

[NRG Vision, Inc.](#)

For many businesses today, the ability to manage energy costs and energy investments can mean the difference between staying profitable and going out of business. NRG Vision, Inc. (formerly Gordian Consulting) helps businesses manage their energy costs and energy investments more effectively to reduce the risks associated with today's volatile markets. Our team of experienced energy professionals are dedicated to providing unmatched value to our clients. Contact us to learn more about how we can help you achieve energy results.

- **Products:** Photovoltaic systems, wind energy systems (large), energy efficient homes and buildings, cogeneration systems, biomass energy systems, waste heat recovery systems.
- **Services:** Consulting, design, installation, construction, engineering, project development services, research services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 1335 Joy Court, Suwanee, Georgia 30024
- **Telephone:** 770-676-9506
- **FAX:** 770-676-9521
- **Web Site:** <http://www.gordianservices.com>

[Get Lean Green](#)

Green and Sustainability Products and Consulting

- **Business type:** Retail sales
- **Products:** Fuel cell systems, LED lighting, solar electric power systems, wind energy systems (small), alternative home and building construction materials, backup power systems, Electronic File Systems/Document Management.
- **Services:** Consulting, installation, project development services, education and training services, recycling services
- **Address:** Atlanta, Georgia 30132
- **Telephone:** 770-651-8984
- **Web Site:** <http://www.getleangreen.com>

Professional Solar Services

Specializing in alternative energy and energy saving devices.

- **Products:** Photovoltaic systems, energy efficient lighting, solar electric power systems, solar pool heating systems, solar collectors flat plate, solar street lighting.
- **Services:** Consulting, design, installation, construction, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 3953 Cheyenne Trail, Augusta, Georgia 30907
- **Telephone:** 706-231-0808
- **FAX:** 706-651-1093
- **Web Site:** <http://www.professionalsolarservices.com>

FLS Energy of Georgia

The Southeast's largest commercial and utility grade solar design and integration firm for thermal and PV applications. Customer include Progress Energy, Duke Energy, large solar farms for SAS Institute. We have installed solar hot water for major hotels, campgrounds, conference centers and commercial facilities. PPA contracts and financing programs available. Also adept at grant writing, renewable energy tax credit consultation and identifying funding sources. Call for no-obligation consultation - 404 441-0898

- **Business type:** Solar Energy Design, installation, Financing & PPAs
- **Products:** COMMERCIAL and UTILITY GRADE thermal and photovoltaic applications, including solar farms, grid-tie interconnection, commercial heat recovery, CSP and PPA arrangements. A leading provider of solar domestic hot water to hotels, military barracks, campgrounds, college dorms, laundries and restaurants. Representing SunPower, Suniva, AET, Xantrex, Uni-rac, SMA, Fat Spaniel and other industry leaders. .
- **Services:** Consulting, design, installation, construction, engineering, solar thermal, photovoltaic, concentrated solar, monitoring, maintenance and repair services, commissioning
- **Address:** 1243 Willivee Drive, Decatur, Georgia 30033
- **Telephone:** 404-441-0898
- **FAX:** 828-350-3997
- **Web Site:** <http://flsenergy.com>

Earth Care Green Products

Going Green Company Incorporated 1992 Air-Wind-Water-Solar-Holistic Products Break Through Technology-Thin Cell Non Breakable Peel & Stick Solar Golf Cart Top Charging System -Breakthrough Technology Air Purifier Kills MRSA (Staph) In Air & Surfaces

- **Business type:** Manufacturer and Wholesale supplier/Dealer Net Work
- **Products:** Solar electric power systems, backup power systems, solar roofing systems, electric boat components, DC lighting, marine power systems, Air Purifiers Golf Cart Top Charging System-.
- **Address:** 318 North Grove Blvd, Kingsland, Georgia 31548
- **Telephone:** 912-576-4475
- **FAX:** 912-576-9655
- **Web Site:** <http://www.earthcaregreenproducts.com>

Fox Independent Energy, LLC

Fox Independent Energy (FIE) provides impartial fixed fee advisory services to businesses wishing to develop long term energy savings through the implementation of solar energy systems. For greater detail, the reader is requested to please visit the website link below. FIE is not a dealer, re-seller, vendor or installation company. Thank you for spending your time to review this FIE profile.

- **Business type:** Consultancy
- **Products:** Consulting Services: Providing impartial, fixed fee advisory services for the evaluation, financing, purchase and ownership of commercial solar energy systems. .
- **Services:** Impartial fixed fee commercial solar site evaluations (instrumentation based), business (economic /environmental/energy independence) case justification, project coordination, finance sourcing, full life cycle budgeting, vendor RFP development, vendor evaluation, post-installation solar energy audit/monitoring.
- **Address:** 1355 Summer Hill Court, Sugar Hill, Georgia 30518
- **Telephone:** 770-945-6595
- **Web Site:** <http://www.foxindependentenergy.com>

Steam Turbine Generators, LLC

Steam Turbine Generators, LLC (STG) is a relatively new packaging entity devoted exclusively to packaging steam turbine generators up to 15mw. Although new in name, we are staffed and supported by industry experts, whose entire careers, some of which span 4 and 5 decades, have been devoted to the turbomachinery industry. Our goal is to provide a quality product at very competitive prices. Call us to discuss your energy project.

- **Business type:** Wholesale supplier
- **Products:** Steam turbine electric generators, biomass energy system components, cogeneration system components, combined heat and power systems industrial, packaged power systems, waste heat recovery systems, waste to energy project components.
- **Services:** Consulting, design, engineering, project development services, site survey and assessment services
- **Address:** 550 Fairway Drive, Woodstock, Georgia 30189
- **Telephone:** 678-916-1500
- **FAX:** 678-919-7590
- **Web Site:** <http://www.stgsets.com>

Green Point Wind & Solar

Green Point Wind & Solar is a solar PV, solar thermal, and small wind installer/dealer. We specialize in high quality installations for residential, commercial, and government applications with a strong focus on customer service and satisfaction. Located in Blue Ridge, GA, we service North Ga, Tennessee, and North Carolina as well as the Atlanta metropolitan area.

- **Products:** Photovoltaic systems, solar water heating systems, solar pool heating systems, wind energy systems (small), wind turbines (small).
- **Services:** Consulting, design, installation, project development services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** PO Box 59, Morganton, Georgia 30560
- **Telephone:** 706-374-6520
- **FAX:** 706-374-6867
- **Web Site:** <http://www.greenpointwindandsolar.com>

United Renewable Energy

United Renewable Energy is your commercial solar installation specialist for the Atlanta Metro area. We provide turnkey solutions to all of your commercial solar photovoltaic energy needs. We offer simple solutions to the growing problem of energy costs. Call or email for more information today.

- **Business type:** Retail sales
- **Products:** Solar electric power systems, wind energy systems (small).
- **Services:** Consulting, installation, project development services
- **Address:** PO Box 3861, Alpharetta, Georgia 30023
- **Telephone:** 678-881-0014
- **FAX:** 888-649-0610
- **Web Site:** <http://www.u-renew.com>

Georgia Adobe LP. Rammed Earth & Renewable Energy

Georgia Adobe is a multinational, GREEN design and construction company, offering completely self-sustainable structures for your use, as single family residences, residential developments, commercial - retail - industrial structures, & disaster relief projects, storm shelters, storage buildings, placed anywhere you need them - worldwide.

- **Business type:** Multinational, GREEN design and construction company
- **Products:** Earthen Construction, Underground & Above Ground Construction, Rammed Earth & Adobe Construction For Use As Industrial, Commercial, Retail & Residential Structures + The Custom Built Off Grid Energy Systems, Required To Run Them. .
- **Services:** Design Construct Train Rammed Earth Self Sustainable Structures
- **Address:** 231 Harris Lord Cemetery Road, Commerce, Georgia 30530
- **Telephone:** 706-363-6453
- **Web Site:** <http://www.georgiaadobe.com>

[Solar Sun World, LLC](#)

Solar Sun World LLC designs, builds and installs Solar Thermal and Solar Photo Voltaic Systems for Residential and Commercial applications. We offer high-quality proven products from manufacturers including Schuco, Schott, Solar-World and Sunset. With over 15 years installation experience in the European Market, we now bring this expertise and knowledge to the Southeast of the United States. The system components that we use have been tested and approved by a national testing lab. This efficiency results in greatly reduced electric and gas utility bills which can reach up to 80% of current levels. We are one of the few national certified installers for Photo Voltaic and Solar Thermal Systems, which is necessary to receive your State and Fed...

- **Business type:** Solar PV System, Solar Thermal, Renewable Energy
- **Products:** Photovoltaic systems, solar thermal energy, solar water heating systems, solar pool heating systems, solar floor heating.
- **Services:** Consulting, design, installation, free estimates, site survey and assessment services
- **Address:** 2701 Little River Road, Madison, Georgia 30650
- **Telephone:** 770-329-1896
- **FAX:** 706-752-1623
- **Web Site:** <http://www.solarsunworld.com>

TEC Restorations

Master craftsman restoration and custom home building designing and building superior quality, low maintenance and highly energy efficient houses. We design and build houses to maximize the unique features of a specific lot and implement alternative building materials for a permanent dwelling to serve the needs of many generations. We specialize in Insulated Concrete Form Systems and Autoclaved Aerated Concrete Construction Materials.

- **Business type:** Custom design/build contractor, renewable energy/sustainable design builder and consultant
- **Products:** Alternative homes and buildings, earth sheltered homes and buildings, energy efficient homes and buildings, geothermal energy systems, solar water heating systems, passive geo ground air tube heating and cooling, Construction design and building of concrete houses and buildings, High thermal mass construction with Autoclaved Aerated Concrete and Insulated Concrete Forms.
- **Services:** Design/build service contractor, custom construction of alternative houses and buildings, earth resource development and consulting, passive solar heating and cooling design and construction
- **Address:** 125 Cold Stream Court, Canton, Georgia 30115
- **Telephone:** 770-345-0638
- **Web Site:** <http://www.tecrestorations.com>

Teknow Services

Teknow Services provides battery installation and replacement services for IDEN / CDMA Cell Sites and Land based carriers all across the country. Our services also include evaluation, testing, and replacement of batteries, as well as Haz-Mat cleanup of acid leaks from old or damaged batteries, Inventory Audits, Power Audits and EPA required Letter of Reclamation.

- **Business type:** Battery Service, Battery Recycling, Hazmat Celanup, Cell Site Service
- **Products:** Hazmat Cleanup, Battery Cabinet repair, Battery Change out, Nortel CDMA, Motorola CDMA, Lucent CDMA, Motorola IDEN, Cell Site Services, batteries lead acid, batteries lead acid sealed, batteries lead acid sealed AGM, batteries lead acid sealed gelled, batteries lithium ion, Stationary Batteries.
- **Services:** Installation, site survey and assessment services, contractor services, recycling services
- **Address:** 430 Wiscasset Circle NW, Dallas, Georgia 30157
- **Telephone:** 770-315-2051
- **FAX:** 770-443-1750
- **Web Site:** <http://www.teknowbattery.com>

24/7 Technology Inc

- **Business type:** Service
- **Products:** Backup power systems, emergency backup batteries, lead acid batteries, flooded lead acid batteries, sealed lead acid batteries, .
- **Services:** Service Contracts, Emergency On Call Maintenance, Installation And Equipment Removal
- **Address:** 1471 Oak Springs Dr, Marietta, Georgia 30066
- **Telephone:** 770-971-8480
- **FAX:** 770-971-8458

Advanced Charger Technology

- **Business type:** Manufacturer
- **Products:** Battery chargers.
- **Services:** Consulting
- **Address:** 680 Engineering Drive Suite 180, Norcross, Georgia 30092
- **Telephone:** 800-606-6452
- **FAX:** 770-582-0003

Advanced Energy Consultants Inc

- **Business type:** Manufacturer
- **Products:** Power conditioning equipment components, air cooling systems, air cooling system components, alternative home and building construction materials, energy efficient lighting, air heating system components.
- **Services:** Consulting, engineering
- **Address:** 3400 Shaw Rd Suite 200, Marietta, Georgia 30066
- **Telephone:** 770-509-7871

Advanced Energy Systems

- **Business type:** Retail sales and Service
- **Products:** Solar electric power systems, infrared & ultrasonic inspections, electrical preventive maintenance, cogeneration systems, microturbines, uninterruptible power supplies UPS, energy efficient lighting, .
- **Services:** Design and Installation
- **Address:** 2420 Eastgate Pl. Suite A, Snellville, Georgia 30078
- **Telephone:** 770-979-9293
- **FAX:** 770-979-8173

Advanced Power Systems

- **Business type:** Retail sales, wholesale supplier
- **Products:** Uninterruptible power supplies UPS, sealed lead acid batteries, backup power systems.
- **Address:** 289 Jonesboro Rd. # 335, McDonough, Georgia 30253
- **Telephone:** 770-312-0735
- **FAX:** 770-957-7973

Applied Energy Recovery Systems, Inc.

- **Business type:** Manufacturer
- **Products:** High efficiency commercial and industrial water heating systems, using proven heat pump technology. Also, indoor pool heaters & dehumidifiers, dehumidifiers, pool heaters, specialty air conditioners..
- **Address:** 6670-A Corners Industrial Court, Norcross, Georgia 30092
- **Telephone:** 770-734-9696
- **FAX:** 770-453-9323

Atlanta Solar Technologies

- **Business type:** Retail sales, wholesale supplier, service, importer, exporter, contractor, engineering
- **Products:** Solar electric power systems, remote home power systems, recreational vehicle power systems, solar outdoor lighting systems, photovoltaic systems, emergency backup batteries. Products by Trace, BP Solar, Morningstar, Statpower, Sunny Boy, OutBack Power, Evergreen, Sharp, Trojan, Deka, Shurflo, Southwest Windpower, Onan Generators..
- **Services:** Solar power systems, design, maintenance, repair and retrofit.
- **Address:** 100 Cherokee Boulevard, Suite 321, Chattanooga, Georgia 30083
- **Telephone:** 423-265-0307
- **FAX:** 423-265-9030

Brookwood Management Group, Inc.

- **Products:** Solar water heating systems, photovoltaic systems, solar electric power systems, solar pool heating systems, photovoltaic module components, solar thermal electric power systems, Solar Site Analysis.
- **Services:** consulting
- **Address:** PO Box 549, Jasper, Georgia 30143
- **Telephone:** 770-712-8430

Complete Resources Building & Repair Inc

- **Products:** Radiant heating systems, hydronic radiant heating systems, photovoltaic systems, solar pool heating systems, solar water heating systems, solar electric power systems.
- **Services:** Design, installation, construction, education and training services, contractor services
- **Address:** 240 Northside Dr, Athens, Georgia 30601
- **Telephone:** 706-369-7938

Crystal Domes Industries Intl

- **Business type:** Manufacturer, retail sales, wholesale supplier, service, exporter, contractor, construction, financial services
- **Products:** Eco-Healthy Sustainable Futuristic 21st Century Homes, Offices, Commercial, Industrial, Resort + Agricultural buildings.
- **Address:** 2900 Delk Rd, #700-50, Marietta, Georgia 30067
- **Telephone:** 770-620-2003
- **FAX:** 801-401-6700

Digital Communications Systems

- **Business type:** Battery Installation Service
- **Products:** Installation of telecommunication batteries, telecom batteries, telecommunications batteries, industrial Batteries, emergency backup batteries, telecommunications power systems, uninterruptible power supplies UPS, battery replacement, battery installation, network battery change..
- **Services:** Emergency, Installation, Contract, On Demand
- **Address:** 430 Wiscasset Circle NW, Dallas, Georgia 30157
- **Telephone:** 678-631-2000
- **FAX:** 770-443-1750

Enrev Power Solutions, Inc.

- **Business type:** Manufacturer
- **Products:** Battery chargers.
- **Address:** 680 Engineering Dr. Suite 180, Norcross, Georgia 30092
- **Telephone:** 770-582-0001

Heritage Woods Incorporated

- **Business type:** Retail sales, wholesale supplier, exporter, importer
- **Products:** Alternative home and building construction materials, alternative homes and buildings.
- **Address:** 731 Progress Road, PO Box 1755, Ellijay, Georgia 30540
- **Telephone:** 678-371-9149
- **FAX:** 706-579-0468

Hurstboiler. Com

- **Business type:** Manufacturer, wholesale supplier, service, exporter, contractor, construction, engineering
- **Products:** Biomass energy boilers, biomass energy furnaces, biomass energy system components, biomass energy systems, cogeneration systems, wood burning stoves and furnaces.
- **Address:** 100 Boilermaker Lane, Coolidge, Georgia 31738
- **Telephone:** 229-346-3792
- **FAX:** 229-346-3874 Attn. Gene Z.

Index5 LLC

- **Products:** Flooded lead acid batteries, telecommunication batteries, sealed lead acid batteries, DC to AC power inverters, battery chargers, backup power systems, 48Volt DC Power Systems, Inverters, UPS Systems, Battery Recycling, Rectifiers, Iron Work, Grounding.
- **Address:** 385 Wyldewoode Drive, McDonough, Georgia 30253
- **Telephone:** 770-389-9031

Intown Electric, Inc.

- **Business type:** Electrical Contractor NABCEP Certified Solar "PV" Installer
- **Products:** Compact fluorescent lighting fixtures and ballasts, batteries emergency backup, photovoltaic systems, solar roofing systems.
- **Services:** Design, installation, construction, project development services, contractor services, maintenance and repair services
- **Address:** 1104 Dancing Fox Rd. , Decatur, Georgia 30032
- **Telephone:** 404-597-0737
- **FAX:** 404-614-0070

KA Home Robotics

- **Business type:** Manufacturer, wholesale supplier, exporter, importer
- **Products:** Electric lawn mowers, cordless power tools.
- **Services:** Design, project development services
- **Address:** 850 Progress Center Ave., Lawrenceville, Georgia 30043
- **Telephone:** 770-237-0364
- **FAX:** 770-237-8520

Kro-Magnum, Ltd.

- **Products:** Steam turbine electric generators, gas turbine electric generators, Vibration analysis & balancing; Westinghouse steam turbine control system service.
- **Address:** PO Box 578, Kennesaw, Georgia 30156
- **Telephone:** 770-975-3123

Lighting Technologies, Inc.

- **Products:** LED lighting, compact fluorescent lighting, energy efficient lighting, fluorescent lighting.
- **Services:** Consulting, design, installation, engineering, project development services, site survey and assessment services, maintenance and repair services
- **Address:** PO Box 1936, Powder Springs, Georgia 30127
- **Telephone:** 678-945-0467
- **FAX:** 678-945-0445

MCX Environmental Energy Corp.

- **Business type:** Developers
- **Products:** Clean Energy Clean Fuels Combined Heat and Power (Co-gen) Gasification MicroTurbines Plasma Arc Onsite Power, Distributed INFRASTRUCTURE MODEL for Electrical Power, Water and Wastewater Treatment, Natural Enzyme Roads Installation, Telecom including Cable and Telephone. Demand Side assessments and implementations. .
- **Services:** Project Development, Consulting, Distributed Generation, Co-gen
- **Address:** 3500 Lenox Road Suite 1500, Atlanta, Georgia 30326-4231
- **Telephone:** 404-419-2536

OneWorld Sustainable Energy Corporation

- **Products:** Energy-efficient homes and buildings, solar and wind energy systems, micro-hydro systems, blueprint evaluation, energy audits, rainwater harvesting, educational programs.
- **Address:** 1758 Crawford-Smithonia Rd., Colbert, Georgia 30628
- **Telephone:** 706-742-7760

OneWorld Sustainable, Inc.

- **Business type:** Retail sales
- **Products:** Photovoltaic cells, solar water heating systems, energy efficient homes and buildings, wind energy systems (small), wind energy systems (large).
- **Services:** Consulting, design, installation, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 1758 Crawford-Smithonia Road, Colbert, Georgia 30628
- **Telephone:** 706-742-7760

Prophyte Solar Systems

- **Products:** Solar roofing systems, solar thermal electric power systems, solar lighting systems, solar traffic lighting systems, solar thermal energy, solar thermal electric power systems.
- **Services:** Consulting, design, installation, construction, engineering, project development services, contractor services
- **Address:** 1029 Peachtree Parkway N. #246, Peachtree City, Georgia 30269
- **Telephone:** 916-230-3669

Smart Energy Stuff

- **Business type:** Retail sales, wholesale supplier
- **Products:** Solar thermal energy, building integrated photovoltaic systems, cogeneration systems, solar cooking systems, photovoltaic systems, solar electric power systems, Solar Electric hybrid vehicles, utility & Recreation vehicles, solar bags, Concentrated PV Systems.
- **Services:** Consulting, installation, project development services, education and training services
- **Address:** 101 Crossing East, Suite 1, Peachtree City, Georgia 30269
- **Telephone:** 770-487-2525
- **FAX:** 770-487-2524

Soenso Energy

- **Business type:** Dealers and professional installers of commercial and residential solar thermal, solar pv and small wind turbines.
- **Products:** Schuco OG-300 certified solar thermal water heating systems, Schuco solar photovoltaic (PV) electricity generating systems, PowerSol evacuated tube solar thermal collectors, Southwest Windpower Skystream 3. 7 and Air Breeze small wind energy turbines. .
- **Address:** 2010 Country Squire Road, Marietta, Georgia 30062
- **Telephone:** 770-973-6298
- **FAX:** 770-565-4521

SOLAR SOURCE of Georgia

- **Business type:** Sustainable Energy Systems
- **Products:** Building integrated photovoltaic systems, photovoltaic systems, solar electric power systems, solar electric roofing systems. .
- **Services:** Consulting, design, installation, construction, project development services, education and training services, site survey and assessment services
- **Address:** P. O. Box 362, Barnesville, Georgia 30204
- **Telephone:** 770-584-6154

Solar Systems Unlimited

- **Business type:** Wholesale supplier, exporter
- **Products:** Solar water heating systems, photovoltaic systems, solar electric power systems, solar thermal energy, solar pool heating systems, solar roofing systems.
- **Services:** Consultation, design, installation, project development services
- **Address:** Duluth, Georgia 30096
- **Telephone:** 888-329-7066

Solarcore

- **Business type:** Retail sales
- **Services:** Consulting, design, installation, construction, project development services, financial services
- **Address:** 761 Poplar St, Macon, Georgia 31208
- **Telephone:** 478-745-3000

SolarSmith

- **Business type:** Retail sales
- **Products:** Solar thermal energy, solar electric power systems, solar lighting systems, solar water pumping systems, solar pool heating systems.
- **Services:** Consulting, design, installation
- **Address:** 601 Wild Turkey Rd, Savannah, Georgia 31406
- **Telephone:** 912-507-1487

Southeast Solar Co.

- **Business type:** Distributor
- **Products:** Distributor of Apricus Solar thermal products. Also in floor heating system, solar pool heating, hot water baseboard heat and heat recovery tanks. .
- **Services:** Distributor, retail sales, engineering, Installation Solar thermal products
- **Address:** 2670 N. Berkley Lake Road Suite # 5, Duluth, Georgia 30096
- **Telephone:** 678-957-8454
- **FAX:** 678-957-8464

Southern Porcelain Inc.

- **Business type:** Manufacturer, wholesale supplier
- **Products:** High Voltage Porcelain Insulators 5 kv +.
- **Services:** Design, project development services
- **Address:** 1000 Eastside Dr, Marietta, Georgia 30060
- **Telephone:** 800-548-1977
- **FAX:** 770-499-1947

Stationary Power Services

- **Business type:** Wholesale supplier,
- **Products:** Emergency backup batteries, uninterruptible power supplies UPS, DC to AC power inverters, sealed lead acid batteries, flooded lead acid batteries, battery cables, Service/Sales Of Battery back-up Equipment.
- **Address:** 1856 Corporate Dr. Ste: 125, Norcross, Georgia 30093
- **Telephone:** 770-638-4507

SunRely LLC

- **Business type:** Retail sales
- **Products:** Solar electric power systems.
- **Services:** Installation, engineering, project development services, site survey and assessment services, financial services, contractor services
- **Address:** 5977 Spalding Dr. NW, Norcross, Georgia 30092
- **Telephone:** 678-740-6526

SureOn Power Systems

- **Business type:** Manufacturer, retail sales, wholesale supplier
- **Products:** Backup power systems, uninterruptible power supplies UPS, industrial batteries, recreational vehicle power systems, DC to AC power inverters.
- **Address:** PO BOX 2590, Acworth, Georgia 30102
- **Telephone:** 800-343-9658

Village Habitat Design, LLC

- **Business type:** Conservation community planners, architects
- **Products:** Alternative homes and buildings, energy efficient homes and buildings, Community planning - sustainable community.
- **Services:** Design, project development services, site survey and assessment services, architectural design services
- **Address:** 483 Moreland Ave. Suite #4, Atlanta, Georgia 30307
- **Telephone:** 404-525-4828

Warren Environmental Equipment Inc.

- **Business type:** Manufacturer
- **Products:** Biomass energy system components, air filtering and purification systems, air filtering and purification system components, cogeneration system components, geothermal energy system components, heat exchangers, Air Pollution Control Systems.
- **Address:** 5075 Roswell Road, Atlanta, Georgia 30342
- **Telephone:** 404-843-8333
