **Products:** Photovoltaic systems, DC powered appliances, energy efficient appliances, LED lighting, solar garden lights, water pumps, solar garden fountains, building integrated photovoltaics, solar water pumping systems.
- **Address:** 6 Reed Circle, Windsor Locks, Connecticut 06096-1214
- **Telephone:** 860-623-0159

Connecticut Solar Energy, Inc.

- **Business type:** Retail sales
- **Services:** Installation, education and training services, site survey and assessment services
- **Address:** 34 Jerome Ave, Bloomfield, Connecticut 06002
- **Telephone:** 800-734-1219
- **FAX:** 860-243-1320

Electric Technologies Co.

- **Products:** Backup power systems, biomass energy boilers, composting systems, photovoltaic systems.
- **Services:** Consulting, design, installation, engineering, project development services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** P.O. Box 22, Broad Brook, Connecticut 06016
- **Telephone:** 860-654-1699
- **FAX:** 860-623-5158

ENECO Texas LLC

- **Business type:** Intellectual Property/Patent Marketing; & Engineering Consulting
- **Products:** Intellectual property /Patent license availability for advanced design wind energy systems (large), wind turbines (small), hydro energy systems (large), hydro energy systems (small, building integrated wind power systems, electric transmission tower , telecom tower integrated wind power systems, autonomous forest fire alert monitoring tower integrated wind power systems, ship integrated wind power systems.
- **Services:** Intellectual property /Patent licensing; Consulting design, engineering, research services, architectural design services
- **Address:** 3 Lenora Drive, West Simsbury, Connecticut 06092
- **Telephone:** 860-651-0061
- **FAX:** 860-651-0061

Enertegic

- **Business type:** Advertising & Public Relations Agency - Business Consulting Services
- **Products:** Wind power plants, fuel cell systems, photovoltaic cells, biomass energy systems, cogeneration systems, energy efficient homes and buildings, Clean Energy & Renewable Energy Technology.
- **Services:** Advertising, Public Relations, Marketing, Promotion, Web Services & Business Consulting
- **Address:** 363 Pequot Avenue, Southport, Connecticut 06890
- **Telephone:** 310-600-6825
- **FAX:** 614-386-1823

Greentech Energy Solutions LLC

Greentech energy solutions is a green energy solutions provider for homes and small businesses. We provide integrated comprehensive energy solutions using renewable / sustainable resources and provide a single call solution to all of your energy saving needs.

- **Business type:** Geothermal / renewable energy / building performance
- **Products:** Geothermal energy systems, hydronic radiant heating systems, solar water heating systems, radiant heating systems, solar collectors evacuated tube.
- **Services:** Consulting, design, installation, construction, project development services, contractor services
- **Address:** 65 Old Newtown Rd, Monroe, Connecticut 06468
- **Telephone:** 203-257-5271
- **FAX:** 203-268-6106

Indoor Air Services, LLC

- **Products:** Geothermal energy systems, air filtering and purification systems, cogeneration systems, photovoltaic module mounting systems.
- **Services:** Consulting, engineering, testing services
- **Address:** 880 Canal St., Stamford, Connecticut 06902
- **Telephone:** 203-323-8597
- **FAX:** 203-348-3334

John Rountree Architects

- **Business type:** Architectural firm
- **Products:** Building Integrated Photovoltaics.
- **Services:** Solar design and consulting
- **Address:** 130 Compo Road South, Westport, Connecticut 06880
- **Telephone:** 203-227-1766

MEDI Products

- **Business type:** Manufacturer
- **Products:** Emergency backup batteries, DC to AC power inverters, uninterruptible power supplies UPS, portable power systems, backup power systems, rechargeable batteries, on-site power generation.
- **Services:** Metro NYC on-site service
- **Address:** 30 Nurney Street, Stamford, Connecticut 06902
- **Telephone:** 203-348-2886
- **FAX:** 203-487-7423

Morningstar Enterprises, Inc.

- **Business type:** Retail sales, wholesale supplier, exporter
- **Product types:** Solar water heating components, solar pool heating system components, solar pool heating systems, solar water heating systems, solar electric power systems. New and pre-owned equipment.
- **Service types:** Consulting, design, installation, education and training services, maintenance and repair services
- **Address:** 8 F Lyle Court, Farmington, Connecticut 06032
- **Telephone:** 904-422-3857

North Road Technologies

- **Business type:** manufacturer / product development
- **Products:** Heat Pump Water Heaters, Cold Climate Heat Pumps, Energy Efficient Products.
- **Services:** R&D facility, consultants
- **Address:** 606 Post Road East, Suite 559, Westport, Connecticut 06880
- **Telephone:** 888-316-2057
- **FAX:** 815-717-7589

Numotion Inc

- **Business type:** Wholesale supplier, importer
- **Products:** Electric scooters, e-vehicle components, electric bicycles, recreational vehicle power systems, electric vehicle conversion kits, top quality sealed/lead-acid batteries (all sizes/power/voltage)..
- **Address:** 90 Halcyon Dr., Bristol, Connecticut 06010
- **Telephone:** 860-585-6122 ext. 106

OnStat Power

- **Business type:** Manufacturer
- **Products:** Uninterruptible power supplies UPS, backup power systems, batteries emergency backup, batteries lead acid, battery charge controllers, solar charge controllers.
- **Address:** 30 Nurney Street, Stamford, Connecticut 06902
- **Telephone:** 203-324-9595
- **FAX:** 203-487-7423

PC & Associates

- **Business type:** Battery Consulting
- **Products:** Technical, Legal & Management Consulting - Related to primary & secondary batteries, including: Alkaline batteries, carbon zinc batteries, nickel cadmium batteries, nickel metal hydride batteries, zinc air batteries and lead acid Batteries.
- **Services:** Consulting Services - Technical & Legal Consulting related to batteries
- **Address:** 80 Sunset Ridge Road, Southbury, Connecticut 06488-2092
- **Telephone:** 203-267-1980
- **FAX:** 509-267-1980

Power Resources Group LLC.

- **Business type:** Backup power, products & services
- **Products:** Backup power systems, DC to AC power inverters, DC to DC power converters, telecommunication batteries, emergency backup batteries, battery accessories, Battery Chargers and Isolators.
- **Services:** Battery maintenance, U.P.S. Repair
- **Address:** 77 Ninth District Rd., Somers, Connecticut 06071-1913
- **Telephone:** 860-698-9406
- **FAX:** 860-698-9410

PurePoint Energy LLC

- **Products:** Photovoltaic systems, wind energy systems (large), wind energy systems (small).
- **Services:** Consulting, design, installation, engineering, project development services
- **Address:** 28 Knight Street, Norwalk, Connecticut 06851
- **Telephone:** 352-219-1798
- **FAX:** 203-854-5702

Sebago Energy Conservation Corp.

- **Business type:** Lighting energy conservation installation
- **Products:** Energy efficient lighting, energy efficient buildings.
- **Services:** Consulting services, contractor services, system installation
- **Address:** 500 Highland Avenue, Cheshire, Connecticut 06410
- **Telephone:** 203-250-0908
- **FAX:** 203-250-0007

Solar Works, Inc

- **Business type:** Retail sales, wholesale supplier
- **Products:** Solar electric power systems, solar water heating systems, backup power systems, hybrid power systems, solar pool heating systems, energy efficient appliances.
- **Services:** Consulting, installation, project development services, education and training services, architectural design services, contractor services, maintenance and repair services
- **Address:** 66 Viaduct Road, Stamford, Connecticut 06907
- **Telephone:** 800-339-7804
- **FAX:** 802-223-8980

Solar Works, Inc

- **Business type:** Retail sales, wholesale supplier
- **Products:** Solar electric power systems, solar water heating systems, backup power systems, hybrid power systems, solar pool heating systems, energy efficient appliances.
- **Services:** Consulting, installation, project development services, education and training services, architectural design services, contractor services, maintenance and repair services
- **Address:** 64 Tremont Street, Hartford, Connecticut 06105
- **Telephone:** 800-339-7804
- **FAX:** 802-223-8980

Steven Winter Associates, Inc.

- **Products:** Energy efficient homes and buildings, geothermal energy systems, alternative home and building construction materials, cogeneration systems, air cooling systems, air heating systems, RADIANCE, DOE-2.1, AutoCAD.
- **Services:** Consulting, design, engineering, project development services, education and training services, research services, architectural design services, testing services
- **Address:** 50 Washington Street, Norwalk, Connecticut 06854
- **Telephone:** 203-857-0200
- **FAX:** 203-852-0741

Symvoulos LLC

- **Business type:** Manufacturer, wholesale supplier, exporter, importer
- **Products:** Solar thermal energy, wood burning stoves and furnaces, Air cooling systems, cogeneration system components, Turnkey solutions for Solar Thermal Manufacturing Plants, Automation, Packing and Handling, Welding, Assembly, Ultrasonic, HYBRID.
- **Services:** consulting, design, construction, engineering, project development services, research services, site survey and assessment services, financial services, contractor services, maintenance and repair services, testing services
- **Address:** 1 North street, Cos Cob, Connecticut 06807
- **Telephone:** 1-203-542-0910

Waldo Renewable Electric LLC

- **Business type:** Solar Contractor
- **Products:** Solar Installation.
- **Services:** Residential, Commercial, Marine Solar Solutions
- **Address:** PO Box 84, Old Saybrook, Connecticut 06475
- **Telephone:** 860-510-0077
