

TriSolar Energy, Inc.

*~ Complete Solar Project Developing ~ Residential-Commercial-Public
~Photovoltaic/Solar Electric System~ Consultation - Design - integration/installation -
maintenance - monitoring **Help with financing and Federal & State Rebate, Grant,
Incentives*

- **Products:** Photovoltaic systems.
- **Services:** Consulting, design, installation, project development services
- **Address:** 1161 West Ave - Unit A, Ocean City, New Jersey USA 08226
- **Telephone:** 609-399-9977
- **FAX:** 609-399-9989
- **Web Site:** <http://www.trisolarenergy.com>

Eastern Natural Resources Group inc.

*ENRGI located in Bergen County NJ. We are an accredited Geothermal supplier &
installer. We install Geothermal systems in schools, homes, offices & retail. Call for a
free estimate. We design & install complete system from start to finish.*

- **Business type:** Commercial & Residential Installations.
- **Products:** Geothermal Heating & Cooling systems. Design & installation. .
- **Services:** Geothermal heating & cooling installation
- **Address:** Po Box 72, Glen Rock, New Jersey USA 07452
- **Telephone:** 201-882-2144
- **FAX:** 201-882-8416
- **Web Site:** <http://www.enrgi1.com>

Soltage, Inc.

Soltage, Inc. is a full service renewable energy provider, providing affordable solar electricity to clients across the US. At no cost to the client, Soltage finances, installs, owns and operates large solar power systems on the roofs and adjacent land of commercial, industrial, not for profit, and government clients. Soltage supplies clients with on-site generated electricity at a cost that is below current retail rates and stabilized out into the future.

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, solar electric power systems.
- **Services:** Installation, construction, project development services, site survey and assessment services, financial services
- **Address:** 66 York St. 5th Floor, Jersey City, New Jersey USA 07302
- **Telephone:** 201-432-1786
- **FAX:** 201-432-1010
- **Web Site:** <http://www.soltage.com>

Pfister Energy

We are a renewable energy company specializing in solar, wind, daylighting and co-generation technologies. Working together with our roofing and maintenance partner, we design and install integrated solar roofs. This technology not only saves the company money but generates clean energy credits and qualifies for state rebates

- **Business type:** Renewable Energy Systems
- **Products:** Wind turbines (small), solar roofing systems, natural daylighting, cogeneration systems, photovoltaic systems, solar outdoor lighting systems, Integrated solar roofing, fuel cell.
- **Services:** Consulting, design, installation, construction, engineering, project development services, education and training services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 80 East Fifth Street, Paterson, New Jersey USA 07524
- **Telephone:** 973-569-9330
- **FAX:** 973-569-9663
- **Web Site:** <http://www.pfisterenergy.com>

[Avionex/USA Corporation](#)

Our company is currently an OEM Manufacturer and fabricator. . . In 2009, under a new proposed license agreement, Avionex/USA plans to become an American Manufacturer of Towers and other Components for our Wind generators, namely: our larger- 800KW and 1. 5 MW Wind Turbines. (These are Low-Wind/Hi-Wind Super Efficient and all Weather down to -20 Deg. & -40 Deg. Celsius) Turbines with Double-fed Asynchronous Generators and internal Ladder/Stairs. The 800KW (\$986, 000) Wind Turbine's annual Energy production is between 2. 9 Million Kilowatt Hours per year; to-3. 2 Million Annual Kilowatts. Our 1. 5 MW (USD\$2. 1 Million) turbine's Annual Energy Production is 6. 0 Million KWHrs. (Exact Amount dependent on your site's Annual-Average Wind velocit..

- **Business type:** OEM manufacturer, wholesale supplier, exporter-Turnkey Installations.
- **Products:** Wind turbines Large-(800KW) and 1. 5 MW, wind turbines, horizontal axis.
- **Services:** Consulting, engineering, financing-60/40 LeasePurchase:36 Months, SBA and GE Capital.
- **Address:** 115 Franklin Tpk. No. 128. , Mahwah, New Jersey USA 07430
- **Telephone:** 1-201-825-3090/ President's Direct:1-201-988-3715

[Sunpower Solutions Corporation](#)

Sunpower Solutions is a fully licenced and insured solar energy system design and installation firm. Sunpower Solutions provides sales, design, installation and serviced on all of our solar heating, solar electric, and solar hot water systems. Please visit our online store for more information.

- **Business type:** Retail sales, wholesale supplier
- **Products:** Solar water heating systems, solar electric power systems, solar water pumping systems, solar air heating systems, solar pool heating systems, solar lighting systems.
- **Services:** Consulting, design, installation, project development services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 300B 40th St, Brigantine, New Jersey USA 08203
- **Telephone:** 877-627-0387
- **FAX:** 609-939-0688

Skylands Renewable Energy, LLC

Skylands Renewable Energy, LLC works with individuals, businesses, municipalities, schools, churches and farms to assess, develop, install and maintain renewable energy systems powered by the wind and the sun. We also understand the available public funding options for these projects and have access to private funding options when needed. Roger Dixon, the owner of Skylands Renewable Energy, LLC has been involved in the evolution of renewable energy systems for the past 35 years. He is one of a few who has witnessed the increased sophistication of equipment and acceptability of renewable systems in the US and around the world. As the first (and only) Certified Wind Site Assessor located on the East Coast, Mr. Dixon was asked to become a memb...

- **Business type:** Retail sales, wholesale supplier
- **Products:** Wind turbines (small), wind turbines (large), solar collectors evacuated tube, photovoltaic systems, solar water heating systems, solar electric power systems.
- **Services:** Consulting, installation, construction, project development services, education and training services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 3 Thads Hill Road, Hampton, New Jersey USA 08827

Today's Solar Energy Company

Today's Solar Energy Company offers solar thermal or solar photovoltaic installation, service, retail, distribution, or consultative services to home owners, municipalities, towns, schools, commercial businesses, emergency services, police, fire departments, prisons, or not for profits.

- **Business type:** Retail sales, wholesale supplier, exporter, publisher
- **Products:** Photovoltaic systems, solar thermal energy.
- **Services:** Consulting, design, installation, engineering, project development services, education and training services, research services, site survey and assessment services, financial services, contractor services, maintenance and repair services, testing services
- **Address:** 606 Vaughn Ave. , Toms River, New Jersey USA 08753
- **Telephone:** 732-552-8231
- **Web Site:** <http://www.todayssolarenergycompany.com>

Able Environmental, LLC

New Jersey's only certified design-build company for solar powered Geothermal-GeoExchange heating, cooling, hot water systems for the most energy efficient homes and buildings on Earth. We also build turnkey Energy Star Green homes for NJ residents featuring optional radiant floor warming, air filtration with allergy, UV purification and heat recovery ventilator systems for the best IAQ indoor air quality available plus solar photovoltaics and electric generating wind turbines. Let the "GREEN TEAM" help keep your home or building comfortable, healthy and clean while saving you thousand\$ on your utility bills, see our website we are the answer to help reduce Global Warming !!

- **Business type:** Consulting, design & installation.
- **Products:** Solar powered geothermal, geoexchange energy systems, energy efficient homes and buildings, air and water purification systems, solar powered pool heating systems, residential wind energy systems (small), renewable alternative energy system, commercial wind energy systems (large). .
- **Services:** Consulting, design, installation, engineering, computer energy audits, maintenance and repair services, testing services
- **Address:** Box 188 - 1812 Allenwood Lakewood Road, Allenwood, New Jersey USA 08720
- **Telephone:** 732-899-0019
- **FAX:** 732-899-6187
- **Web Site:** <http://www.geo-systems.com>

Advanced Power Associates Corp.

Advanced Power Associates Corp. supplies power electronic components for the alternative energy market. Products include DC / DC converters for the fuel cell applications, in Buck, Boost, or bidirectional configuration. DC / AC Inverters are produced for fuel cell and solar energy markets. The inverters come in stand alone or in grid connect configurations. Specific to our products are: flexible design based on DSP processors, and high efficiency (to 98%) based on advanced components and materials. Sales:

- **Business type:** Manufacturer
- **Products:** DC to AC power inverters, DC to DC power converters, electric vehicle components.
- **Address:** 511 James St. , New Milford, New Jersey USA 07646
- **Telephone:** 201-387-8532
- **FAX:** 201-387-2119
- **Web Site:** <http://www.advpowerassoc.com>

Alternate Energy & Ecology Co, Inc

We design and install renewable energy systems (solar electric, solar pool heating and solar hot water) for residential and commercial buildings.

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, solar pool heating systems, solar water heating systems.
- **Services:** Domestic hotwater, solar; photovoltaic systems; solar pool heating repairs
- **Address:** PO Box 85, Wyckoff, New Jersey USA 07481
- **Telephone:** 201-572-7865
- **FAX:** 973-427-0023
- **Web Site:** <http://www.linktothesun.com>

[AmeSolar Inc.](#)

AmeSolar is a PV Panel and Thermal Panel Wholesale, Retail firm. And also we provide Solar Power System Consulting and Installation. Our goal is to leave our children healthy communities powered by clean, renewable energy.

- **Business type:** Retail sales, wholesale supplier, importer
- **Products:** Photovoltaic systems, solar water heating systems, solar pool heating systems, batteries lead acid sealed.
- **Services:** Consulting, installation, project development services, site survey and assessment services, contractor services
- **Address:** 49 Rutherford ST. , Newark, New Jersey USA 07105
- **Telephone:** 201-399-4199
- **FAX:** 201-331-5030
- **Web Site:** <http://www.amesolar.com>

[Global Resource Corporation](#)

Global Resource Corporation is a Worldwide Petroleum Research, Engineering, Development and Manufacturing Company that thinks outside the box and is responsible for bringing innovation and new technologies to the petrochemical industries where we offer many proprietary solutions in Enhanced Oil & Energy Recovery Processes.

- **Business type:** Manufacturer
- **Products:** Waste to energy systems, High Frequency Attenuating Wave Kinetic Fuel Producing Machines.
- **Services:** Consulting, design, engineering, research services
- **Address:** 408 Bloomfield Drive, West Berlin, New Jersey USA 08091
- **Telephone:** 856-767-2450
- **FAX:** 856-767-2490
- **Web Site:** <http://www.globalresourcecorp.com>

Robbins Water Service, Inc.

IGSHPA Accredited Drilling Contractor

- **Business type:** Drilling contractor
- **Products:** Geothermal energy systems, closed loop geothermal drilling, open loop geothermal drilling, variable speed water pumps, water storage tanks, ground source heat exchangers, emergency service.
- **Services:** Installation, design, sales, service, construction, contractor services
- **Address:** 462 Atsion Road, Shamong, New Jersey USA 08088
- **Telephone:** 609-268-2040
- **FAX:** 609-268-7478
- **Web Site:** www.robbinswaterservice.com

The Solar Center, Inc.

Design, installation of solar electric systems, both grid tied and combination grid tie/battery back up. Authorized dealer for Sharp, BP Solar, Sanyo, Beacon Power products. Sales and service of solar hot water. Serving NY, LI, NJ, CT

- **Business type:** Solar electric & solar hot water system design and installation for residential and commercial applications
- **Products:** Solar electric systems, solar hot water systems, energy efficiency services.
- **Services:** Sales, installation and service of solar energy systems
- **Address:** 47 Woodland Ave., PO Box 290, Rockaway, New Jersey USA 07866
- **Telephone:** 973-627-7730
- **FAX:** 973-627-7735
- **Web Site:** <http://www.thesolarcenter.com>

1st US Energy LLC / SolarWorks NJ

- **Business type:** Solar Integrator Residential;commercial;solar energy farms
- **Products:** Solar Electric Power Systems, Photovoltaic Systems-- Design & Install. Residential & Commercial & Solar Energy Farms. NJ & DE. .
- **Address:** 900 Route 168 Suite A-5, Turnersville, New Jersey USA 08081
- **Telephone:** 856-232-6363
- **FAX:** 856-228-7808

ABSOLUTELY ENERGIZED Solar Electric

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, photovoltaic modules, energy efficient homes and buildings, packaged power systems, home automation, solar electric power systems, Solar electric.
- **Address:** 272 Millstone Road, Perrineville, New Jersey USA 08535
- **Telephone:** 732-792-7374

Akeena Solar

- **Products:** Solar electric power systems.
- **Services:** Consulting, design, installation, construction, engineering, project development services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 26 Commerce Road, Suite F, Fairfield, New Jersey USA 07004
- **Telephone:** 888-253-3628
- **FAX:** 973-244-0887

Alternative Energy Associates

- **Products:** Energy efficient homes and buildings, geothermal energy systems, solar electric power systems, wind energy systems (small), solar thermal energy, radiant heating systems.
- **Services:** Consulting, design, installation, construction, engineering, project development services, education and training services, site survey and assessment services
- **Address:** P. O. Box 157, Augusta, New Jersey USA 07822
- **Telephone:** 973-383-6400
- **FAX:** 973-367-1474

American Energy Technologies, Inc.

- **Products:** Photovoltaic systems, solar roofing systems.
- **Address:** 50 Sequoia Place, Wayne, New Jersey USA 07470
- **Telephone:** 877.4solar1
- **FAX:** 973-907-7297

American Solar Specialists, LLC.

- **Business type:** Solar PV Plants Up To 150 Mw, Solar Hot Water System Installed, Serviced, Repaired, Energy Audits
- **Products:** PV Farms up to 150mw, Utility Grade Solar Farms, Custom Design and Built Solar Farms. We can design, operate, maintain your facility any where in the world. We Custom Design Solar Hot Water Systems. We service, Repair, upgrade Solar Hot Water Systems. We are the Tech. guys. Diagnostic services available. Energy Audits available. We service what we install. We offer a Home Owner Kit, which includes Tech Support. We consult on projects world-wide. .
- **Services:** Installation, Service, Repair, Upgrades of Large Scale Solar PV Plants. Solar Hot Water Systems Installed.
- **Address:** 41 North Park Drive, Bridgeton, New Jersey USA 08302
- **Telephone:** 856-453-1368

Ange Renewable Energy Corporation

Renewable easy and affordable

- **Business type:** Retail sales, wholesale supplier, exporter, importer
- **Products:** Solar electric power systems, combined heat and power systems residential, combined heat and power systems industrial, wind energy system components (large), wind energy system components (small), air heating systems.
- **Services:** Consulting, design, installation, construction
- **Address:** 9-School St Apt 2, Passiac, New Jersey USA 07055
- **Telephone:** 973-330-2340

Arosa Solar Energy Systems Inc

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, solar water heating systems, solar pool heating systems.
- **Services:** Consulting, design, installation, maintenance and repair services
- **Address:** 60 Arosa Hill, Lakewood, New Jersey USA 08701
- **Telephone:** 732-886-2322

AstraLite

- **Business type:** Manufacturer
- **Products:** Energy efficient lighting, LED lighting.
- **Services:** Consulting
- **Address:** PO Box 476, Annandale, New Jersey USA 08801-0476
- **Telephone:** 800-832-LITE (5483)
- **FAX:** 908-638-4463

Aten Solar

- **Business type:** Wholesale distributor, systems integrator
- **Products:** Solar electric power systems (grid & off grid) --- solar panels, prepackaged systems. inverters, inverter accessories, composters, charge controllers and electrical safety enclosures. Free Shipping in the continental USA on all of our products. .
- **Services:** Distributor, Value Added Reseller
- **Address:** 705 Brinley Ave, Bradley Beach, New Jersey USA 07720
- **Telephone:** 732-810-1983 or 800-310-7271
- **FAX:** 732-782-0350

Bliss Computers

- **Products:** Computer and electronic components, computer software.
- **Address:** 101 Lincoln Street, 1R, Jersey City, New Jersey USA 07307
- **Telephone:** 201-686-6146

Charles Vail, Inc.

- **Products:** Biomass energy systems.
- **Address:** 7333 Town Court South, Lawrenceville, New Jersey USA 08648
- **Telephone:** 609-275-7066
- **FAX:** 609-275-8029

Cooper Electric Supply Company

- **Business type:** Manufacturer, retail sales, service, exporter, contractor, construction, engineering
- **Products:** Fuel powered electric generators, cogeneration systems, cogeneration system components, packaged power systems, alternative home and building construction materials, emergency backup batteries, Y2K and emergency preparedness supplies.
- **Address:** 1924 Heck Avenue, Neptune, New Jersey USA 07753
- **Telephone:** 732-774-1058 or toll free 800-216-7851
- **FAX:** 732-774-8334

Eastern Energy Services, Inc.

- **Business type:** Renewable Energy/ ESCO
- **Products:** Photovoltaic systems, wind, energy efficient lighting, ups, generators.
- **Services:** Solar, Wind, Lighting
- **Address:** 4 Ridge Road, Southampton, New Jersey USA 08088
- **Telephone:** 609-801-1990
- **FAX:** 609-801-9393

Ecological Systems

- **Business type:** Retail sales, wholesale supplier
- **Products:** Photovoltaic systems, wind energy systems (small), renewable energy system batteries, DC to AC power inverters, photovoltaic modules, solar electric power systems.
- **Services:** Consulting, design, installation, project development services, site survey and assessment services, financial services, contractor services, maintenance and repair services
- **Address:** 1634 Martin Rd, Neptune, New Jersey USA 07753
- **Telephone:** 1-866-SKY-SOLAR

Ecological Systems

- **Business type:** NABCEP Certified Solar PV Installer
- **Products:** Solar PV electric systems.
- **Services:** Design, installation, distribution
- **Address:** 220 County Rd. Rt. 522, Manalapan, New Jersey USA 07726
- **Telephone:** 732-462-3858
- **FAX:** 732-462-3962

Energy Enterprises, Inc.

- **Business type:** Residential and Commercial Sales & Installation
- **Products:** Solar Electric Systems, Residential and Commercial, Battery Backup Power Systems and Generators, Sales, Service and Installation.
- **Services:** System Design
- **Address:** 6331 Beacon Ave, Mays Landing, New Jersey USA 08330
- **Telephone:** 609-476-4946
- **FAX:** 609-476-4933

Energy Group

- **Business type:** Wholesale Supplier/Contractor/Consulting
- **Products:** Energy efficient homes and buildings.
- **Services:** Products/energy conservation/effcy
- **Address:** Postal Suite 337, Little Falls, New Jersey USA 07424-0337
- **Telephone:** 973-942-8628
- **FAX:** 973-956-2940

GreenWords

- **Business type:** Trade association
- **Products:** Cogeneration systems, alternative fuel vehicles, hybrid power systems, hydro energy systems (small), wind energy systems (small), wind turbines (small), scalable CHP, micro-wind systems and components, micro-hydro systems and components.
- **Services:** Consulting, education and training services
- **Address:** 4 Green Briar Drive, Hamilton, New Jersey USA 08690
- **Telephone:** 609-977-6214

Integrity Engineering, LLC

- **Business type:** Energy Consulting
- **Services:** Energy consulting
- **Address:** 7809 Wellington Ave., Margate, New Jersey USA 08402
- **Telephone:** 609-487-7757
- **FAX:** 609-487-7756

Krannich Solar, Inc.

- **Business type:** Wholesale supplier, exporter
- **Products:** Packaged power systems, photovoltaic modules, DC to AC power inverters, photovoltaic module mounting systems.
- **Services:** Consulting, design, engineering, education and training services
- **Address:** 3226 Sylon Boulevard, Hainesport, New Jersey USA 08036
- **Telephone:** 856-802-0991

LBI Solar

- **Business type:** Retail sales
- **Products:** Solar electric power systems, wind energy systems (small), backup power systems, wind energy towers and structures (large), solar tracking systems.
- **Address:** 42 Antioch Road, High Bar Harbor, New Jersey USA 08008
- **Telephone:** 609-553-0049

M&D Technology Development Corporation

- **Business type:** Manufacturer, wholesale supplier
- **Products:** Lithium polymer batteries, lithium ion batteries, li-ion button battery, column battery, prismatic battery, custom battery pack, cell design.
- **Services:** Rechargeable battery solutions, consulting
- **Address:** 9 Renfro Road, Somerset, New Jersey USA 08873
- **Telephone:** 732-868-1766

Metex Corporation

- **Business type:** Manufacturer
- **Products:** Cogeneration system components, hydro energy system components (large), air filtering and purification system components, geothermal energy system components, computer and electronic components, water filtering and purification system components, Seals, Breathers, Coalescers, Filters, Mufflers, Gaskets, Noise Attenuators.
- **Address:** 970 New Durham Road, Edison, New Jersey USA 08818
- **Telephone:** 732-287-0800

Moretrench American Corporation

- **Products:** Wind energy towers and structures (large), wind energy system components (large), wind power plants.
- **Address:** 100 Stickle Ave, Rockaway, New Jersey USA 08089
- **Telephone:** 973-627-2100 x241

NJ Construction & Consultants LLC.

Design, build and install state of the art solar and/or geothermal systems for residential or commercial use.

- **Products:** Energy efficient homes and buildings, geothermal energy systems, photovoltaic systems.
- **Services:** Consulting, design, installation, construction, site survey and assessment services, contractor services
- **Address:** 51 Hillside Ave, South River, New Jersey USA 08882
- **Telephone:** 732-979-8523

NJ Solar Power, LLC

- **Business type:** Solar Electric Design & Installation
- **Products:** Solar Electric Power Systems.
- **Services:** Commercial & Residential Systems
- **Address:** P.O. Box 376, Pine Beach, New Jersey USA 08741
- **Telephone:** 732-606-0049
- **FAX:** 732-269-8357

PDR Assocs Group

- **Business type:** Exporter, importer
- **Products:** Biomass energy biofuel biodiesel, wind power plants, energy efficient homes and buildings, cogeneration systems.
- **Services:** Consulting, design, installation, project development services, financial services, architectural design services
- **Address:** 8 Packard Road, Suite 1, East Brunswick, New Jersey USA 08816
- **Telephone:** 732-390-8069

Premier Power Renewable Energy, Inc

- **Business type:** Retail sales, wholesale supplier
- **Products:** Solar electric power systems, renewable energy system batteries, DC to AC power inverters, alternative home and building construction materials.
- **Services:** Consulting, design, installation, project development services, education and training services, site survey and assessment services, maintenance and repair services
- **Address:** 1913 Atlantic Avenue, Suite 176, Wall, New Jersey USA 08736
- **Telephone:** 732-223-7780
- **FAX:** 732-223-7782

PTS Data Center Solutions

- **Products:** Air cooling systems, combined heat and power systems industrial, computational fluid dynamics.
- **Services:** Consulting, engineering
- **Address:** 568 Commerce Street, Franklin Lakes, New Jersey USA 07417
- **Telephone:** 1 866-787-3271

Radiant LED Lighting Solutions

- **Business type:** Manufacturer, wholesale supplier, importer
- **Products:** LED lighting, energy efficient lighting, compact fluorescent lighting.
- **Services:** Consulting, design, installation, project development services, research services, maintenance and repair services
- **Address:** 10 Ruckle Avenue, Farmingdale, New Jersey USA 07727
- **Telephone:** 732-695-0144
- **FAX:** 732-695-0145

Rototherm Corporation

- **Business type:** Manufacturer
- **Products:** Heat exchangers.
- **Address:** 1501 Oxmead Road, Burlington, Pennsylvania USA 08016
- **Telephone:** 603-387-0884
- **FAX:** 609-387-1648

Shadowstone Incorporated

- **Business type:** Retail sales, wholesale supplier
- **Products:** Compact fluorescent lighting fixtures and ballasts, fluorescent lighting fixtures and ballasts, fluorescent light bulbs.
- **Address:** 140 Porter Street, Hackensack, New Jersey USA 07601
- **Telephone:** 1-201-883-9400

Shore Green Energy LLC

- **Business type:** Retail sales
- **Products:** Photovoltaic modules, solar thermal energy, wind power plants, water storage tanks, photovoltaic systems.
- **Services:** Consulting, design, installation, project development services, site survey and assessment services
- **Address:** 2601 New Road, Northfield, New Jersey USA 08226
- **Telephone:** 609-241-6296
- **FAX:** 906-653-0884

SolaDesign Systems, LLC

- **Business type:** Retail sales
- **Products:** Controlled daylighting systems, carbon emission reduction, tubular skylights, solar thermal (hot water) systems, energy efficient homes and buildings, energy efficient lighting, natural daylighting.
- **Services:** Consulting, design, installation, engineering, project development services, education and training services, research services, site survey and assessment services, architectural design services, contractor services, maintenance and repair services, testing services
- **Address:** P. O. Box 127, Haddonfield, New Jersey USA 08033
- **Telephone:** 856-795-9559
- **FAX:** 856-795-9559

Solar Water Works

- **Business type:** Wholesale supplier
- **Products:** Solar thermal energy.
- **Address:** 201 Egel Ave. Suite A1, Middlesex, New Jersey USA 08846
- **Telephone:** 908-477-8551

Solardelphia

- **Business type:** Renewable Energy System Contractor
- **Products:** Solar Electric Power Systems (Photovoltaics); Small Wind Turbines.
- **Services:** Consulting, design, installation, construction, project development services, education and training services, site survey and assessment services, architectural design services, contractor services, testing services, renewable energy engineering
- **Address:** New Jersey USA
- **Telephone:** 215-257-1718
- **FAX:** 267-293-0188

SolarSwim Pool Heating Systems LLC

- **Business type:** Retail sales & service
- **Products:** Solar pool heating systems, solar pool heating system components Pool energy audits energy efficient single speed and multi speed pool pumps Domestic hot water thermal solar systems.
- **Services:** Design, installation, consultation, energy audits, contractor services
- **Address:** PO Box 5971, Somerset, New Jersey USA 08875
- **Telephone:** 800-894-7652
- **FAX:** 732-873-1793

Static Power

- **Business type:** Manufacturer, retail sales, wholesale supplier
- **Products:** Backup Power systems, Uninterruptible Power Supplies (UPS), Sealed Lead Acid Batteries, Flooded Batteries, and Emergency Lighting Systems.
- **Services:** Consulting, maintenance and repair services, testing services
- **Address:** 1375 Strykers Road, Phillipsburg, New Jersey USA 08865-9491
- **Telephone:** 908-213-2766
- **FAX:** 908-213-2866

Sundance PV

- **Products:** Photovoltaic systems, solar roofing systems.
- **Address:** Trenton, New Jersey USA 08628
- **Telephone:** 609-516-3914

SunLit Systems

- **Business type:** Manufacturer, retail sales, wholesale supplier
- **Products:** Solar electric power systems.
- **Address:** 948 Inman Avenue, Edison, New Jersey USA 08820
- **Telephone:** 908-754-2272
- **FAX:** 908-754-2844
