

GE Energy

GE is one of the world's leading wind turbine suppliers. With over 8,400 worldwide wind turbine installations comprising more than 11,300 MW of capacity, our knowledge and expertise spans more than two decades. With wind manufacturing and assembly facilities in Germany, Spain, China, Canada and the United States, our current product portfolio includes wind turbines with rated capacities ranging from 1.5 to 3.6 megawatts and support services ranging from development assistance to operation and maintenance.

- **Stock Symbol:** NYSE : [GE](#)
- **Business type:** Manufacturer, service
- **Product types:** Large wind turbines (1.500 - 3.600 kW), utility scale wind turbine generators.
- **Service types:** System design, project development
- **Address:** 1 River Road, Schenectady, New York USA 12345
- **Telephone:** 518-385-7343
- **FAX:** 518-385-3536
- **Web Site:** <http://www.gewindenergy.com>

Enviro-Tech

With over 20 years of installation experience in the geothermal field (HVAC). Enviro-Tech is the #1 choice with a team available to take your system from conception to completion. Enviro-Tech offers the following services: Commercial and large residential installations Conductivity testing Loop design Interior distribution systems (ducting and radiant) Multiple rigs ready to mobilize IGSHPA certified Drillers and installers

- **Product types:** Air cooling systems, air heating systems, heat pumps, Geothermal heating and cooling design and installation.
- **Service types:** Design, installation, contractor services
- **Address:** 1800 Route 9G, Staatsburg, New York USA 12580
- **Telephone:** 845-224-4704
- **FAX:** 845-229-6855
- **Web Site:** <http://www.envirotechgeothermal.com>

Kayex

Kayex is the world's leading manufacturer of CZ crystal growing systems for production of monocrystalline photovoltaic wafers. Our systems are fully automated and tailored for high volume production of silicon and germanium ingots.

- **Business type:** Manufacturer
- **Product types:** Photovoltaic cell manufacturing equipment, CZ Crystal Growing Furnaces.
- **Address:** 1000 Millstead Way, Rochester, New York USA 14624
- **Telephone:** 585-235-2524
- **FAX:** 585-436-2396
- **Web Site:** <http://www.kayex.com>

Ecofour

Ecofour is a full service energy service provider. We offer commercial and residential full cycle solutions. We provide energy efficiency solutions and solar site analysis and project management services. In addition we assist in energy procurement for any remaining energy needs.

- **Product types:** Photovoltaic systems, photovoltaic systems commercial.
- **Service types:** Consulting, project development services, site survey and assessment services
- **Address:** 1375 Broadway, Suite 1100, New York, New York USA 10018
- **Telephone:** 347-468-7177
- **Web Site:** <http://www.ecofour.com>

Heat of the Earth

Comprehensive home energy audits and installations of geothermal heating and cooling systems.

- **Product types:** Geothermal energy systems.
- **Service types:** Design, installation, site survey and assessment services
- **Address:** 2439 Route 32, New Windsor, New York USA 12553
- **Telephone:** 845-519-5537
- **Web Site:** <http://www.heatoftheearth.com>

Solar Wind NES

Supplement your utility bills. Eliminate electricity bills altogether. Have your utility company send you a check. Be totally energy self-sufficient. Create a back up or emergency power system. Reduce your carbon footprint. Receive tax rebates, credits and allowances. Receive renewable energy grants. Solar Wind NES, Inc. is committed to providing today's most comprehensive, yet affordable, renewable energy efficiency programs, systems & technologies. Through strategic partnerships and a vast supplier network, Global NES affiliates have the knowledge and the ability to create specific solutions unique to each customer's needs.

- **Product types:** LED lighting, solar thermal energy, geothermal energy systems, photovoltaic systems, wind energy systems (small), wind energy systems (large).
- **Service types:** Consulting, site survey and assessment services
- **Address:** 606 Baldwin Avenue, Baldwin, New York USA 11510
- **Telephone:** 516-503-2372
- **FAX:** 516-208-3197
- **Web Site:** <http://www.solarwindnes.com>

Savant Solar LLC

Solar PV Systems, Solar Thermal Heating, Solar Space Heating/ Cooling, Solar Pool Heating, Heat Pumps, Geothermal Heating, Free Green Consultations

- **Business type:** Retail sales, wholesale supplier, exporter
- **Product types:** Solar lighting systems, geothermal energy systems, photovoltaic systems, energy efficient homes and buildings, solar air heating systems, solar water heating systems.
- **Service types:** Consulting, design, installation, construction, engineering, project development services, research services, site survey and assessment services, financial services, architectural design services, contractor services, maintenance and repair services
- **Address:** 144 Crescent Dr, Albertson, New York USA 11507
- **Telephone:** 516-974-7600
- **Web Site:** <http://www.savantsolar.com>

21 Century Solutions Exchange

We are interested in providing a free forum to advertise and market your products to the world. Follow direction to our site and place your products.

- **Business type:** Wholesale supplier, exporter, importer, publisher
- **Product types:** Biomass energy systems, solar electric power systems, wind energy system components (small), geothermal energy systems, ocean energy system components, waste to energy systems, Biodiesel and technology.
- **Service types:** Consulting, design, project development services, maintenance and repair services
- **Address:** 219-34 Murdock Ave. , Queens Village, New York USA 11429
- **Telephone:** 718-468-7191
- **Web Site:** <http://www.21cse.com>

Church's Import-export, Inc.

Church's Import-export, Inc. is an international trade consulting firm whose main purpose is to support and serve manufacturers within the renewable energy industry. Along with suppliers and business partners, our ambition is to bring added value to customers through providing them with high-quality products that are in accordance with government regulations on global climate change. Our Company has ongoing business relationships with renewable energy producers in Latin America and North America and acts mainly as an exporter/importer.

- **Business type:** Exporter, importer
- **Product types:** Biomass energy biofuel ethanol, biomass energy biofuel biodiesel, biomass energy biorefinery, solar roofing systems, wind energy systems (small), water pumps.
- **Service types:** Consulting
- **Address:** 490 Prospect Ave. 2nd Floor, Buffalo, New York 14201
- **Telephone:** 716-886-6389
- **FAX:** 716-886-6389
- **Web Site:** <http://www.churchsinternational.com>

[Abelow & Cassandro LLP](#)

Robert Cassandro, Esq is an energy and real estate attorney with almost 20 yrs experience in solar and renewable energy, distributed generation and real estate issues associated with energy projects. Helping you navigate the complicated energy issues related to making your next construction project green.

- **Product types:** Solar electric power systems, photovoltaic systems, cogeneration systems, wind energy systems (large), wind energy systems (small).
- **Address:** 410 Jericho Turnpike, Suite 303, Jericho, New York USA 11753
- **Telephone:** 516-932-0068
- **FAX:** 516-932-0072
- **Web Site:** <http://www.abelowcassandro.com>

[Alternative Power Solutions](#)

Alternative Power Solutions is your one step to a renewable energy system. >From initial site evaluation to systems design, installation and service. Serving all of central New York and surrounding areas.

- **Product types:** Wind turbines (small), photovoltaic systems, backup power systems, solar water heating systems, solar air heating systems, hydro energy systems (small).
- **Service types:** Design, installation, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 9483 Shady Pond drive, Brewerton, New York USA 13029
- **Telephone:** 315-402-0320
- **Web Site:** <http://www.alternative-power-solutions.com>

[Ameritechtoys, Corp.](#)

We are the store where America gets its electronics all kind of HDTV, LCD, iPod home theater digital cameras mp3 phone GPS and more trusted by millions for the last 20 years.

- **Business type:** Retail sales, wholesale supplier
- **Product types:** Computer software, appliances.
- **Address:** 2302 Ave T, Brooklyn, New York USA 11229
- **Telephone:** 866-988-3247
- **FAX:** 718-648-2036

eGEN Solar Inc.

eGEN Solar, Inc. is a renewable energy company dedicated to developing and financing solar and other renewable energy projects worldwide. Our team has decades of experience in corporate finance and the energy industry. We can take a renewable energy project from concept to completion. We specialize in developing and financing projects for Commercial and Industrial Customers, Real Estate Developers and Building Owners, Non-Profit Organizations, Schools and Government, Multi-Family Properties and Home Owner Associations, and Utility Scale Projects.

- **Product types:** Cogeneration systems, energy efficient homes and buildings, photovoltaic systems, solar electric power systems, wind energy systems (large).
- **Service types:** Consulting, construction, project development services, site survey and assessment services, financial services
- **Address:** 420 Jericho Turnpike, Suite 303, Jericho, New York USA 11753
- **Telephone:** 516-653-0100
- **FAX:** 516-932-0072
- **Web Site:** <http://www.egensolar.com>

Energy Saving Solutions of the Hudson Valley, Inc

Energy saving and environmentally safe products

- **Business type:** Retail sales
- **Product types:** Alternative home and building construction materials, LED lighting, Non-toxic concrete waterproofing.
- **Address:** 85 Grand Street Suite 992, Kingston, New York USA 12401
- **Telephone:** 845-331-3025
- **FAX:** 845-331-3026
- **Web Site:** <http://www.energysavingsolutions.us>

Hudson Valley Clean Energy

- **Product types:** Renewable energy systems.
- **Service types:** Geothermal & Solar Systems
- **Address:** 13 Hook Road, Rhinebeck, New York USA 12572
- **Telephone:** 845-876-3767
- **FAX:** 845-876-3912

Phoenix Geothermal Services

With 20+ years of experience with water source heat pumps, Phoenix Geothermal Services should be your first stop regarding any and all aspects of geothermal heat pump systems.

- **Business type:** Retail sales, wholesale supplier
- **Product types:** Geothermal energy systems, geothermal energy system components, air cooling systems, air heating systems.
- **Service types:** Consulting, design, engineering, education and training services
- **Address:** 7523 County House Rd, Auburn, New York USA 13021
- **Telephone:** 315-253-3720
- **FAX:** 978-285-5876
- **Web Site:** <http://www.phoenixenergysupply.com>

Solar Energy Management Inc.

We address all heating systems with a high efficient goal treating each house, facility and building individually. Fuel economy, preventing heat loss, utilizing low operating temps, solar thermal, updating boilers and setback thermostats are all considered.

- **Business type:** Solar thermal and high efficiency heating systems
- **Product types:** We specialize in designing and installing solar hot water systems low temperature solar hydronic and radiant heating systems. Evacuated tube collectors. .
- **Service types:** Counsel, design, install, operate, maintain high efficient heating systems
- **Address:** 75 Rustic Hills Rd. , Westbrookville, New York USA 12785
- **Telephone:** 845-549-5370
- **Web Site:** www.solarenergymanagement.net

Verdae, LLC

- **Business type:** Consulting
- **Product types:** Geothermal energy systems, solar water heating systems, energy efficient homes and buildings, hydronic radiant heating systems, radiant heating systems, solar thermal energy.
- **Service types:** Consulting
- **Address:** 90 Primrose Hill Road, Rhinebeck, New York USA 12572
- **Telephone:** 845-597-7369
- **Web Site:** verdaellc.com

Acolyte Systems Inc.

- **Business type:** Manufacturer, retail sales, wholesale supplier, importer
- **Product types:** LED lighting, lithium ion batteries.
- **Address:** 251 West 30th Street, New York, New York USA 10001
- **Telephone:** 212-629-3239

ADVANCED SOLAR

- **Business type:** Retail sales
- **Product types:** Solar electric power systems, photovoltaic systems, uninterruptible power supplies UPS, DC to AC power inverters, meters and measuring equipment, recreational vehicle power systems.
- **Address:** 22 Fairway Dr, Port Jefferson Station, New York USA 11776
- **Telephone:** 631-642-7435

AET Solar

- **Business type:** Northeast Consultant
- **Product types:** Flat plate collectors, Drain-back and anti-freeze systems, PV pumped systems, PV panels, swimming pool systems..
- **Address:** 50 Patton Rd., Newburgh, New York USA 12550
- **Telephone:** 845-728-3881
- **FAX:** 845-566-0598

Alternative Energy Solutions, LLC

- **Business type:** Nationally Licensed Full Service Women Owned Electrical Contractor
- **Product types:** Photovoltaic systems, Wind energy systems , Backup Power systems, UPS Systems. Generators, Micro-turbines, Fuel Cells, Cogeneration systems, Hydro energy systems, Demand Side Power Reduction..
- **Address:** 163 North Main Street, Suite # 202, Port Chester, New York USA 10573
- **Telephone:** 914-937-0608
- **FAX:** 914-937-0608

Altpower, Inc.

- **Business type:** Retail sales, service, contractor, construction
- **Product types:** Photovoltaic systems, portable power systems, wind energy systems.
- **Address:** 125 Maiden Lane Suite 307, New York, New York USA 10038-4980
- **Telephone:** 212-206-0022
- **FAX:** 212-206-0893

APEX Thermal Services

- **Business type:** Retail sales
- **Product types:** Solar collectors flat plate, solar collectors evacuated tube, solar air heating systems, solar pool heating systems, solar thermal energy, solar water heating systems, pool heating, radiant heating, solar attic fans.
- **Service types:** Consulting, design, installation, engineering, project development services, education and training services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 27 Blossom Grove Court, Highland, New York USA 12528
- **Telephone:** 845-883-6066
- **FAX:** 845-883-6565

Applied Thermodynamics

- **Business type:** Engineering and Consulting
- **Product types:** Renewable energy, fuel powered electric generators, air cooling systems, air heating system components, biomass energy systems, cogeneration systems, Stirling Cycle Engines, Photo-voltaics, Wind Power, Passive Cooling, Chillers..
- **Service types:** Design and Engineering
- **Address:** 891 South Lake Road, Middlesex, New York USA 14507
- **Telephone:** 585-554-4192

AWS Truwind, LLC

- **Business type:** Service
- **Service types:** Wind forecasting, wind mapping, feasibility studies
- **Address:** 255 Fuller Road, Suite 274, Albany, New York USA 12203-3656
- **Telephone:** 518-437-8660
- **FAX:** 518-437-8659

Best Appliance Buys

- **Business type:** Retail sales
- **Product types:** Energy efficient appliances, refrigerators and freezers, propane powered appliances, washers and dryers.
- **Address:** 94 Smith Avenue, Mount Kisco, New York USA 10549
- **Telephone:** 914-666-3232 ext. 17

Bishop Enterprises

- **Business type:** Retail sales
- **Product types:** Photovoltaic modules, wind energy systems (small), hydroelectric turbines (small), DC to AC power inverters, photovoltaic systems, solar charge controllers.
- **Service types:** Consulting, installation
- **Address:** 131 Hickok Ave, Syracuse, New York USA 13206
- **Telephone:** 315-463-9017
- **FAX:** 315-463-9037

Caster Well Drilling

- **Business type:** Distributor, service
- **Product types:** Geothermal products.
- **Service types:** System installation, consulting
- **Address:** 5363 Stow Rd., Ashville, New York USA 14710
- **Telephone:** 716-789-2230
- **FAX:** 716-789-2234

Clean Room Installations

- **Product types:** Air filtering and purification systems, waste treatment systems, water filtering and purification systems, photovoltaic module manufacturing equipment, energy efficient homes and buildings, heat exchangers, environmental monitoring systems, BAS design and installation, cleanroom testing and certification, cleanroom remodels and upgrades, design troubleshooting and repair.
- **Service types:** Consulting, design, installation, construction, engineering, project development services, education and training services, site survey and assessment services, architectural design services, contractor services, maintenance and repair services, testing services
- **Address:** New York Office 15 Hamilton Road, Hopewell Junction, New York 12533
- **Telephone:** 845-235-2370
- **FAX:** 845-227-4123

Coast Intelligen, Inc.

- **Business type:** Manufacturer
- **Product types:** Cogeneration systems.
- **Address:** 55 Ediston Ave, West Babylon, New York USA 11704
- **Telephone:** 212-750-0371
- **FAX:** 212-202-5415

Convergence Tech., Inc.

- **Business type:** Manufacturer, service
- **Product types:** Electric bicycles, electric vehicles, human power to electricity conversion.
- **Service types:** Consulting
- **Address:** 19 Tioga Lane, Pleasantville, New York USA 10570
- **Telephone:** 914-773-6749

Conway & Silver, Energy Associates LLC DBA LED Consulting

- **Business type:** LLC, WBE
- **Product types:** Please note: We do not sell any products. We offer policy and market research consulting services and analyses for LED lighting and other types of energy efficient lighting. .
- **Service types:** Consulting: lighting market research, strategic analysis, business to business referrals, energy program design, lighting design
- **Address:** P.O. Box 510, Nassau, New York USA 12123-0510
- **Telephone:** 518-331-7236
- **FAX:** 509-694-5243

Creative Energy Technologies Inc

- **Business type:** Retail sales
- **Product types:** Energy efficient appliances, backup power systems, DC to AC power inverters, energy efficient lighting, photovoltaic systems, tankless water heating systems, water generation, water treatment.
- **Address:** 2872 State Rt 10, Summit, New York USA 12175
- **Telephone:** 518-287-1428
- **FAX:** 518-287-1459

Creative Global Network Services

- **Business type:** Retail sales
- **Product types:** Uninterruptible power supplies UPS, sealed lead acid batteries, emergency backup batteries, flooded lead acid batteries, telecommunication batteries, Telecommunications installation and service.
- **Address:** 200 Parkway Drive South, Hauppauge, New York USA 11788
- **Telephone:** 866-673-0100

David Austin

- **Business type:** NABCEP Certified Solar PV Installer
- **Product types:** Solar PV electric systems.
- **Address:** South New Berlin, New York USA
- **Telephone:** 607-847-6366

DAYSTAR ENERGY SYSTEMS, INC.

- **Business type:** Sales and Installation
- **Product types:** Photovoltaic systems, photovoltaic modules, solar roofing systems, solar electric power systems, sun concentrating photovoltaic systems, wind turbines (small).
- **Service types:** Installation and maintenance
- **Address:** Five Cliffordale Park, Rochester , New York USA 14609
- **Telephone:** 585-224-9105

Direct Global Power Inc.

- **Business type:** Manufacturer, distributor, service
- **Product types:** PV modules.
- **Service types:** PV project development and consulting
- **Address:** 1462 Erie Blvd., Schenectady, New York USA 12305
- **Telephone:** 518-346-2478 or 845-687-2406
- **FAX:** 845-687-2408

Eagle Mountain Inc.

- **Business type:** Manufacturer, retail sales, wholesale supplier, exporter, importer
- **Product types:** Heat pumps, alternative home and building construction materials, energy efficient homes and buildings, hydronic radiant heating systems, Complete Design Consulting System.
- **Address:** 4353 Bristol Valley Rd, Canandaigua, New York USA 14424
- **Telephone:** 800-572-7831
- **FAX:** 585-229-4585

Earth Sensitive Solutions, LLC

- **Business type:** Consulting & Design Build
- **Product types:** Geothermal energy systems, geothermal energy system components, alternative energy solutions, Solar Energy System Design.
- **Service types:** Alternative Energy Design
- **Address:** PO Box 3, Skaneateles, New York USA 13152
- **Telephone:** 315-253-3779
- **FAX:** 978-285-5876

EarthKind Energy, Inc.

- **Product types:** Solar thermal energy.
- **Service types:** Consulting, project development services
- **Address:** 110 Long Pond Road, Rhinebeck, New York USA 12572
- **Telephone:** 845-266-3723
- **FAX:** 800-495-8048

EBM Consulting Services

- **Business type:** Energy Conservation, Renewables, Green Building Consulting
- **Product types:** Energy conservation, web based energy management systems, web based PV monitoring, energy studies, solar electric power systems, solar thermal, hydro energy systems (micro), wind energy systems, solar water heating systems, green building consultation..
- **Service types:** Consulting, design, installation, construction, engineering, project development services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** PO Box 911, 3281 Franklin Avenue, Millbrook, New York USA 12545

- **Product types:** Solar pool heating systems.
- **Address:** 304 MULBERRY ST. , NEW YORK, New York USA 10012
- **Telephone:** 646-246-6522 , 631-398-0003

Heliocol Solar Pool Heating

- **Business type:** Manufacturer, retail sales, wholesale supplier
- **Product types:** Solar pool heating systems.
- **Address:** New York, New York USA
- **Telephone:** 917-279-8578

HOTBOX SOLAR

- **Business type:** Manufacturer
- **Product types:** Solar air heating systems.
- **Address:** P.O. Box 2220, Elmira Heights, New York USA 14903
- **Telephone:** 607-731-2741

Hughesco Inc

- **Business type:** Retail sales, wholesale supplier
- **Product types:** Solar electric power systems, air heating systems, geothermal energy systems, wind turbines (large), photovoltaic systems, wind turbines (small), Solar/ Wind/ Geothermal.
- **Service types:** Consulting, design, construction, project development services, site survey and assessment services, contractor services
- **Address:** 140 Irwin Place, Buffalo, New York USA 14228
- **Telephone:** 716-691-HOME

Ikan Consulting, LLC

- **Business type:** LEED Consulting and Sustainable Building Design
- **Product types:** LEED Consulting, LEED Certified Buildings, Green Building Engineering and Design, Consulting for LEED Certified Buildings, Master Planning for Large Scale Sustainable Building(s), Cities, and Towers, Integrated Design Approach, Collaboration with Architecture Firms and Large Architecture and Engineering Firms, Design of 100% Grid Free Power Systems for Sustainable Buildings and Sustainable Homes, Sustainable Design for Homes over \$1 Million USD. .
- **Service types:** LEED Consulting, Sustainable Design, MEP Services, Master Planning, Advanced Energy Systems for Iconic Architecture
- **Address:** 235 Burt Rd. , Cuba, New York USA 14727
- **Telephone:** 585-899-9606 or 716-968-9081
- **FAX:** 585-968-9081

Innovative Control Systems, INC.

- **Product types:** Gas turbine electric generators, hydroelectric turbines (large), steam turbine electric generators.
- **Service types:** Installation, engineering
- **Address:** 26 Corporate Drive, Clifton Park, New York USA 12065
- **Telephone:** 518-383-8078
- **FAX:** 518-383-5966

ISI Solar

- **Business type:** Installer
- **Product types:** Solar PV and Solar Thermal energy systems.
- **Service types:** Design and Installation of Solar Electric Systems
- **Address:** 22 Third Street, New City, New York USA 10956
- **Telephone:** 845-708-0800
- **FAX:** 845-708-0802

Jonathon Lane

- **Business type:** NABCEP Certified Solar PV Installer
- **Product types:** Solar PV electric systems.
- **Address:** Plainview, New York USA
- **Telephone:** 516-935-3273

Kevin Rose

- **Business type:** NABCEP Certified Solar PV Installer
- **Product types:** Solar PV electric systems.
- **Address:** Latham, New York USA
- **Telephone:** 518-783-8475

Kiss + Cathcart, Architects

- **Business type:** Service, consulting, design, engineering, architectural services
- **Product types:** Alternative energy systems.
- **Service types:** Green architecture, residential and commercial, alternative energy systems, homes and building design, solar homes, photovoltaic systems
- **Address:** Tower C, 44 Court Street, Brooklyn, New York USA 11201
- **Telephone:** 718-237-2786
- **FAX:** 718-237-2025

Lacey Manufacturing Inc

- **Business type:** Manufacturer, research institution
- **Product types:** Fuel cell systems, gas turbine electric generators, fuel powered electric generators, hybrid electric vehicles.
- **Service types:** Project development services
- **Address:** PO Box 2024, Albany, New York USA 12220
- **Telephone:** 877-276-0640
- **FAX:** 877-276-0640

LED Specialists

- **Product types:** LED lighting.
- **Address:** 7A Main Street, Kings Park, New York USA 11949
- **Telephone:** 1-888-680-1200

Lloyd Hoffstatter

- **Business type:** NABCEP Certified Solar PV Installer
- **Product types:** Solar PV electric systems.
- **Address:** Olivebridge , New York USA
- **Telephone:** 845-657-8132

Luce Creative, Inc.

- **Business type:** Marketing
- **Product types:** Advertising Design, Media Relations, Product Branding & Corporate Identity, Niche Building, Collateral Material & Brochure Design, Positioning, Conferences & Seminars, PR Counseling, Corporate Communications, Strategic Communications Planning, Surveys, Graphic Design, Trade Shows, Marketing Communications, Web Site Content Management.
- **Service types:** Integrated Marketing Consulting
- **Address:** P. O. Box 44, Port Jefferson, New York USA 11777
- **Telephone:** 631-366-2705

Marsland Renewable Energy

- **Business type:** Retail sales
- **Product types:** Photovoltaic systems, LED lighting, DC to AC power inverters, solar electric power systems, computer software, photovoltaic modules.
- **Address:** 62 Birdsall Street, Greene, New York USA 13778
- **Telephone:** 607-656-7584
- **FAX:** 607-656-5368

Mattergy Solar

- **Product types:** Photovoltaic systems, building integrated photovoltaic systems, solar thermal energy.
- **Service types:** Consulting, design, installation, engineering, project development services, site survey and assessment services, architectural design services
- **Address:** 766 Main St, New Rochelle, New York USA 10805
- **Telephone:** 914-633-1192
- **FAX:** 914-633-8272

MDS Technical Service

- **Product types:** Photovoltaic systems, energy efficient homes and buildings, wind energy system components (small), backup power systems, packaged power systems, photovoltaic systems.
- **Service types:** Consulting, design, installation
- **Address:** 3530 Rt. 34B, Scipio Center, New York USA 13147
- **Telephone:** 315-364-5270
- **FAX:** 315-364-5475

Milena Lighting Design

- **Business type:** Lighting - consultants
- **Product types:** Lighting for the biological clock, Lighting for Productivity, Lighting for Sound Sleep, Lighting for Alertness.
- **Service types:** Lighting Research and Application
- **Address:** 1223 Peoples Avenue, Troy, New York USA 12180
- **Telephone:** 518-276-3303
- **FAX:** 518-276-6380

National Energy Services, Inc.

- **Business type:** Service
- **Product types:** Energy efficient lighting.
- **Service types:** Consulting, system installation
- **Address:** 2374 Motor Parkway, Ronkonkoma, New York USA 11779
- **Telephone:** 631-588-6698
- **FAX:** 631-588-8669

National Solar Supply

- **Business type:** Retail sales
- **Product types:** Remote home power systems, packaged power systems, photovoltaic systems, photovoltaic modules, DC to AC power inverters, backup power systems.
- **Address:** 8902 Route 46, Arkport, New York USA 14807
- **Telephone:** 607-324-9747

New York Solar Authority

- **Product types:** Solar electric power systems, remote home power systems, uninterruptible power supplies UPS, sun concentrating photovoltaic systems, photovoltaic modules, solar tracking systems.
- **Address:** 65-59 Parsons Blvd., Flushing, New York USA 11365
- **Telephone:** 888-479-9163

New York Wind & Sun, LLC

- **Product types:** Photovoltaic systems, solar pool heating systems, wind turbines (small), backup power systems, solar collectors evacuated tube, solar water heating systems.
- **Service types:** Contractor services
- **Address:** 127 Hunter Drive, Baldwinsville, New York USA 13027
- **Telephone:** 315-433-6058
- **FAX:** 315-635-1803

Northeast Solair

- **Business type:** Retail sales
- **Product types:** Solar air heating systems, solar water heating components collectors flat plate, solar pool heating systems.
- **Service types:** Consulting, design, installation, project development services, site survey and assessment services, contractor services
- **Address:** PO Box 117, Freehold, New York USA 12431
- **Telephone:** 518-634-7599

Peak Energy Systems, Inc.

- **Product types:** Uninterruptible power supplies UPS, telecommunications power systems, backup power systems, emergency backup batteries, telecommunication batteries, DC to AC power inverters, DC to DC power converters.
- **Address:** 309 Ralph Avenue, Copiague, New York USA 11726
- **Telephone:** 631-789-1100

Pfannenbergl Incorporated

- **Business type:** Manufacturer
- **Product types:** Air cooling system components, air cooling systems, air filtering and purification system components, wind energy system components (small), LED lighting, heat exchangers, Visual and acoustic alarm and signals, cooling units for enclosures, heat exchangers, .
- **Service types:** Research services
- **Address:** 68 Ward Road, Lancaster, New York USA 14086
- **Telephone:** 716-685-6866
- **FAX:** 716-681-1521

Pfannenbergl Incorporated

- **Business type:** Manufacturer
- **Product types:** Air cooling system components, air cooling systems, air filtering and purification system components, wind energy system components (small), LED lighting, heat exchangers, Visual and acoustic alarm and signals, cooling units for enclosures, heat exchangers, .
- **Service types:** Research services
- **Address:** 68 Ward Road, Lancaster, New York USA 14086
- **Telephone:** 716-685-6866
- **FAX:** 716-681-1521

Power2020

- **Business type:** Retail sales
- **Product types:** Solar electric power systems, wind energy systems (large), wind energy system components (small), wind power plants, wind power plants, photovoltaic systems.
- **Service types:** Consulting, installation, project development services, contractor services
- **Address:** 160 West 73rd Street; Suite 2H, New York, New York USA 10023
- **Telephone:** 212-362-4332

Prime Energy Technologies, Inc.

- **Product types:** Photovoltaic systems, backup power systems, energy efficient homes and buildings, wind energy towers and structures (large).
- **Service types:** Installation, construction, project development services, contractor services
- **Address:** 590 New York Avenue, Huntington, New York USA 11743
- **Telephone:** 800-799-5005
- **FAX:** 516-425-1563

Prism Visual Software, Inc.

- **Business type:** Computer Software
- **Product types:** Computer software handheld software.
- **Address:** 1 Sagamore Hill Drive, Port Washington, New York USA 11050
- **Telephone:** 516-944-5920

Quality Solar Concepts Inc.

- **Business type:** Manufacturer, wholesale supplier
- **Product types:** Solar electric power systems, solar street lighting, solar air heating systems, photovoltaic systems, wind turbines (small), solar water heating systems.
- **Service types:** Consulting, design, installation, construction, engineering, project development services, education and training services, research services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 47 Tearose Meadow Lane, Brockport, New York USA 14420
- **Telephone:** 585-278-3773

Ramsey Renovations Inc.

- **Product types:** Photovoltaic systems, wind energy systems (small), alternative home and building construction materials, hydroelectric turbines (large).
- **Service types:** Installation, construction, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** Po Box 566, New Paltz, New York USA 12561
- **Telephone:** 845-901-0888

Rao Services Inc.

- **Business type:** Exporter, importer
- **Product types:** Alternative fuel vehicles, backup power systems, electric scooters, electric motorcycles, hydro energy system components (large), remote home power systems, gas electric generators, hydrogen based electric and home heating generators and any other fuel saving products.
- **Service types:** Consulting, project development services, financial services
- **Address:** 2937 41 Ave, 2nd Floor Suit One, Long Island City, New York USA 11101
- **Telephone:** 718-726-0411
- **FAX:** 718-726-2118

Renewable Energy Works!

- **Business type:** Biodiesel workshops
- **Address:** 290 Genesee Street, Avon, New York USA 14414
- **Telephone:** 585-226-2920

Renewable NRG LLC

- **Business type:** Manufacturer
- **Product types:** Cogeneration systems, biomass energy systems, photovoltaic systems, hydro energy systems (large), ocean energy systems, wind energy systems (large), Eco-Industrial development.
- **Address:** Box 1117, Woodstock, New York USA 12498
- **Telephone:** 845-657-6655

Renovus Energy Inc.

- **Product types:** Solar electric power systems, wind energy systems (small), wind energy systems (large), geothermal energy systems, solar water heating systems, hydro energy systems (small).
- **Address:** 102 Cherry St., Ithaca, New York USA 14850
- **Telephone:** 607-277-1777

Rochester Solar Technologies

- **Business type:** Solar PV Electric Renewable Energy Company
- **Product types:** Solar panels, wind turbines, power inverters, photovoltaic equipment, solar heating systems, deep cycle batteries, backup power systems, solar water pumping system components, energy efficient lighting, Outback power systems, Sharp solar panels, SMA power inverters, Sanyo Solar modules, Uni-solar panels, Uni-rac solar module mounting, Direct Power mounts, Solar street lighting, solar sign lighting, DC power options, Solarsheat, Cansolair, .
- **Service types:** Solar Electric and Wind Installations, Retail Sales, Energy Consultation
- **Address:** 830 Phillips Road, Victor, New York USA 14564
- **Telephone:** 585-924-2176
- **FAX:** 585-924-4973

Self-Reliant Systems

- **Business type:** Retail sales
- **Product types:** Solar water heating systems, solar pool heating systems, photovoltaic systems, remote home power systems, packaged power systems, compact fluorescent light bulbs, THERMOMAX vacuum tube collectors, DUKE SOLAR concentrating collectors, a SUNWIZE multi-brand photo-voltaics dealer, WINDOWTHERM interior storm windows .
- **Service types:** Design, Construction, Installation, Maintenance/Repair.
- **Address:** 414 Barton Hill Road, Schoharie, New York USA 12157
- **Telephone:** 518-295-8256

Shine International Corp.

- **Product types:** Photovoltaic modules, sourcing of PV Modules, Rural Solar Systems, Wind Turbines, Operator/Investor for Alternative Energy, Energy Efficiency equipments and solutions..
- **Service types:** Business developer in Brazil
- **Address:** 110 East 59th Street, New York, New York USA 10022
- **Telephone:** 212-688-3636
- **FAX:** 212-688-3808

Smart Energy, Inc.

- **Product types:** Geothermal energy systems.
- **Address:** 86 Donald Drive, New Rochelle, New York USA 10804
- **Telephone:** 914-960-1424
- **FAX:** 914-813-8779

Solar Energy Systems, Inc.

- **Business type:** Retail sales
- **Product types:** Photovoltaic systems, solar electric power systems.
- **Address:** 1205 Manhattan Avenue, Brooklyn, New York USA 11222
- **Telephone:** 718-389-1545

Solar Power New York Inc.

- **Business type:** System design and installation
- **Product types:** Solar electric power systems.
- **Address:** PO Box 44, Orchard Park, New York USA 14127
- **Telephone:** 1-877-SOLARNY

Solar Works, Inc

- **Business type:** Retail sales, wholesale supplier
- **Product types:** Solar electric power systems, solar water heating systems, backup power systems, hybrid power systems, solar pool heating systems, energy efficient appliances.
- **Service types:** Consulting, installation, project development services, education and training services, architectural design services, contractor services, maintenance and repair services
- **Address:** 87 Delafield Street #2, Poughkeepsie, New York USA 12601
- **Telephone:** 800-339-7804
- **FAX:** 802-223-8980

Special Process Equipment, Inc.

- **Business type:** Manufacturer
- **Product types:** Air cooling systems.
- **Address:** 5824 Acton Street, East Syracuse, New York USA 13057
- **Telephone:** 315-656-2535

Sun Mountain

- **Business type:** Retail sales
- **Product types:** Remote home power systems, energy efficient appliances, backup power systems, photovoltaic systems, propane powered appliances, solar electric power systems.
- **Service types:** Consulting, design, installation
- **Address:** P.O. Box 1364, Olivebridge, New York USA 12461
- **Telephone:** 845-657-8096

Sun Products

- **Business type:** Retail sales, wholesale supplier, exporter
- **Product types:** Solar electric power systems, wind energy system components (small), hydro energy systems (small), energy efficient appliances, packaged power systems, recreational vehicle power systems, Educational material, Plans, Design Guides, Videos.
- **Service types:** Design, project development services
- **Address:** P O Box 806, Lindenhurst, New York USA 11757
- **Telephone:** 631-226-7846
- **FAX:** 631-956-3824

Sun Shack

- **Business type:** Retail sales, wholesale supplier
- **Product types:** Photovoltaic net metering systems solar electric systems, stand alone PV systems, kits, consulting, RV recreational vehicle power systems, small wind turbines, solar water heating , solar pool heating, swimming pool solar heaters, solar powered vehicles, solar powered boats, solar modules, integrated solar roofing systems, home power systems, batteries, heat exchangers, water tanks solar tanks, solar panels..
- **Service types:** Consulting services, system design, contractor services, maintenance and repair
- **Address:** 63 Laurel Ave., Riverhead, New York USA 11901
- **Telephone:** 631-727-2224
- **FAX:** 631-727-4676

Sunmountain

- **Business type:** Retail sales
- **Product types:** Photovoltaic systems, solar electric power systems, remote home power systems, retail sales of renewable energy equipment.
- **Service types:** Consulting, installation, contractor services
- **Address:** P.O. Box 1364, Olivebridge, New York USA 12461
- **Telephone:** 914-657-8096
- **FAX:** 914-657-8096

Sustainable Energy Developments, Inc.

- **Business type:** Wind project developer
- **Product types:** From 10kW to several megawatt wind turbines.
- **Service types:** Complete project services including wind assessment & feasibility studies, sighting, securing financing & funding, interconnection agreements, construction & maintenance of wind turbines.
- **Address:** 317 Route 104, Ontario, New York USA 14519
- **Telephone:** 1-877-WINDNRG

Tapm Alternative Energies

Free Energy Conservation Ideals, Free 130 point home energy inspection. Tapm provides Energy Consultation and Education to area organizations, businesses, and home owners. We offer all home repairs, but specializing in those that conserve energy, insulation, air sealing, appliance change-outs, furnace testing, and replacement. Offering specials on Remote Off Grid electric systems powered by Wind, Water, and Sun.

- **Product types:** Alternative home and building construction materials, energy efficient homes and buildings, geothermal energy systems, hydro energy systems (small), wind turbines (small), solar electric power systems.
- **Service types:** Consulting, installation, construction, education and training services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 1371 Four Mile Rd, Allegany, New York USA 14706
- **Telephone:** 1 585-307-1304

The Louis Berger Group, Inc.

- **Business type:** Consulting and Development of Energy Projects
- **Product types:** Renewable Energy Group Services X Carbon Auditing; X Energy Auditing; X Strategic Planning around Carbon/Energy Reduction and Solutions; X Assisting with greening up Supply Chain to achieve carbon reduction goals X Green Energy sighting and permitting X Introducing Sustainable Building Options to reduce carbon reduction X Green Energy Development including Wind, Solar, Bio Mass; Geo Thermal; Small Hydro, Pump Storage X Introducing deregulated Power Options; X Offering Energy Efficiency Options to create White Tags and reduce carbon X Electric Transmission Lines; X Hydropower: Licensing, Compliance; X Third Party EISs/EAs for FERCFederal Energy Regulatory Commission; X Arranging Financing V ie. PPA□ s; Trading Recs, Carbon Credits; White Tags X Identifying green developers X Identifying green investors.
- **Address:** One Seaport Plaza; 199 Water St. ; 23rd Floor, New York, New York USA 10038
- **Telephone:** 212-612-7976
- **FAX:** 212-363-4341

Timothy Ehmann

- **Business type:** NABCEP Certified Solar PV Installer
- **Product types:** Solar PV electric systems.
- **Address:** Livonia, New York USA
- **Telephone:** 585-346-6521

Valenti Technological Innovations

- **Product types:** Cathodic protection systems.
- **Address:** PO Box 216, Fayetteville, New York USA 13066-0216
- **Telephone:** 315-637-2812

Verdae, LLC

- **Product types:** Geothermal energy systems, energy efficient homes and buildings.
- **Service types:** Consulting, design, project development services
- **Address:** 90 Primrose Hill Road, Rhinebeck, New York USA 12572
- **Telephone:** 845-597-7369

Vertex Security & Technology

- **Business type:** Retail sales, wholesale supplier
- **Product types:** Home automation, Security Systems.
- **Address:** 205 Hudson Street, New York, New York USA 10013
- **Telephone:** 212-586-3234
- **FAX:** 212-586-4330
