

SunWind Power Systems, Inc

SunWind Power provides professional design, installation, and consultation as well as products for solar PV, solar hot water, wind and renewable technologies for those in KY and IN. Our professional engineering staff is highly qualified and certified to help customers find the appropriate energy solution for their individual needs. We have experience installing residential and commercial systems involving grid-tied, off-grid and dual PV/wind systems, solar pool, and solar domestic solar hot water. We also offer alternative energy solutions such as natural tubular skylights and solar attic fans.

- **Business type:** Engineering design, installation, and consultation
- **Products:** Solar photovoltaic, solar domestic hot water, solar pool, wind, and renewable technologies such as natural tubular skylights and solar attic fans.
- **Services:** Consulting, design, installation, engineering
- **Address:** 5324 Hanka Rd, Floyds Knobs, Indiana 47119
- **Telephone:** 502-876-5174
- **Web Site:** <http://www.sunwindpowerinc.com>

Home & Mobile Energy

Design, installation, sales and service of residential and commercial solar systems. We also specialize in wind turbines, back-up systems, inverters, batteries and RV solar. We've designed and/or installed over 1, 000 systems across the United States and Worldwide. Top-of-the line products at affordable prices. Let us design and install a custom system for you.

- **Business type:** Retail sales, wholesale supplier
- **Products:** Solar electric power systems, wind energy systems (small), batteries lead acid, backup power systems, inverters.
- **Services:** Consulting, design, installation, project development services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 1013 Elroy Drive, Middlebury, Indiana 46540
- **Telephone:** 574-825-4800
- **FAX:** 574-825-5182
- **Web Site:** <http://www.homeandmobileenergy.com>

Solar Wind Energy Corporation

Full Service Electrical contractor who specializes in Wind Turbines and Photovoltaic

- **Products:** Wind turbines (small) horizontal axis, photovoltaic systems, wind turbines (small).
- **Services:** Design, installation, construction, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 8870 E. 1000 N., Kendallville, Indiana 46755
- **Telephone:** 260-347-8382
- **FAX:** 260-347-8383
- **Web Site:** <http://www.solarwindenergycorp.com>

ECI Wind and Solar

ECI Wind and Solar is an Indiana based renewable energy contractor serving the Midwest. We offer full service, NABCEP certified, turnkey installations, with full warranties for all of our systems. We offer systems design consulting, grant writing services, parts sales, repair, and maintenance of solar electric, wind electric, and solar thermal systems. ECI Wind and Solar is an experienced and trusted resource for turnkey installations or just some basic questions. Give us a call and one of our experienced professionals will be glad to help!

- **Business type:** Turnkey Installations, Sales, and Service of all Renewable Energy Systems
- **Products:** NABCEP certified Solar PV installation, Solar Panels, Inverters, Photovoltaics, Wind Turbines, Towers, Charge Controllers, Batteries, FULL TURNKEY INSTALLATIONS, PARTS, and SERVICE. .
- **Services:** Installations, repair, service, troubleshooting, education
- **Address:** 9005 East 1125 South, Fairmount, Indiana 46928
- **Telephone:** 888-432-4927 X101
- **FAX:** 888-432-4927
- **Web Site:** <http://www.eciwindandsolar.com>

[Illiana Power Corporation](#)

Illiana Power Corporation can assist you with solar products, design, installation and tax credit preparedness. We work with licensed electricians and contractors to ensure your solar system is designed and installed properly. You can order parts and systems directly from our website or contact us for an on-site solar evaluation, Monday-Friday, 9am-5pm.

- **Business type:** Renewable Energy Systems
- **Products:** Photovoltaic systems, photovoltaic modules, solar electric power systems, wind turbines (small), solar tracking systems.
- **Services:** Commercial, Residential, Sales & Installation
- **Address:** 4825 Leslie Ct. , Terre Haute, Indiana 47802
- **Telephone:** 812-878-1432
- **Web Site:** <http://www.illianapower.com>

[Greenworks Energy](#)

Greenworks Energy is a full service provider of renewable energy solutions. We provide customized services from start to finish for residential, commercial, and municipal partners. Our focus is not only on providing the right product solutions, but to provide ongoing education on energy efficiencies to maximize return on investment. With over 40 years of energy storage business experience, the Greenworks Energy team continues the focus on providing innovation and quality service to the clean tech industry.

- **Business type:** Retail sales, wholesale supplier, importer, distributor, mfg
- **Products:** Batteries alkaline, batteries automotive starting, backup power systems, batteries cellular phone, batteries cordless power tool, solar electric power systems, wind turbines, solar PV panels, solar thermal panels, inverters, charge controllers, cables, connectors.
- **Services:** Consulting, design, installation, project development services, education and training services, architectural design services, contractor services
- **Address:** 9001 Smith Street, Yorktown, Indiana 47396
- **Telephone:** 877-365-POWER
- **FAX:** 765-759-2299
- **Web Site:** <http://www.greenworkspower.com>

Phoenix Mechanical

PHOENIX MECHANICAL can help you with your heating, cooling and plumbing (Lic. #CO50800250) needs. Renewable Energy options include geothermal heating and cooling, domestic solar hot water, solar pool heating, and solar space heating for homeowners and businesses. Our domestic solar hot water system can also be used to provide heat for your home. To learn more about geothermal, solar or renewable energy, visit the Learning Center at our website

- **Products:** Solar air heating systems, solar water heating systems, geothermal energy systems, tankless water heating systems, heat pumps, solar pool heating systems, air heating systems.
- **Services:** Consulting, design, installation, contractor services
- **Address:** 101 S. Randolph Street, Garrett, Indiana 46738
- **Telephone:** 260-357-1930
- **FAX:** 260-357-4510
- **Web Site:** <http://www.garrettenergysystems.com>

Aerodyn Engineering Inc.

- **Business type:** Manufacturer
- **Address:** 5220 West 79th Street, Indianapolis, Indiana 46268
- **Telephone:** 317-334-1523

American Agriculture for Clean Energy Inc

We spend 90% of what we collect on research. There are no wages or benefits paid. Our expenses are for supplies and travel.

- **Business type:** Nonprofit organization
- **Products:** Research and development of new oil seeds that are non food use for the use in bio-diesel production..
- **Address:** 5503 N 500 West, Thorntown, Indiana 46071
- **Telephone:** 765-436-7431
- **FAX:** 765-436-7432

Andover Engineering Services LLC.

- **Products:** Backup power systems, energy efficient homes and buildings, HID lamps, energy efficient lighting, fluorescent lighting fixtures and ballasts, compact fluorescent lighting, Power Factor Capacitors.
- **Address:** 5720 Andover Road, Indianapolis, Indiana 46220
- **Telephone:** 317-313-1306

Battery Xpress, Inc.

- **Business type:** Manufacturer, retail sales, wholesale supplier
- **Products:** Cordless power tool batteries, custom batteries, renewable energy system batteries, lead acid batteries, cellular phone batteries, medical equipment batteries, battery cables, battery accessories, battery automotive, battery rechargeable, battery custom packs, battery industrial, battery chargers, battery.
- **Services:** Maintenance and repair services, recycling services
- **Address:** 415 W. 7th Street, Bloomington, Indiana 47404
- **Telephone:** 800-443-3387

Charles Walker General Construction

Providing Services in all areas of Commercial and Residential Construction.

- **Products:** Alternative home and building construction materials, alternative homes and buildings.
- **Services:** Consulting, contractor services
- **Address:** 2926 North Illinois Street, Indianapolis, Indiana 46208
- **Telephone:** 317-925-5569
- **FAX:** 317-925-5569

Comfort Zone Inc.

- **Products:** Geothermal systems.
- **Address:** 8355 E. US Highway 36, Avon, Indiana 46123
- **Telephone:** 317-272-9030
- **FAX:** 317-272-4039

EcoSource Inc

- **Business type:** Wholesale supplier
- **Products:** Photovoltaic systems, alternative homes and buildings, wind turbines (small).
- **Services:** Consulting, installation, education and training services, site survey and assessment services
- **Address:** 12870 W 525 S, Columbus, Indiana 47201
- **Telephone:** 812-342-7226

Grissom Windmill Sales and Service

- **Business type:** Retail sales
- **Products:** Water pumping windmills and/or ornamental non-working windmills.
- **Services:** Consulting, installation, project development services, site survey and assessment services
- **Address:** 2634 State Road 37 North, Paoli, Indiana 47454
- **Telephone:** 812-723-2495, or 812-279-6254; Cell:812-569-7893

Integrated Power Systems

- **Business type:** Wholesale supplier
- **Products:** Backup power systems, renewable energy system batteries, battery cables, sealed lead acid batteries, DC to AC power inverters, recreational vehicle power systems.
- **Services:** Design
- **Address:** 56716 C.R. 31, Goshen, Indiana 46528
- **Telephone:** 219-825-9152
- **FAX:** 219-825-1035

Millennium Systems, Incorporated

- **Business type:** Retail sales, service
- **Products:** Packaged power systems, photovoltaic PV modules, recreational vehicle RV power , alternative construction, wind-powered generators.
- **Services:** Consulting, consulting, system design
- **Address:** 3784 N. Tillotson #116, Muncie, Indiana 47304
- **Telephone:** 765-285-9132

Morton Energy, LLC

- **Business type:** Renewable Energy Products and Services
- **Products:** Solar PV systems, wind-powered turbines, solar hot water, solar pool heating, solar golf carts, solar construction trailers and more..
- **Services:** Consulting, design, installation, project development services, site survey and assessment services, contractor services
- **Address:** 4620 Weaver Road, Evansville, Indiana 47711
- **Telephone:** 812-490-3600
- **FAX:** 812-402-9695

SAVER

- **Business type:** Retail sales, wholesale supplier, exporter
- **Products:** Solar system packages, advanced power systems, solar electric power systems, photovoltaic systems, generators, renewable energy system batteries, wind energy systems (small), DC to AC power inverters, water filtration & conditioning, energy saving refrigeration, energy saving washer & dryers, hybrid power stations.
- **Services:** Retail sales, consulting, engineering design, project development services, financial services
- **Address:** 350 Woodland Trail Drive, Indianapolis, Indiana 46239
- **Telephone:** 317-465-8496
- **FAX:** 317-465-8496 press 2

White Construction Incorporated

- **Products:** Wind turbines (large), gas turbine electric generators, biomass energy systems, steam turbine electric generators, wind power plants, fuel powered electric generators, Ethanol Production Facilities, Oil Refineries, Pharmaceutical Plant Construction.
- **Services:** Consulting, design, installation, construction, engineering, project development services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 11993 South State Road 63, Clinton, Indiana 47842
- **Telephone:** 1-800-355-9401
- **FAX:** 765-832-2075

WMS Technologies Inc.

- **Business type:** Retail sales, exporter
- **Products:** Computer and electronic components, computer software, fuel powered electric generators, gas turbine electric generators, gas turbine electric generators, Geo Thermo, Solar, Wind Turbines, IT Greening, wireless network systems laptops, servers, PDAs.
- **Services:** Solution Provider
- **Address:** 19821 W. Brick Rd, South Bend, Indiana 46637
- **Telephone:** 1-574-272-0998 or 1-219-898-5359

Wolfsong Wind Systems, Inc

- **Products:** Wind energy towers and structures (large), wind energy systems (large), wind power plants.
- **Address:** 20588 US 6, Walkerton, Indiana 46574
- **Telephone:** 574-586-9029
