

Green Energy & Solar Technology

GREEN ENERGY & SOLAR TECHNOLOGY designs high quality renewable energy systems for residential and commercial entities. Our team of dedicated professionals will consult and tailored a system to fit your needs. There is no system to small or large that we can not install. We use the highest quality top of the line materials and installation methods delivering a system that not only looks good, but one you will be able to rely on for years to come.

- **Products:** Photovoltaic systems, solar thermal energy, wind energy systems (large), biomass energy systems, hydro energy systems (small), geothermal energy systems.
- **Services:** Consulting, design, installation, project development services, site survey and assessment services, maintenance and repair services
- **Address:** 8325 Wornall Road, Kansas City, Missouri USA 64114
- **Telephone:** 816-612-9481
- **FAX:** 816-841-2554
- **Web Site:** <http://www.greenenergy-solar.com>

Alternative Energy Company

Solar system sales, design and installation for the greater Ozark area. Excellent pricing and service. State of the art, but field proven, technology. Energy Audits including Energy Star and RESNET also available.

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, energy efficient homes and buildings, wind turbines (small), geothermal energy systems.
- **Services:** Consulting, installation, engineering, project development services, site survey and assessment services
- **Address:** Springfield, Missouri USA 65809
- **Telephone:** 417-520-0624
- **FAX:** 417-823-7720
- **Web Site:** <http://www.aenergyco.com>

G2Power Technologies, LLC

- **Business type:** SOLAR - SALES, INSTALLATION, CONSULTING
- **Products:** Solar electric (PV) systems, solar water heating systems, wind energy systems, solar air heating systems, solar lighting, backup power systems, AND MORE.....
- **Services:** Consulting, design, installation, project development services, site survey and assessment services, contractor services
- **Address:** 105 Sunset Drive, St Louis, Missouri USA 63042
- **Telephone:** 314-839-1609
- **Web Site:** <http://www.g2power.com>

Global NES (New Energy Solutions) of Missouri

Global New Energy Solutions is a renewable energy consulting and integration firm. We were founded on the principle of always doing the right thing for our clients and the environment. We design, build, install, service and monitor renewable energy systems. Systems include photovoltaic, wind, geothermal, hydrogen fuel cell, stream power generators, wave generators, LED & induction lighting, grey water recovery. . . and more. Our clients are large scale (cities, airports, sports stadiums, etc.) commercial and small business as well as residential. We have operations in the US, Canada, the UK, India and Australia. We employ only the best most qualified engineers and installers and only offer the best and newest products for our clients. We h...

- **Business type:** Renewable Energy & Energy Service Company
- **Products:** Photovoltaic systems, wind energy systems (large), fuel cell systems, hydro energy systems (large), geothermal energy systems, LED lighting, Hybrid systems, grid connected, remote, large scale, commercial & residential.
- **Services:** Consulting, design, installation, engineering, site survey and assessment services, maintenance and repair services
- **Address:** Kearney, Missouri USA 64060
- **Telephone:** 816-903-5514
- **Web Site:** www.globalnesmo.com

Heartland Alternative Energy

We are a Green Company based in the Midwest that will provide Consultation, Project Development, Alternative Energy Products, and Installation for Residential, Commercial, & Governmental Renewable Energy Projects.

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, wind turbines (small), solar water heating systems, DC to AC power inverters, solar tracking systems, solar street lighting, solar thermal roofing systems, solar traffic lighting, solar attic vents, LED Lighting.
- **Services:** Consulting, installation, project development services
- **Address:** 17631 Lisa Valley Ct. , Wildwood, Missouri USA 63005
- **Telephone:** 314-616-3691
- **FAX:** 636-391-9449
- **Web Site:** <http://www.heartlandalternativeenergy.com>

MAC - Motion and Current

- **Business type:** Manufacturer
- **Products:** Battery chargers, battery charge controllers, battery connectors, Brushless DC and AC Motors.
- **Services:** Design
- **Address:** 601 International Avenue, Washington, Missouri USA 63090
- **Telephone:** 1-800-622-3406
- **FAX:** 636-239-5652
- **Web Site:** www.macmc.com

Missouri Solar Applications, LLC

Missouri Solar Applications is a full service provider of solar photovoltaic(PV) electric and solar thermal water systems. We design, engineer, procure, install, operate and maintain solar systems to meet the client's needs. Electric grid-tied photovoltaics with net-metering is a speciality so that the client can be an electric energy generator. In certain utility service areas, if you qualify, you can lease a solar system from us! You can have a system installed in less than 60 days!

- **Business type:** Design-Builder of Solar Systems- Integrator We Lease Solar Electric Systems
- **Products:** All types of solar photovoltaic(PV)electric and solar thermal water systems customized to meet your needs and budget. The solar electric systems can be roof mounted or ground mounted. The systems can be at a fixed angle to the sun or track the sun across the sky by single axis or dual axis tracking systems. The electric systems can be grid tied or off the grid. Solar thermal systems can be installed in a building with thermal panels mounted on the roof or ground. .
- **Services:** Consulting, design, installation, construction, engineering, project development services, research services, contractor services, maintenance and repair services
- **Address:** P. O. B. 1727, Jefferson City, Missouri USA 65102
- **Telephone:** 573-635-0211
- **FAX:** 573-634-2442
- **Web Site:** <http://mosolarapps.com>

AFuels Technologies LLC

- **Business type:** Manufacturer
- **Products:** Alternative fuel vehicles, biomass energy systems.
- **Address:** 1101 Lakeview, Suite D, Columbia, Missouri USA 65201
- **Telephone:** 573-234-0003

America's Full Line Electrical Service, LLC

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, solar water heating systems, backup power systems, air filtering and purification systems, power conditioning equipment, wind energy systems (small), Fiber Optic Lighting and complete electrical contracting services.
- **Services:** Consulting, design, installation, construction, project development services, education and training services, site survey and assessment services, financial services, contractor services, maintenance and repair services, testing services
- **Address:** P.O. Box 7492, Columbia, Missouri USA 65205-7492
- **Telephone:** 573-424-9183
- **FAX:** 573-449-0597

Arrow Industries, Inc.

- **Business type:** Manufacturer
- **Products:** Engineered Foundation Repair, Design & Products for Critical Equipment Epoxy Grouts, Anchor bolts, Adjustable Chocks.
- **Services:** Engineering, epoxy grouts, fast setting polymer modified concrete
- **Address:** 520 Kelly Lane, Louisiana, Texas USA 63353
- **Telephone:** 713-203-7678
- **FAX:** 713-789-6073

B.Z. Products, Inc.

- **Business type:** Manufacturer
- **Products:** PV charge controllers.
- **Services:** System design, contractor services, consulting services
- **Address:** 7614 Marion Ct., St. Louis, Missouri USA 63143
- **Telephone:** 314-644-2490
- **FAX:** 314-644-6121

Eco Solar

- **Products:** Photovoltaic systems, solar electric power systems, solar water heating systems, solar air heating systems, solar pool heating systems.
- **Services:** Installation
- **Address:** 17603 Montgall, Belton, Missouri USA 64012
- **Telephone:** 816-807-6376
- **FAX:** 800-548-8283

Global Green Goal

- **Business type:** Retail sales
- **Products:** Photovoltaic cells, wind energy systems (small).
- **Services:** Consulting, design, installation, construction, engineering, education and training services, site survey and assessment services, financial services, maintenance and repair services
- **Address:** 920A East Broadway, Columbia, Missouri USA 65201
- **Telephone:** 573-234-6257

Home Maintenance & Contracting Inc.

- **Business type:** Contracting, Home Improvement, Construction
- **Products:** Contracting, Home Improvement, New Construction, Green Construction, Heating and Cooling, General Maintenance, Kitchens, Baths, Decks, Room additions, Garages, Custom Homes, .
- **Services:** Installation, construction, project development services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 43 Ozark Lane, Arnold, Missouri USA 63010
- **Telephone:** 314-602-7454
- **FAX:** 636-296-5473

MidAmerica Solar LLC.

- **Business type:** Retail sales, wholesale supplier, importer
- **Products:** Air heating systems, backup power systems, DC lighting, DC to AC power inverters, energy efficient homes and buildings, geothermal energy systems, Photovoltaics.
- **Services:** Design, installation, construction, project development services, research services, contractor services, maintenance and repair services
- **Address:** 5029 Country Side, Imperial, Missouri USA 63052
- **Telephone:** 314-602-1595
- **FAX:** 636-296-5473

Missouri Valley Renewable Energy LLC

- **Business type:** Retail sales, installations,
- **Products:** Photovoltaic systems, solar thermal DWH and heating, solar pool heaters, stand-by emergency generators.
- **Services:** Generator warranty and repairs, telecom, battery service, design
- **Address:** 2378 Berkemeyer Rd, Hermann, Missouri USA 65041
- **Telephone:** 573-486-5709
- **FAX:** 573-486-5709

Ozark Energy Services

- **Business type:** Installing Contractor
- **Products:** Photovoltaic, Solar Water Heating, Commercial Lighting Energy and Performance Upgrades, Commercial Energy Auditing.
- **Services:** Complete turnkey design, supply and installation within 75 miles of Joplin, MO plus service after the sale.
- **Address:** Joplin, Missouri USA 64804
- **Telephone:** 417-623-6296
- **FAX:** 866-880-0305

P.I.B Inc.

- **Business type:** Retail sales
- **Products:** Wind energy systems (small), wind turbines (small), wind energy towers and structures (small).
- **Services:** Installation
- **Address:** p.O. Box 72, Holden , Missouri USA 64040
- **Telephone:** 913-940-7222

Package Consulting, LLC

- **Business type:** Wholesale supplier
- **Products:** Packaging Production Line Layouts, Machinery and Materials.
- **Address:** 310 Coley Court , Wentzville, Missouri USA 63385
- **Telephone:** 636-327-5233

Power Source Solar

- **Business type:** Manufacturer, retail sales
- **Products:** Alternative homes and buildings, solar pool heating systems, DC to AC power inverters, packaged power systems, photovoltaic systems, solar water pumping system components.
- **Address:** 3718 Ponderosa, Springfield, Missouri USA 65803
- **Telephone:** 417-833-4274

Preferred Energy

- **Business type:** Retail sales
- **Products:** Solar electric power systems, solar water heating systems, fuel powered electric generators, hydronic radiant heating systems, Kubota Diesel Engines.
- **Services:** Consulting, design, installation
- **Address:** 6502 Ming Drive, Mountain Grove, Missouri USA 65711
- **Telephone:** 417-818-6057
- **FAX:** 417-453-6364

Sensible Steam Consultants (Steam Engines)

- **Business type:** Manufacturer, retail sales, wholesale supplier, service
- **Products:** Wood fired steam powered electric generators, biomass energy boilers, biomass powered electric generators, packaged power systems, biomass energy products, portable power systems.
- **Services:** System design, consulting services, system installation
- **Address:** 152 Von Goebels Lane, Branson, Missouri USA 65616
- **Telephone:** 417-336-2869

Solar 1 - Saint Louis Solar

- **Products:** Energy efficient homes and buildings, backup power systems, water heating systems, full service solar.
- **Services:** Full service solar, consulting, design, installation, construction, engineering, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 9905 Vasel Drive, Saint Louis, Missouri USA 63123
- **Telephone:** 314-631-1094

Solar Concepts

- **Business type:** Retail sales
- **Products:** Tubular skylights, solar attic vents, Add-On Light Kits, Vent Kits, Daylight Dimmers..
- **Services:** Consulting, design, installation, construction, site survey and assessment services
- **Address:** 1779 S. Grant Ave., Springfield, Missouri USA 65807
- **Telephone:** 417-862-8600
- **FAX:** 417-862-8622

The Advantage Group

- **Business type:** Data Center/Facilities Management software
- **Products:** Uninterruptible power supplies UPS, computer software, data center management software, facilities management software.
- **Address:** 1850 Craigshire Road - Suite 202, St. Louis, Missouri USA 63146
- **Telephone:** 314-205-8019
