

Mountain View Solar and Wind

Renewable energy systems, sales, installation and service. Weatherization consulting and mitigation services. Will provide services in a fifty mile radius. Call today for a renewable energy analysis and let us show you your home energy options.

- **Business type:** Green Builders, renewable energy assessment, and weatherization
- **Services:** Consulting, installation, construction, site survey and assessment services, contractor services
- **Address:** 15 Greenway Dr. , Berkeley Springs, West Virginia 25411
- **Telephone:** 304-258-4320
- **Web Site:** <http://mtvsolar.com>

SOLAR ENERGY SERVICES, INC. (formerly Perry Energy Services)

Solar Energy Services, Inc. is Maryland's premier thermal solar energy contact with 30 years on-site thermal solar experience. Specializing in residential and commercial domestic hot water, space heating, pool heating and multiple thermal applications. High quality systems installed for a lifetime of daily use. Contact us today for your solar step towards energy independence. SOLAR SAVES!

- **Business type:** Solar Energy Installation
- **Products:** Solar water heating systems, solar thermal energy, solar pool heating systems, solar collectors evacuated tube, solar collectors flat plate, solar air heating systems.
- **Services:** Design, installation, contractor services, maintenance and repair services
- **Address:** 1514 Jabez Run, Suite 106, Millersville, Maryland 21108
- **Telephone:** 410-923-6090
- **FAX:** 410-923-6091
- **Web Site:** <http://www.solarsaves.net>

MRB Solutions - Solar Division

MRB Solar brings thirty years of experience in mechanical, plumbing and electrical systems to the solar industry. We work with homeowners and commercial businesses to design and install the right size system for their needs, and help them take advantage of Maryland state grants and federal tax incentives to reduce costs. Whether you're looking for domestic hot water, radiant heat, or heated pools and spas, capturing energy from the sun is a fairly straightforward technology that's been widely used in Europe and Asia for more than twenty years. MRB Solar aims to de-mystify solar-thermal energy and make it easy and affordable for Maryland homeowners, businesses, schools, churches and municipalities.

- **Products:** Solar collectors evacuated tube, solar pool heating systems, solar thermal energy, solar water heating systems.
- **Services:** Consulting, design, installation, project development services, site survey and assessment services
- **Address:** P. O. Box 235, Galesville, Maryland 20733
- **Telephone:** 443-871-1634
- **FAX:** 410-867-7365
- **Web Site:** <http://www.mrbsolar.com>

SOLgenics, Inc.

SOLgenics installs solar energy systems for homeowners and businesses. We offer ultra-efficient products and solutions that help reduce energy usage (and waste) before installing any solar. From home/room additions, window/door replacement and re-insulation of your existing home or business - everything we do is focused on reducing your energy demands. We can also design and build net-zero energy buildings that have energy efficiency and solar power at the foundation of their designs.

- **Products:** Alternative homes and buildings, LED lighting, heat pumps, hydronic radiant heating systems, solar collectors flat plate, solar electric power systems, bio-hygenic air purification, carbon-filtration water purification, Net Zero Energy Homes.
- **Services:** Design, installation, construction
- **Address:** 8775 Centre Park Drive #529, Columbia, Maryland 21045
- **Telephone:** 202-422-7242
- **FAX:** 888-516-5256
- **Web Site:** <http://www.solgenics.com>

Greenspring Energy LLC

We provide a unique combination of solar energy systems and energy saving products and services in the Mid-Atlantic region. Greenspring Energy makes it easy and affordable to go solar, get more energy efficient and go green in your home or business. We also professionally install and service everything that we sell.

- **Business type:** Retail sales
- **Products:** Solar thermal energy, solar electric power systems, energy efficient appliances, energy efficient lighting, natural daylighting, solar attic vents, Certified Energy Audits.
- **Services:** Consulting, installation, project development services, site survey and assessment services
- **Address:** 30 W Aylesbury Rd, Timonium, Maryland 21093
- **Telephone:** 443-322-7000
- **FAX:** 800-708-9250
- **Web Site:** <http://www.greenspringenergy.com>

Kalys Engineering LLP

Kalys Engineering LLP Consulting Engineer, A Solution for your projects in Africa: Civil, Environmental, Geology, Wastewater Treatment, Desalination water supply, Biomass gasification, Waste-to-Energy.

- **Products:** Waste to energy systems, biomass energy biofuel.
- **Services:** Consulting, engineering, project development services, testing services
- **Address:** 46457 Midway Dr, Lexington Park, Maryland 20653
- **Telephone:** 301-862-3704
- **FAX:** 301-880-7068
- **Web Site:** <http://www.kalysengineering.com>

Seven Seas Energy, llc

Turn key solar and alternative energy experts. Seven Seas Energy is a commercial solar installer based in Annapolis Maryland and services the mid- Atlantic region. We are capable of handling solar installs of any size and will aid our clients with deciding on technology types, installing, commissioning, financing, management, monitoring, and navigating the tax credit and rebate system. Each system is custom designed for your property and our prices are reasonable with an exception pay back period.

- **Products:** Solar electric power systems, wind turbines (small), photovoltaic systems, photovoltaic systems commercial, photovoltaic systems residential.
- **Services:** Consulting, design, installation, construction, project development services, education and training services, site survey and assessment services, financial services, contractor services, maintenance and repair services
- **Address:** 172 West Street, Annapolis, Maryland 21401
- **Telephone:** 410-562-9103
- **FAX:** N/A
- **Web Site:** <http://www.sevenseasenergy.com>

Aggadan Electric

We are a total solution company dealing with all your solar needs.

- **Business type:** Manufacturer, wholesale supplier
- **Products:** Solar roofing systems, photovoltaic systems, air cooling systems, DC to AC power inverters, solar thermal electric power systems, backup power systems.
- **Services:** Consulting, design, installation, contractor services
- **Address:** 909 N Calhoun St, Baltimore, Maryland 21217
- **Telephone:** 240-424-3345
- **Web Site:** <http://www.aggadanelectric.com>

Arezza Non Profit

Community NonProfit services. A rezza is a nonprofit association whose mission is to: Develop networks of persons, businesses, public and private organizations. Promote a value system based on sustainability, the ethics of responsibility, professionalism and entrepreneurship with a special focus on innovation, team work, cooperation and attention to change The association has a particular interest in local area development with social research, communications, training, technical and organizational innovation, support of new business formation, interregional, transnational and international cooperation.

- **Business type:** Nonprofit organization
- **Services:** Consulting, project development services, education and training services
- **Address:** 8811 Colesville Road - 407, Silver Spring, Maryland 20910
- **Web Site:** <http://www.arezza.net>

Evolve Energy Systems, LLC

Solar panels are 100% noise and emission free with no moving parts. The solar panels are guaranteed for 20 years to operate @ 90% efficiency. Most panels will work 30+ years. Take advantage of the Commercial / Residential Federal and State tax incentives while they last! Have the power company purchase power from you with a grid-tied PV system. A solar panel system can be designed to fit your lifestyle and energy needs. Reduce your energy consumption with a SOLATUBE Daylighting System.

- **Products:** Photovoltaic systems, solar attic vents, energy efficient lighting, SOLATUBE .
- **Services:** Consulting, design, installation, engineering, project development services, site survey and assessment services
- **Address:** P. O. Box 818, Buckeystown, Maryland 21717
- **Telephone:** 240-367-2484
- **Web Site:** <http://www.evolveenergysystems.com>

Glory Energy Solutions LLC

Energy Consultants and Contractors committed to helping our clients save energy and make energy.

- **Business type:** Energy consultants and contracting
- **Products:** Energy efficient lighting, photovoltaic systems, Home Energy Performance Audit.
- **Services:** Energy audit, energy consultation, solar photovoltaic systems
- **Address:** P. O. Box 23, Boonsboro, Maryland 21713-0023
- **Telephone:** 301-432-5874
- **Web Site:** <http://www.gloryenergysolutions.com>

Maryland Solar Solutions, Inc

Maryland Solar Solutions, Inc. makes your solar investment experience an easy and affordable one by offering complete turnkey solutions for your home or business. Our professional team is trained and qualified to provide: Design, Installation, Documentation, Monitoring Services, Maintenance, Warranties, Financing, Leasing, Energy Audit Services, SREC Aggregation, Free in-home consultations.
MHIC#127148

- **Business type:** Retail sales
- **Products:** Building integrated photovoltaic systems, energy efficient homes and buildings, photovoltaic cells, photovoltaic modules, photovoltaic module mounting systems, photovoltaic systems residential, photovoltaic systems commercial.
- **Services:** Consulting, design, installation, project development services, contractor services
- **Address:** 105 Thorden Rd, Reisterstown, Maryland 21136
- **Telephone:** 443-218-2620
- **FAX:** 410-526-3639
- **Web Site:** <http://www.marylandsolarsolutions.com>

O. O. Cook Industries, LLC (OOCI)

Having been in heavy construction for many years we have specialized in renewable energy resources. At OOCI we believe all sources need to be harnessed for the power of the future. This is attainable today. Having a world class group of experts we pride ourselves on the deliverable products we carry and install.

- **Business type:** Manufacturer, wholesale supplier, exporter
- **Products:** We combine heat and power systems industrial, geothermal energy systems, solar thermal electric power systems, solar thermal energy, wind energy systems community scale, wind energy towers(Multi-axis), OOCI carries Micro CSP for 250kW to 20MW use, combined with Wind and Storage we can take most users off grid. Exporting is our specialty.
- **Services:** Design, installation, construction, project development services, financial services
- **Address:** 9603 Deercor Road #421, Lutherville, Maryland 21094
- **Telephone:** 1 410-592-2949
- **FAX:** 410-492-7924
- **Web Site:** www.ooci.us

Wind Power Consultant

Consulting, site evaluations.

- **Services:** Wind power consulting in Mid- Atlantic, South Eastern, and North Eastern US.
- **Address:** 6745 Edge Rd, Royal Oak, Maryland 21662
- **Telephone:** 410-822-6045
- **Web Site:** <http://www.windpowerconsultant.us.com>

Annapolis Hybrid Marine

- **Business type:** Retail sales
- **Products:** Hybrid power systems.
- **Services:** Consulting, installation
- **Address:** 541 Second Street, Annapolis, Maryland 21403
- **Telephone:** 410-353-2597

Ap-Solar LLC

- **Business type:** Retail sales, wholesale supplier
- **Products:** Photovoltaic systems, wind turbines (large), solar roofing systems, batteries renewable energy system, solar electric power systems, wind turbines (large) horizontal axis.
- **Services:** Consulting, design, contractor services
- **Address:** 7803 Briardale Ter, Derwood, Maryland 20855
- **Telephone:** 202-210 8145
- **FAX:** 240-883-9164

Aurora Energy Inc

- **Business type:** NABCEP Certified Solar PV Installer
- **Products:** Solar PV electric systems.
- **Address:** 9009 Mendenhall Court, Suite E, Columbia, Maryland 21045
- **Telephone:** 410-268-3088

Chesapeake Solar, a groSolar Company

- **Business type:** Systems Design and Sales
- **Products:** Solar water heating systems, solar photovoltaic systems.
- **Services:** Design and installation of solar energy systems for residential and commercial clients
- **Address:** 7761 Waterloo Road, Jessup, Maryland 20794
- **Telephone:** 443-733-1221
- **FAX:** 443-733-1222

Creative Laundry Systems

We offer washers with stackable, ventless dryers and combination (wash and dry in one appliance) washer/dryers. The combination machines require only a 110V/15A circuit and are the size of a dishwasher.

- **Business type:** Wholesale Supplier
- **Products:** Ventless Laundry Systems that incorporate High Efficiency Washers with Stackable, Condensing Dryers that eliminate the need for vents and vent runs. .
- **Address:** 12104-G Indian Creek Court, Beltsville, Maryland 20705
- **Telephone:** 240-295-1295
- **FAX:** 240-295-1289

Electrical Solutions

- **Business type:** Solar & Geothermal HVAC systems
- **Products:** Photovoltaic power systems, DC to AC power inverters, geothermal HVAC -(Heating, Ventilation, Air-conditioning systems), air-to-air heat pumps, wind generators, electrical contractor, photovoltaic installation/repair, HVAC/geothermal installations. Certified installers of Magnetek, Sunny Boy, Fronius, and Aurora Magnetek inverters. .
- **Services:** Solar & Geothermal HVAC systems
- **Address:** 5786 Argyle Drive, Parsonsburg, Maryland 21849
- **Telephone:** 443-614-1111
- **FAX:** 888-316-4712

Fiddler's Green

- **Business type:** Service
- **Products:** Photovoltaic PV modules.
- **Services:** Consulting
- **Address:** PO Box 26103, Baltimore, Maryland 21210
- **Telephone:** 410-404-3422
- **FAX:** 410-464-6315

Freedom Energy Solutions LLC

- **Business type:** Retail sales
- **Products:** Solar electric power systems, photovoltaic systems, backup power systems, wind energy systems (small), wind energy systems (large),geothermal systems.
- **Services:** Design, installation
- **Address:** 2300 Hampstead Mexico Road, Westminster, Maryland 21157
- **Telephone:** 410-871-9020 or 1-866-900-4089
- **FAX:** 410-871-9023

Global Solar & Electric

- **Business type:** Service
- **Products:** Solar water pumping systems, fuel-powered backup generators, charge controllers, DC/AC Inverters, energy efficient lighting.
- **Services:** Consulting
- **Address:** 3201 Deths Ford Rd., Darlington, Maryland 21034
- **Telephone:** 410-399-2063

Green Energy Design

- **Business type:** Retail sales
- **Products:** Backup power systems, combined heat and power systems residential, geothermal energy systems, photovoltaic systems, solar water heating systems, wind energy systems (small).
- **Services:** Consulting, design, installation, project development services, site survey and assessment services, architectural design services, contractor services
- **Address:** 19 Goldsborough St. , Easton, Maryland 21601
- **Telephone:** 410-822-5959
- **FAX:** 410-822-5339

Harvey Coachworks and EV

- **Business type:** Manufacturer, retail sales, wholesale supplier
- **Products:** Hybrid electric vehicles, batteries electric vehicle, batteries lead acid sealed AGM, batteries lithium polymer, batteries nickel metal hydride, battery components, battery electric and PHEV trike .
- **Services:** Consulting, design, installation, project development services, research services, maintenance and repair services
- **Address:** 2130A Jefferson Pike, Knoxville, Maryland 21758
- **Telephone:** 977-749-9730

Harvey Coachworks

- **Business type:** Manufacturer, retail sales
- **Products:** Electric scooters, electric cars, electric motorcycles, electric vehicle components, electric vehicle conversion kits, electric vehicles, Plugin Hybrid Conversions (PHEVs).
- **Services:** Design, installation, engineering, project development services, maintenance and repair services, testing services
- **Address:** 2130A Jefferson Pike, Knoxville, Maryland 21759
- **Telephone:** 301-841-7865
- **FAX:** 301-591-0927

Home Energy Loss Professionals (H.E.L.P.)

- **Products:** Energy efficient homes and buildings.
- **Services:** Consulting
- **Address:** 7114 Eastbrook Ave, Baltimore, Maryland 21224
- **Telephone:** 410-282-1422
- **FAX:** 410-284-4673

HUVCO, LLC - Daylighting Solutions

- **Business type:** Manufacturer, retail sales, wholesale supplier
- **Products:** Tubular skylights, natural daylighting, energy efficient lighting, solar powered attic fans and ventilation products. New Fiber Optic Skylight.
- **Services:** Installation, design
- **Address:** Post Office Box Three, Rohrsersville, Maryland 21779
- **Telephone:** 800-832-6116
- **FAX:** 301-432-7185

Jordan Frank & Associates

I am President of Jordan Frank & Associates, an Executive Search and recruiting firm specializing in architecture, engineering, construction and renewable energy. If you would like to discuss your next career move, or if I may be able to help with your current recruitment needs please contact me. Our practice has successfully completed search assignments in the following areas. . . Architecture, Urban Planning, Master Planning, Construction, Civil Engineering, Environmental, Facilities, Manufacturing, Materials Management, Executive Management, Infrastructure, Mechanical & Electrical, MEP, Transportation, Geotechnical, Structural Engineering, Renewable Energy (Wind, Solar, Geothermal, Nuclear) Healthcare, Real Estate, Utilities, Oil and ...

- **Services:** Consulting, design, construction, engineering, project development services, research services, site survey and assessment services, financial services, architectural design services, contractor services, maintenance and repair services, testing services
- **Address:** P. O. Box 2551, Ellicott City, Maryland 21041-2551
- **Telephone:** 410-730-1596
- **FAX:** 410-730-8096

Maryland Solar Solutions, Inc.

- **Products:** Photovoltaic systems, energy efficient homes and buildings, solar electric power systems, solar roofing systems.
- **Services:** Consulting, design, installation, project development services, contractor services, maintenance and repair services
- **Address:** 105 Thorden Rd, Reisterstown, Maryland 21136
- **Telephone:** 443-218-2620
- **FAX:** 410-526-3639

Michael Howell

- **Business type:** NABCEP Certified Solar PV Installer
- **Products:** Solar PV electric systems.
- **Address:** Baltimore, Maryland
- **Telephone:** 302-451-7500
- **FAX:** 302-451-7502

Nite Lites

- **Business type:** Retail sales, wholesale supplier, lighting design, retrofits
- **Products:** Compact fluorescent lighting fixtures and ballasts, energy efficient lighting, fluorescent lighting fixtures and ballasts, LED lighting, fluorescent light bulbs.
- **Services:** Consulting, design, installation, education and training services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 8806 Daimler Court, Potomac, Maryland 20854
- **Telephone:** 301-762-5444
- **FAX:** 240-597-8552

Ohms Energy Company

- **Business type:** Commercial and Residential Services, Wholesale Electricity, Retail Electricity, Green Energy Generation, Transmission and Distribution Support., Emergency Response contractor, construction, residential and utility grid interconnection, retail supplier, marketing, beta testing, exporter and importer
- **Products:** Green Grid Power, portable power systems, alternative home and building construction materials, backup power systems, energy efficient homes and buildings, hybrid power systems, remote telecommunications power systems, grid-connected systems, stand-alone generation facilities, TRC's, utility grid-tie interconnection and uninterruptible power supplies UPS.
- **Services:** Generation and T&D Support, Utility Grid-tie Interconnection, Residential and Commercial Grid-tie Installation, Tradable Renewable Energy certificates
- **Address:** 2211 Commerce Rd, Forest Hill, Georgia 21050
- **Telephone:** 410-230-1833
- **FAX:** 800-861-3914

Olorunfemi & Olorunfemi Inc.

- **Business type:** Manufacturer, exporter
- **Products:** Renewable energy system batteries, compact fluorescent lighting, fluorescent light bulbs, emergency backup batteries, DC to AC power inverters, energy saving appliances, solar lanterns, solar garden lights, solar caps, solar water pumps, power totes, power depots, microhydro turbines, wind power equipment.
- **Services:** Consulting, design, education and training services
- **Address:** 14831 Cemetery Road, Cooksville, Maryland 21723
- **Telephone:** 410-442-8233
- **FAX:** 410-442-0488

Olorunfemi & Olorunfemi Inc.

- **Business type:** Manufacturer, exporter
- **Products:** Solar electric power systems, solar water pumping, backup power systems, emergency backup batteries, Energy saving appliances, energy efficient lighting, Solar Lanterns, Solar caps, wind power equipment, microhydro equipment.
- **Services:** Consulting, design, project development services, education and training services
- **Address:** 14831 Cemetery Road, Cooksville, Maryland 21723
- **Telephone:** 410-442-8233
- **FAX:** 410-442-0488

Owens Comfort Systems

- **Business type:** HV/AC
- **Products:** Geothermal energy systems.
- **Services:** Consulting, design, installation, contractor services, maintenance and repair services
- **Address:** 2001 Hideout Lane, Bowie, Maryland 20716
- **Telephone:** 410-741-9340
- **FAX:** 301-218-5945

Power Up

- **Business type:** Manufacturer, wholesale supplier
- **Products:** Solar electric power systems, sealed lead acid batteries, photovoltaic modules, wind energy system components (small).
- **Address:** 12230 Eastern Ave, Baltimore, Maryland 21220
- **Telephone:** 410-344-9206
- **FAX:** 410-344-9239

Reasonable Power

- **Business type:** Manufacturer, wholesale supplier
- **Products:** Wind energy systems (small), wind energy assessment equipment, wind energy system components (small), wind power plants, packaged power systems.
- **Services:** Project development services, research services, testing services
- **Address:** 606 E. Patrick St., #6, Frederick, Maryland 21701
- **Telephone:** 301-401-0907

Segal's Solar Systems

- **Business type:** Retail sales, wholesale supplier, service, contractor, engineering
- **Products:** Backup power systems, solar water pumping systems, photovoltaic systems, portable power systems, solar electric power systems, solar outdoor lighting systems, Energy-Efficient Home and Building Design, Ultra-efficient Refrigeration
- **Address:** 3357 Cranberry South, Laurel, Maryland 20724-2419
- **Telephone:** 301-776-8946

Smart Power Systems

- **Business type:** Manufacturer
- **Products:** DC to AC power inverters, DC to DC power converters, battery chargers, cogeneration system components, fuel cell system components, wind energy system components (small), AC to DC & AC to AC Power supplies, frequency changers, static phase converters, 3-phase power factor correction modules..
- **Services:** Manufacturing, design & custom applications of power electronic equipment
- **Address:** 1107 Middle River Road # 8, Baltimore, Maryland 21220
- **Telephone:** 410-391-9881
- **FAX:** 410-391-9811

sol-RPLUS

- **Business type:** Service
- **Products:** Solar water heaters: design for dual-fluid flat plate collector pointing angles: AZ and EI for PV or thermal collectors solar insolation for any location design for parabolic trough: Az and EI tracking design for solar chiller using lithium bromide economic assessments of alternative heating and cooling.
- **Services:** Solar consulting
- **Address:** 5000 Battery Ln, #905, Bethesda, Maryland 20814
- **Telephone:** 301-654-2171

Solar King Supply (SKS)

- **Business type:** Consulting and Design Build Services
- **Products:** Solar Water Heating, Pool Heating, Energy Efficient Homes, Businesses, Institutions, Building Passive Solar Designs, Natural Day Lighting, Geothermal Energy & Solar Source Heat Pump Systems, Water Conservation-efficiency.
- **Services:** Consulting; design/build extensive expertise with conservation/ee and re systems
- **Address:** 8 Sherman Avenue, Takoma Park, Maryland 20912-5742
- **Telephone:** 1-202-270-5000

Sure Power, Inc.

- **Business type:** Retail sales, wholesale supplier
- **Products:** Uninterruptible power supplies UPS, backup power systems, emergency backup batteries, sealed lead acid batteries.
- **Address:** 3700 Commerce Dr. Suite 904, Baltimore, Maryland 21227
- **Telephone:** 410-242-5200

Sustainable Design Group Inc.

- **Business type:** Home design
- **Products:** Solar hot water, solar PV, wind, earth brick, passive solar, composting toilets, non toxic materials, geothermal, rain water collection and more..
- **Services:** Green, Solar and Zero Energy home design and project management
- **Address:** 22923 Wildcat Rd., Gaithersburg, Maryland 20882
- **Telephone:** 301-428-1040

Think Energy, Inc.

- **Products:** Photovoltaic cells, alternative homes and buildings, backup power systems, energy efficient homes and buildings, on site generation.
- **Services:** Consulting
- **Address:** 82 Eldrid Drive, Silver Spring, Maryland 20904
- **Telephone:** 301-625-2590
- **FAX:** 301-625-2591
