*J. Ranck Electric, Inc. was founded in 1986 by James A. Ranck, who at the time was working as a Journeyman electrician. Since, the company has grown from a core group of 3 office staff and 3 electricians to a 3-location company with 45+ office staff and 250+ electricians. We are proud to be one of the most reputable electrical contracting firms in the state of Michigan. In 2008, J. Ranck Electric celebrated its 22nd anniversary. We are proud to be a family-owned operation, solidly into the second generation. We search for employees that are the best in the industry while being the best fit for JRE. Our employees firmly believe in the corporate mission, which is to be the premier provider of professionally designed and installed electrical c...*
