

Zomeworks Corporation

Manufacturer of photovoltaic module mounting structures and passive temperature-regulating battery and electronics enclosures.

- **Business type:** Manufacturer
- **Products:** Photovoltaic module mounting systems, solar tracking systems, solar water heating systems, battery containers.
- **Services:** Consulting
- **Address:** 1011A Sawmill Road, Albuquerque, New Mexico USA 87125
- **Telephone:** 505-242-5354
- **FAX:** 505-243-5187
- **Web Site:** <http://www.zomeworks.com>

Mirasol Solar Energy Systems

- **Business type:** Retail sales
- **Products:** Solar thermal energy.
- **Services:** Consulting, design, installation, engineering, project development services, site survey and assessment services, maintenance and repair services
- **Address:** 101 Spring Road NE, Rio Rancho, New Mexico USA 87124
- **Telephone:** 505-892-6406
- **FAX:** 505-892-6406
- **Web Site:** <http://www.mirasolenergysystems.com>

HarvestH2o.com

HarvestH2O.com is dedicated to the advancement of sustainable water management practices for individuals, families, communities, and businesses. We share knowledge and experiences in the following ways: Advancing specific, common-sense recommendations for water conservation Developing a best-practices repository in rainwater harvesting Sharing stories, practical tips, cautions and notes of interest Building on the experiences of community members who have already implemented water conservation solutions Developing tools, templates and guidelines for building rainwater harvesting solutions Educating individuals and organizations to shorten the learning process Creating business justifications supporting water conservation as an econ...

- **Business type:** Nonprofit organization, research institution, publisher
- **Products:** Water storage tanks, water pumps.
- **Services:** Consulting
- **Address:** 537 Garcia St, Santa Fe, New Mexico USA 87505
- **Telephone:** 505-984-8907
- **Web Site:** <http://www.HarvestH2o.com>

Direct Power and Water Corp.

Direct Power and Water Corp. provides turnkey solar/hybrid power system design, manufacturing and installation. Applications include residential, commercial and military.

- **Business type:** Manufacturer, retail sales, wholesale supplier, repair
- **Products:** Photovoltaic module mounting systems, hybrid power systems, solar outdoor lighting, solar water pumping , DC to AC power inverters, custom power systems, Authorized Xantrex Service Center.
- **Services:** Consulting, design, installation, engineering, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 4000-B Vassar Drive NE, Albuquerque, New Mexico USA 87107
- **Telephone:** 505-889-3585
- **FAX:** 505-889-3548
- **Web Site:** <http://www.directpower.com>

[Micander Construction, Inc.](#)

Environmentally Intelligent Home Designs Since 1975 We design and build rammed earth, passive solar homes throughout southern New Mexico. Our emphasis is on design simplicity - 18-24" earthen walls for thermal mass; southern orientations for heating; natural convection and landscaping for cooling. Our homes average 50% less energy use without expensive active systems.

- **Products:** Alternative homes and buildings, earth sheltered homes and buildings, energy efficient homes and buildings.
- **Services:** Consulting, design, construction, contractor services, testing services
- **Address:** 585 South Valley Drive, Las Cruces, New Mexico USA 88005
- **Telephone:** 575-647-0864
- **FAX:** 575-647-1264
- **Web Site:** <http://www.rammed-earth.com>

[WindSunNM](#)

WindSunNM is focused on providing New Mexico homes and businesses with high-quality alternative energy systems and services such as: Wind Power, Photovoltaics, Solar Hot Water Heating, Solar Pool/Spa Heating, Methane Digesters and Comprehensive Energy Audits. Now is an excellent time to invest your money on an alternative energy system that will increase the value of your home minimize your fossil fuel use and carbon footprint, and earn substantial tax credits.

- **Business type:** Retail sales
- **Products:** Wind energy systems (small), solar water heating systems, solar pool heating systems, photovoltaic systems, Energy Audits.
- **Services:** Consulting
- **Address:** 108 Calle Francisca, Santa Fe, New Mexico USA 87507
- **Telephone:** 505-670-1792
- **Web Site:** <http://www.windsunnm.com>

Sunergy, Inc.

Sunergy is a leading provider of solar energy design and integration services in New Mexico. From project assessment and feasibility to installation of a turn-key solar energy system for your business or home, Sunergy is able to provide you with the solution that meets your requirements.

- **Business type:** Retail sales, wholesale supplier
- **Products:** Solar electric power systems, solar water heating systems, photovoltaic systems.
- **Services:** Consulting, design, installation
- **Address:** 6211 San Mateo Blvd NE, Albuquerque, New Mexico USA 87109
- **Telephone:** 505-888-8966
- **FAX:** 505-888-9989
- **Web Site:** <http://www.sunergy-solar.com>

Douglas Ruby, Ph. D.

Douglas Ruby, Ph. D., Consultant to the Photo-voltaics Industry Specializing in PV cell and system design and performance modeling, PV cell and module test procedures, measurement protocols and performance analysis, PV cell and module fabrication process development.

- **Products:** Photovoltaic cells, photovoltaic systems.
- **Services:** Consulting, design, research services
- **Address:** 9637 Messervy Ave NE, Albuquerque, New Mexico USA 87109
- **Telephone:** 505-270-6661
- **Web Site:** <http://www.pvexpert.com>

Green Image Solar

Green Image Solar's directive is to continuously improve the affordability and availability of solar power for businesses and homeowners. Green Image helps our clients create or enhance their environmental image through the installation of solar power generation equipment. Green Image is committed to offering low-risk investments that add green to both the business image and the company bottom line. We also strive to make these same investment opportunities available to residential homeowners.

- **Business type:** LLC
- **Products:** Solar collectors flat plate, photovoltaic systems commercial, photovoltaic systems, photovoltaic systems residential.
- **Services:** Consulting, design, installation, site survey and assessment services, contractor services
- **Address:** 993 Camino del Pueblo, Albuquerque (Bernalillo), New Mexico USA 87004
- **Telephone:** 505-867-3777
- **FAX:** 877-683-6037
- **Web Site:** <http://www.greenimagesolar.com>

Sunlight Homes

Environmentally friendly custom and semi-custom homes; day lighting, passive/active solar, super insulated panelized building system, range of sizes/styles. Since 1975. Available nationally.

- **Business type:** Totally custom, premium, energy efficient homes
- **Products:** Custom, super-insulated, SIP (structural insulated panel) home packages nationwide. Specialize in updated solar design, daylighting and environmentally friendly construction..
- **Services:** Custom and semi-custom home design and component packages
- **Address:** 9911 Glendale Ave NE, Albuquerque, New Mexico USA 87122
- **Telephone:** 505-856-5888 x1
- **FAX:** 505-856-5777
- **Web Site:** <http://www.sunlighthomes.com>

Affordable Solar Group, LLC

- **Business type:** Discount Online Store, retail sales
- **Products:** photovoltaic modules (solar panels), wind turbines, inverters, batteries, solar water pumps, remote home (off-grid) systems, grid-intertie systems, energy efficient and propane appliances..
- **Services:** Retail sales, consulting, design, project development services
- **Address:** P.O. Box 12952, Albuquerque, New Mexico USA 87195
- **Telephone:** 1-800-810-9939
- **FAX:** 505-244-9222

All Star Electric

- **Business type:** Electrical construction and engineering
- **Products:** Photovoltaic systems, wind energy systems (small), wind energy systems (large), remote home power systems, portable power systems, uninterruptible power supplies UPS, Recreational Vehicle Power Systems and Telecommunications Power Systems.
- **Services:** Consulting, design, installation, construction, engineering, project development services, site survey and assessment services, contractor services, maintenance and repair services, testing services
- **Address:** 10,000 Trumbull SE, #F, Albuquerque, New Mexico USA 87123
- **Telephone:** 505-856-1010
- **FAX:** 505-856-1010

BioEnergy Development Group LLC

- **Products:** Wind power plants, investment and financial services, water filtering and purification systems, alternative homes and buildings, biomass energy systems, hybrid power systems.
- **Address:** 3600 Cerrillos Road # 717, Santa Fe, New Mexico USA 87507
- **Telephone:** 505-780-0246 or 0247

Consolidated Solar Tech.

- **Business type:** Retail sales
- **Products:** Photovoltaic systems.
- **Services:** Consulting, design, installation, construction, engineering, project development services, financial services, contractor services
- **Address:** 219 Central Ave NW Suite M1, Albuquerque, New Mexico USA 87102
- **Telephone:** 505-715-4199
- **FAX:** 866-814-0178

D & R Tank Co., Inc.

- **Business type:** Manufacturer
- **Products:** Water storage tanks, waste treatment systems, water filtering and purification system components, water heating systems, water filtering and purification systems, water pumps, Storage tank rehabilitation..
- **Services:** Consulting, design, installation, construction, engineering, project development services, site survey and assessment services, contractor services, maintenance and repair services, testing services
- **Address:** 1210 Prosperity South East, Albuquerque, New Mexico USA 87105
- **Telephone:** 505-873-1101
- **FAX:** 505-877-6548

Energia Total, Ltd.

- **Business type:** Solar and Wind Electric Systems
- **Products:** Off-grid or back-up pre-assembled solar electric systems-"The FireFly," ranging from 150-900 Watts, Wind and solar water pumping systems, grid-tied PV systems.
- **Services:** System consulting and design, installation, maintenance and repair
- **Address:** P.O. Box 2594, Corrales, New Mexico USA 87048
- **Telephone:** 505-890-1534
- **FAX:** 505-823-1759

Energy Concepts

- **Business type:** Retail sales
- **Products:** Grid-tie & off-grid solar electric power systems, solar water pumping systems, wind energy systems..
- **Services:** Consulting, design, installation, contractor services, maintenance and repair services
- **Address:** HC 68 Box 11AA, Sapello, New Mexico USA 87745
- **Telephone:** 505-454-0614
- **FAX:** 505-213-0985

Enhancement Electronics, Inc.

- **Business type:** Manufacturer
- **Products:** Solar tracking systems, solar charge controllers.
- **Address:** 10 Camino Del Senador, Tijeras, New Mexico USA 87059-7631
- **Telephone:** 505-281-0399
- **FAX:** 505-281-4248

G-eophysical P-hased E-nergy (GPE) Technologies Corporation

- **Business type:** New Technology Manufacturer's agent, wholesale supplier, exporter, importer
- **Products:** GPE Technologies Corporation is a New Mexico based, transnational, "neo energy" development firm, with a global focus on efficient green energy use resolution. Incorporating leading-edge eco-energy technologies to provide or enhance dynamic cost-effective alternatives to metropolitan or rural energy requirements. Our goal is to provide the triad of, Wind, Solar, Water resolution with complete systems, that provide exceptional capital investment reduction, and diminish on-site operating cost. "
- **Services:** Wind, Solar Energy and Water Technology Solutions
- **Address:** 1331 Park Ave. SW Suite 208, Albuquerque, New Mexico USA 87102-2881
- **Telephone:** 1 505-304-5829

MAGsoft Design Engineering

- **Products:** Computer software, wind power plants, home automation, air heating systems, computer and electronic components, air cooling systems, Micro Computer Platform Controllers and Operating Systems.
- **Address:** 4020 Vassar Dr. NE Suite H, Albuquerque, New Mexico USA 87107
- **Telephone:** 505-350-5636

Mountain & Mesa Construction

- **Products:** Water storage tanks, alternative homes and buildings, water filtering and purification system components, water filtering and purification systems.
- **Address:** 38595 US Hwy 285, Tres Piedras, New Mexico USA 87577
- **Telephone:** 800-758-0335
- **FAX:** 505-737-9668

Paradise Power Company

- **Business type:** Solar Electric Contracting & Sales
- **Products:** Solar electric systems, stand alone, grid tie, backup power systems, energy efficient appliances, renewable energy system batteries, recreational vehicle power systems, water pumps, electrical, wind generation, generator systems, remote site power.
- **Services:** Consulting, design, installation, contractor services, maintenance and repair services
- **Address:** 7484 NDCBU / 1036 Reed Street, Taos, New Mexico USA 87571
- **Telephone:** 575-737-5896
- **FAX:** 575-758-3024

Positive Energy

- **Business type:** NABCEP Certified Solar PV Installer
- **Products:** Solar PV electric systems, utility-intertied and stand-alone. Residential and commercial. .
- **Services:** Design, Installation, Service, Upgrades
- **Address:** 3201 Calle Marie, Santa Fe, New Mexico USA 87507
- **Telephone:** 505-424-1112
- **FAX:** 505-424-1113

Renewable Engineering

- **Business type:** Engineering/design
- **Products:** Photovoltaic systems, wind energy systems (small), hydro energy systems (small), solar water heating systems, remote home power systems, solar air heating systems.
- **Services:** Consulting, design, engineering, maintenance and repair services
- **Address:** PO Box 366, Flora Vista, Washington USA 87415
- **Telephone:** 505-334-9719

Solar Automation, Inc.

- **Business type:** Manufacturer
- **Products:** Photovoltaic module manufacturing equipment, PV cell circuiting system equipment.
- **Address:** 2520 Jefferson St. NE Suite E, Albuquerque, New Mexico USA 87110
- **Telephone:** 1 505-830-3100
- **FAX:** 1 505-830-3101

Solar de Taos

- **Business type:** Retail Solar Energy Sales
- **Products:** Solar electric power systems, wind energy systems (small & medium), photovoltaic systems, backup power systems, hydro-electric, energy efficient appliances, solar panels, inverters, charge controllers, trackers, pv mounts, batteries, battery chargers, generators, Grid-Tie Systems, solar system packages..
- **Services:** Consulting, design, project development services, education and training services
- **Address:** P.O. Box 159, Carson, Taos County, New Mexico USA 87517
- **Telephone:** 505-751-0620
- **FAX:** 801-640-5819

Solar Power and Light Services (Solar PALS)

- **Business type:** Manufacturer
- **Products:** Battery cables, inverter cables.
- **Address:** 25 Deer Leap Rd. , Rodeo, New Mexico USA 88056
- **Telephone:** 575 557 2318

Solar Ray, Inc.

- **Business type:** Manufacturer, retail sales, wholesale supplier, electrical contractor
- **Products:** Packaged power systems, solar electric power systems, remote home power systems, electric bicycle components, flooded lead acid batteries, photovoltaic module mounting systems.
- **Services:** Commercial Licensed Electricians, 2 NABCEP certified Solar Installers
- **Address:** PO Box 2228, Taos, New Mexico USA 87571
- **Telephone:** 575-737-9553

Solar, Wind & Efficient Energy Consultants

- **Products:** Energy efficient homes and buildings, energy efficient homes and buildings.
- **Address:** 241-A La Entrada, Los Lunas, New Mexico USA 87031
- **Telephone:** 1 505-865-1986

Solmomma, Inc.

- **Business type:** Retail sales, exporter
- **Products:** Solar electric power systems, photovoltaic systems, photovoltaic modules, energy efficient appliances, solar water pumping systems, wind energy systems (small), Photovoltaic Modules, Remote Home Power Systems, Backup Power Systems, Energy Efficient Appliances, Solar Water Heating Systems, Photovoltaic Systems, Composting Toilets and Systems, Air and Water Purification Systems, Solar Distillation Systems, Tankless Water Heaters, Refrigerators and Freezers, Solar Cookers, Batteries-all Types, Inverters, Charge Controllers, Photovoltaic System Monitors, Wood Burning Stoves and Furnaces, Stoves, Wood Cookstoves, Multi-fuel Heaters, Packaged Power Systems, Solar Air Heating Systems, Solar Water Heating Systems, Water Pumps, Water Storage Tanks, Solar Electric Power Systems, Solar Electric Charge Controllers, Solar Water Pumping Systems, Wind Energy Systems, wind Energy Components, Wind Energy Towers and Structures, Wind Energy Turbines, Propane Powered Appliances, Solar Roofing Systems, Solar Pool Heating Systems, Solar Outdoor Lighting, Solar Garden Lights, Recreational Vehicle Power Systems, Portable Power Systems, Photo-voltaic Module Mounting Systems, Meters and Measuring Equipment, Marine Power Systems, Hybrid Power Systems, DC to AC power Inverters, DC to DC Power Converters, Computer and Electronics, and More..
- **Address:** PO Box 1980, Moriarty, New Mexico USA 87035
- **Telephone:** 505-832-2722
- **FAX:** 505-832-5357

Sunshine Solar and Alternative Energy Products Company

- **Business type:** Retail sales, exporter
- **Products:** Photovoltaic module components, battery components, battery components, fuel cell systems, solar tracking systems, solar water pumping system components.
- **Services:** Consulting, design, installation, project development services
- **Address:** 1368 Brushy Mountain Road, Mule Creek, New Mexico USA 88051
- **Telephone:** 505-535-4031 or 800-729-5111
- **FAX:** 505-535-4422

The Solar Biz

- **Business type:** Wholesale and Retail Renewable Energy Product sales
- **Products:** Energy efficient appliances, renewable energy system batteries, computer and electronic components, solar power systems, solar water pumping systems, water heating systems, Sustainable Building Products, Wind turbines, Building Products. RV and Marine house electrical, starting and charging products. Golf car motor both new, and rebuilding service..
- **Services:** New System Design - Fault Diagnosis and Repair
- **Address:** HC 61 Box 184, Glenwood, New Mexico USA 88039
- **Telephone:** 888-826-0939
- **FAX:** 520-884-8842

Village Makers Inc

- **Business type:** Environmentally friendly community development
- **Products:** Alternative homes and buildings
- **Address:** 1109 Nashville SW, Albuquerque, New Mexico USA 87105
- **Telephone:** 505-873-8346
- **FAX:** 505-877-2014
