

Phillips Electrical Systems, Inc.

- **Business type:** Retail sales, wholesale supplier
- **Products:** Energy efficient lighting, photovoltaic systems, power conditioning equipment, energy efficient homes and buildings, fuel powered electric generators, solar lighting systems, Wind energy systems, small and large.
- **Services:** Consulting, design, installation, construction, project development services, education and training services, research services, site survey and assessment services, financial services, contractor services, maintenance and repair services, recycling services
- **Address:** 7901 Allen Black Rd. , Charlotte, North Carolina USA 28227
- **Telephone:** 704-545-0815
- **FAX:** 704-545-0980
- **Web Site:** <http://www.phillipselectricalsystemsinc.com>

FLS Energy

FLS Energy specializes in commercial and residential solar applications. We combine creativity and engineering skills to design solar systems that function efficiently, are aesthetically pleasing, and cost-effective. FLS Energy provides turnkey installation services to create a headache-free experience from start to finish.

- **Business type:** Retail sales, wholesale supplier
- **Products:** Photovoltaic systems, solar thermal energy, energy efficient homes and buildings.
- **Services:** Consulting, design, installation, project development services
- **Address:** 400 Eastside Dr. , Black Mountain, North Carolina USA 28711
- **Telephone:** 828-669-5070
- **FAX:** 828-669-5046
- **Web Site:** <http://flsenergy.com>

[Arrowhead Energy Corp.](#)

Arrowhead Energy Corp. is a locally owned and operated solar energy company based in Wilmington, NC. With years of experience in the solar industry, our installers have the knowledge and expertise to deliver the finest solar energy solutions to our customers. Whether you are looking for a small starter system or want to completely offset your usage, our optimized solar energy systems offer flexibility and value to fit within your budget. Our unique energy program will make your home more energy efficient while turning your roof into a cash-producing asset. Arrowhead Energy Corp. "Professional, Reliable and Always Outstanding Customer Service. "

- **Products:** Solar thermal energy, solar pool heating systems, photovoltaic systems residential, solar water heating systems, solar lighting systems.
- **Services:** Consulting, design, installation, construction, site survey and assessment services, contractor services
- **Address:** 349 Military Cutoff Road, Wilmington, North Carolina USA 28405
- **Telephone:** 910-465-9400
- **FAX:** 910-399-7818
- **Web Site:** <http://www.arrowheadenergycorp.com>

[North Carolina Sustainable Energy Association](#)

NCSEA works to ensure a sustainable future by promoting renewable energy and energy efficiency in North Carolina through education, public policy and economic development.

- **Business type:** Nonprofit organization
- **Products:** Education advocacy referrals networking.
- **Services:** Public policy; education/advocacy
- **Address:** P.O. Box 6465, Raleigh, North Carolina USA 27628
- **Telephone:** 919-832-7601
- **FAX:** 919-832-7601
- **Web Site:** <http://energync.org>

Southern Energy Management

- **Business type:** Solar power and energy efficiency solutions to commercial and residential markets.
- **Products:** Solar water heating systems, solar photovoltaic systems, energy management systems, solar pool heating systems.
- **Services:** Green building consulting, verification, engineering, design and installation
- **Address:** 4123D Rose Lake Drive, Charlotte, North Carolina USA 28217
- **Telephone:** 919-836-0330
- **FAX:** 919-836-0305
- **Web Site:** <http://www.southern-energy.com>

Alternative Energy Concepts, Inc

We offer solar, wind and geothermal solutions for the energy demands for residential, business and government applications. From solar pool heaters to wind turbines that power entire businesses, we can design, install and maintain a quality system at a fair price. Give us a call today!

- **Business type:** Retail sales
- **Products:** Solar electric power systems, wind energy systems (small), geothermal energy systems, photovoltaic systems, backup power systems, photovoltaic systems, Energy Efficiency for Home and Business Consultants.
- **Services:** Design, installation, construction, contractor services, maintenance and repair services
- **Address:** 401 Robeson Street, Fayetteville, North Carolina USA 28301
- **Telephone:** 910-368-9761
- **FAX:** 910-485-4879
- **Web Site:** <http://www.alternativeenergync.com>

Appalachian Renewable Energy

Appalachian Renewable Energy is proud to offer residential and commercial designs and installations in all types of renewable energy including Thermal Solar, Photo voltaic and Hydro.

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, solar thermal energy, hydroelectric turbines (small).
- **Services:** Consulting, design, installation, project development services
- **Address:** PO Box 1161, Wilkesboro, North Carolina Us 28697
- **Telephone:** 336-262-2504
- **FAX:** 336-984-4003

[Windsong Energy Solutions, LLC](#)

Windsong Energy Solutions, LLC., is a full service solar electric construction company. We specialize in the design, installation and service of Grid-tied Solar Photovoltaic (PV) Systems for industrial, commercial, agricultural and residential applications. The company is owned and operated by experienced and licensed NC Electrical and General Contractors. We're members of the following trade organizations; the Solar Energy Industries Association (SEIA) and the US Green Building Council (USGBC). We have a LEED AP on full time staff.

- **Business type:** Retail sales
- **Products:** Photovoltaic systems commercial, photovoltaic systems residential, photovoltaic systems, photovoltaic systems building integrated BIPV, energy efficient homes and buildings, recreational vehicle power systems.
- **Services:** Consulting, design, installation, construction, project development services, education and training services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 2271 Lakeview Terrace, Burlington, North Carolina USA 27215
- **Telephone:** 336-516-2910
- **Web Site:** <http://www.windsongenergysolutions.com>

[Shannon's Green](#)

Professional design team specializing in turn-key installations of solar PV systems and commercial recycling programs.

- **Products:** Solar electric power systems, photovoltaic systems, photovoltaic modules.
- **Services:** Consulting, design, installation, project development services, site survey and assessment services, recycling services
- **Address:** 5410 Golden Arrow Lane, Raleigh, North Carolina USA 27613
- **Telephone:** 919-604-3092
- **Web Site:** <http://www.shannongreen.com>

[Argand Energy Solutions](#)

From Solar Electric (PV) to Solar Thermal Hot Water, Small Scale Wind and Solar Water Pumping, Argand Energy is the areas leading installer of solar systems. Our professionally trained sales, design and engineering teams will help you select the right renewable energy system for your home or business, and the best photovoltaic, hot water or wind energy system for your budget. Argand Energy offers systems from major manufacturers like Sharp, Evergreen, GE, BP Solar, Skystream, Apricus, SMA America and many other highly reputable companies. Argand is fully licensed, bonded and insured and stands behind every system that we install with a labor warranty that is unparalleled in our industry. Our services include every aspect of your energ. . .

- **Business type:** Solar installation company
- **Products:** Photovoltaic systems, solar water heating systems, solar pool heating systems, solar water pumping systems, wind energy systems (small), geothermal energy systems.
- **Services:** Consulting, design, installation, engineering, project development services, education and training services, site survey and assessment services, maintenance and repair services
- **Address:** 2725 Westinghouse Blvd, Suite 100, Charlotte, North Carolina USA 28273
- **Telephone:** 877-939-9599
- **FAX:** 704-583-9588

[Asheville Geothermal Inc.](#)

Asheville Geothermal is Western North Carolina's only specialty geothermal contractor. We design, install, and service all types of geothermal-base heating and cooling systems. Asheville Geothermal will show you how to save 40-70% off your heating and cooling bills. The specific savings you will have depends on your current system and the topology and size of your installation site. We work with all kinds of geothermal systems - wells, slinky, pond, hybrid, isolated, and distributed. We specialize in low-impact geothermal installation. Where other installers would tear up your whole yard, Asheville Geothermal will use special equipment and techniques to leave your yard just as we found it. Whether you are an individual homeowner or a neighb...

- **Products:** Geothermal Heating and Cooling Systems.
- **Services:** Installation
- **Address:** 18757 Merrimon Ave. , Asheville, North Carolina USA 28814
- **Telephone:** 828-712-6786
- **Web Site:** <http://ashevillegeothermal.com>

Carolina Vision Builders, LLC

We are your full service Eagle Mountain HVAC and alternative energy products dealership for the Charlotte area and Western North Carolina. Please call for a consultation and budgetary estimate on your next project.

- **Products:** Geothermal energy systems, hydronic radiant heating systems, solar water heating systems, home automation.
- **Services:** Consulting, design, installation, construction, site survey and assessment services, contractor services
- **Address:** 3970 Highway 73, Iron Station, North Carolina USA 28080
- **Telephone:** 704-634-1312

SuperLattice Inc

SuperLattice provides custom Lithium cell packaging and battery management as a value added resource utilizing NMC cells and phosphate modules for both high and low voltage configurations. Drawing on a resource of different chemistries allows us to provide the best solution.

- **Products:** Batteries lithium polymer, batteries lithium.
- **Services:** Project development services
- **Address:** 630 Northwest Dr, Davidson, North Carolina USA 28036
- **Telephone:** 704-464-6656
- **FAX:** 704-892-5708
- **Web Site:** <http://www.superlatticeinc.com>

Accredited Solar & Wind

- **Business type:** System Development, Sales, and Service
- **Products:** Solar collectors flat plate, solar collectors evacuated tube, photovoltaic systems, hydro energy systems (small), solar pool heating systems, wind energy systems (small).
- **Services:** Consulting, design, installation, construction, project development services, education and training services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** PO Box 410, Salter Path, North Carolina USA 28575
- **Telephone:** Toll Free (877) 723-3797

Advanced Thermal Solutions, Inc.

- **Business type:** Manufacturer, retail sales, wholesale supplier
- **Products:** Solar water heating systems, solar electric power systems, hydronic radiant heating systems, geothermal energy systems, water filtering and purification systems.
- **Services:** Consulting, design, installation, education and training services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 1630-C Spartanburg Hwy, Hendersonville, North Carolina USA 28792
- **Telephone:** 828-693-3334
- **FAX:** 828-693-3335

Advantech

- **Business type:** Retail sales, wholesale supplier
- **Products:** Backup power systems, air cooling systems, batteries lead acid flooded, batteries lead acid deep-cycle.
- **Services:** Consulting, design, installation, construction, engineering, project development services, education and training services, site survey and assessment services, contractor services, maintenance and repair services, recycling services, testing services
- **Address:** 82 Brindley Cir., Clayton, North Carolina USA 27520
- **Telephone:** 919-300-1514
- **FAX:** n/a

Alicia Ravetto Architect PA

- **Business type:** Service
- **Services:** Custom home design, green building, daylighting, consultations, small commercial
- **Address:** 105 East Main Street, Carrboro, North Carolina USA 27510
- **Telephone:** 919-933-0999
- **FAX:** 919-933-0999

Appropriate Building Solutions, Inc.

- **Business type:** Residential/ Commercial Construction
- **Products:** Sustainable/green home construction, design, consultation, passive solar homes, renewable energy, structural insulated panels, insulated concrete forms, radiant floors, energy star homes and NC HealthyBuilt homes. .
- **Services:** Contractor services
- **Address:** PO Box 2821, Asheville, North Carolina USA 28802
- **Telephone:** 828-350-0451
- **FAX:** 828-350-0354

Bald Mountain Homes, Inc.

- **Business type:** Contractor, construction, rentals
- **Products:** I will buy your multifamily property and solarize it. Do you have an energy hog property? Want to see it go solar? Contact me, email or phone..
- **Services:** Solar and non-toxic construction, PV energy
- **Address:** P.O. Box 1665, Asheville, North Carolina USA 28802
- **Telephone:** 828-252-9357

BRESCO Ltd/ Blue Ridge Energy Solutions

- **Products:** Photovoltaic systems, hydro energy systems (small), solar water heating systems, wind energy systems (small), energy efficient homes and buildings, fluorescent lighting fixtures and ballasts.
- **Services:** Contractor services
- **Address:** 2665 US 70 West, Morganton, North Carolina USA 28655
- **Telephone:** 828-584-3684
- **FAX:** 828-584-8878

Building Performance Specialists

- **Business type:** Consulting
- **Products:** Home Energy Ratings (HERS), green building consultation & certifications, sealed crawlspaces, building performance diagnostics, energy efficient/alternative home and building construction technologies, solar water heating systems, solar electric power systems, solar pool heating systems.
- **Services:** Consultation, building forensics, solar PV, solar water heating
- **Address:** 126 Victoria Dr. , Wilmington, North Carolina USA 28401
- **Telephone:** 910-470-8203

Building Performance Specialists

- **Business type:** Retail sales
- **Products:** Solar water heating systems, photovoltaic systems, solar pool heating systems, energy efficient homes and buildings.
- **Services:** Consulting, design, installation
- **Address:** 126 Victoria Dr, Wilmington, North Carolina USA 28401
- **Telephone:** 910-470-8203
- **FAX:** 206-666-8248

Carolina Country Builders of Chatham County Inc.

- **Business type:** Solar design and consulting
- **Products:** Solar home and green building construction.
- **Address:** 1459 Redbud Rd., Pittsboro, North Carolina USA 27312
- **Telephone:** 919-542-5361
- **FAX:** 919-542-5361

Combustion Turbine & Combined Cycle Users Organization

- **Business type:** EPC contractor and engineering consulting firm
- **Products:** Gas turbine electric generators, steam turbine electric generators, cogeneration systems, heat recovery steam generators, performance monitoring, inlet air cooling.
- **Services:** Engineering consulting, construction management, O&M cost saving solutions
- **Address:** Lockwood Greene Engineers, J. A. Jones Drive, Charlotte, North Carolina USA 28287
- **Telephone:** 704-553-3162
- **FAX:** 704-553-3409

ComfortWorks

- **Business type:** Service
- **Products:** Building systems consulting, Building science, Energy engineering, Management, Marketing, Diagnostics, Information Technologies, alternative construction.
- **Services:** Commercial and residential consulting, moisture , mold, building science, training
- **Address:** 705 Watts Street, Durham, North Carolina USA 27701
- **Telephone:** 919-956-5156
- **FAX:** 919-956-7244

East Coast Solar Services

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, water heating systems, renewable energy system batteries, wind energy system components (small).
- **Services:** Consulting, design, installation, construction, project development services, education and training services, research services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 316 W Wilkinson St, Kill Devil Hills, North Carolina USA 27948
- **Telephone:** 252-982-6692

ec systems

- **Business type:** Manufacturer, wholesale supplier, importer
- **Products:** Fuel cell system components, lithium ion batteries, electric vehicle components, alternative fuel vehicles, battery components, fuel cell systems, Nanocarbons for polymers & composites, hydrogen storage, nanocarbon arrays for electrode & field emission applications.
- **Address:** 450 Kings Landing Rd, Hampstead, North Carolina USA 28442
- **Telephone:** 877-245-0015

Ecosavvy Energy

- **Business type:** Efficiency & Renewable Energy
- **Products:** Solar electric power systems, photovoltaic PV ultra energy efficient super-insulated homes and buildings, passive house, passivhaus, passive solar, solar water heating systems, electric cars, backup power systems, .
- **Services:** PV power systems, solar electric
- **Address:** 103 N Bear Creek Road, Asheville, North Carolina USA 28806
- **Telephone:** 828-350-7529

Essential Solar Sales

- **Business type:** Retail sales education
- **Products:** Education and consulting for selling solar water heating systems, photovoltaic systems, solar pool heating systems, geothermal energy systems, and water heating systems. .
- **Services:** Consulting, education and training services
- **Address:** 101 Laura Lane C-17, Greenville, North Carolina USA 27858
- **Telephone:** 252-714-9021
- **FAX:** 877-885-8540

FLS Energy

- **Products:** Solar water heating systems.
- **Address:** 400 East Side Drive, Black Mountain, North Carolina USA 28711
- **Telephone:** 828-669-5070
- **FAX:** 828-669-5070

Goin' Green Energy, LLC

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, solar water heating systems, solar pool heating systems, solar roofing systems, radiant heating systems.
- **Services:** Consulting, installation, site survey and assessment services, maintenance and repair services
- **Address:** 1306 Adams St, Wilson, North Carolina USA 27893
- **Telephone:** 252-293-0303
- **FAX:** 252-243-0202

Greg Flynn Architect

- **Business type:** Service
- **Products:** Alternative construction.
- **Services:** Consulting
- **Address:** 2826 Barmettler St, Raleigh, North Carolina USA 27607
- **Telephone:** 919-836-2214

Home Energy Partners

- **Business type:** Building Performance Consultants and Insulation Services
- **Products:** Icynene and cellulose insulation, Healthy crawlspace system, HVAC design consultation, Quality Assurance for new construction.
- **Services:** Icynene and cellulose insulation, building performance certifications, and diagnosing building failures
- **Address:** 167 Haywood Rd, Asheville, North Carolina USA 28806
- **Telephone:** 828-350-1155
- **FAX:** 828-350-1175

Morningstar Enterprises, Inc.

- **Business type:** Renewable energy consultant
- **Products:** Solar thermal equipment including: collectors (medium and high temperature), mounting solutions, tanks, controls, pumps Solar P. V. including: modules, mounting solutions, inverters, disconnects.
- **Services:** Design, engineering, project supervision, training, equipment sales
- **Address:** 18443 Victoria Bay Dr. , Cornelius, North Carolina USA 28031
- **Telephone:** 904-422-3857

National Power Corporation

- **Business type:** Wholesale supplier
- **Products:** Dynasty high-rate UPS batteries, Generac Power Systems diesel, natural gas and propane powered electric generators, Powerware and GE uninterruptible power supplies, start-up, full line service and service agreements..
- **Services:** UPS, generator and transfer switch service
- **Address:** 5100 Departure Drive, Raleigh, North Carolina USA 27616
- **Telephone:** 919-861-6934
- **FAX:** 919-790-9714

Nicholson's Heating & Air

- **Products:** Heat pumps, heat exchangers, solar air heating systems, solar water heating systems, air cooling systems, air heating systems.
- **Address:** 1276 Old Landfill Rd., Taylorsville, North Carolina USA 28681
- **Telephone:** 828-635-6189

Powerware Corporation

- **Business type:** Manufacturer
- **Products:** Backup power systems, uninterruptible power supplies UPS.
- **Address:** 8609 Six Forks Rd, Raleigh, North Carolina USA 27615
- **Telephone:** 1-800-753-9433
- **FAX:** 919-870-3274

Precise Power Service Corp

- **Business type:** Service
- **Products:** Uninterruptible Power Supply Systems.
- **Address:** 6405 Wilkinson Blvd, Belmont, North Carolina USA 28012
- **Telephone:** 704-829-6620

SBM Solar Inc.

- **Business type:** Manufacturer
- **Products:** Photovoltaic modules. Custom-made PV modules. non-glass PV modules..
- **Address:** 82 Spring St. SW, Concord, North Carolina USA 28025
- **Telephone:** 704-788-2881
- **FAX:** 704-793-1909

Solar Consultants, Inc.

- **Business type:** Retail sales, & service
- **Products:** Solar water and space heating systems, solar pool heating systems, radiant floor heating.
- **Services:** Installation, maintenance and repair services, large commercial thermal experience
- **Address:** PO Box 1254, Carrboro, North Carolina USA 27510
- **Telephone:** 919-831-5304

Solar Dynamics

- **Products:** Hydronic radiant heating systems, hydro energy systems (small), photovoltaic systems, solar water heating systems, wind energy systems (small).
- **Services:** Consulting, installation, maintenance and repair services
- **Address:** 40 Green Valley Rd., Asheville, North Carolina USA 28806
- **Telephone:** 828-665-8507
- **FAX:** 828-665-8507

Solar Guys

- **Products:** Backup power systems, hydro energy system components (small), photovoltaic systems, solar water heating systems, wind energy system components (small).
- **Services:** Design, installation, maintenance and repair services
- **Address:** 170 Allison Rd, Horseshoe, North Carolina USA 28742
- **Telephone:** 828-890-8380
- **FAX:** 828-890-3902

Solar Hero

- **Business type:** Manufacturer
- **Products:** Solar water heating systems, solar water heating components, solar pool heating system components, solar pool heating systems.
- **Services:** Consulting, design, installation, site survey and assessment services
- **Address:** 838 Cross Creek Drive, Mount Airy, North Carolina USA 27030-2992
- **Telephone:** 336-786-2953

Solar Vision Inc

- **Business type:** Design & installation
- **Products:** Solar water heating systems, solar pool heating systems, energy efficient homes and buildings, Solar Space Heating.
- **Services:** Design, installation, engineering, testing, monitoring and verification services, project development
- **Address:** 9732 Pierce Lane, Indian Trail, North Carolina USA 28079
- **Telephone:** 704-345-3789

Solectric Solutions

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, solar thermal energy, solar water heating systems.
- **Services:** Consulting, design, installation, project development services, site survey and assessment services, maintenance and repair services
- **Address:** 2521 Wheatfield Dr. , Greensboro, North Carolina USA 27405
- **Telephone:** 336-510-4483

SouthEast Ecological Design, Inc.

- **Business type:** Green Builder/Landscape Design and Installation Specialist
- **Products:** Custom green building and design, building and landscaping consultation services, custom organic landscape design and installation, eco additions and remodels.
- **Services:** New Construction; Additions; Remodels; Custom Organic Landscapes
- **Address:** 1043 Old Fort Rd, Fairview, North Carolina USA 28730
- **Telephone:** 828-628-6448
- **FAX:** 828-628-6339

Sun Power Systems

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, waste to energy systems, batteries renewable energy system, energy efficient homes and buildings, micro combined heat and power systems (micro-CHP), batteries capacitor, electric load balancing.
- **Services:** Consulting, design, installation, construction, engineering, project development services, research services, site survey and assessment services, maintenance and repair services, recycling services
- **Address:** Winston-Salem, North Carolina USA 27106
- **Telephone:** 336-926-8791

Sundance Power Systems, Inc.

- **Business type:** Retailer, manufacturer
- **Products:** Solar electric systems, wind electric systems, micro-hydro electric systems, solar water heating systems, hybrid power systems, hydronic radiant heating systems, high efficiency appliances, energy and heating system components, composting toilets, Central Boiler wood burning furnaces and technical service and support. .
- **Services:** Design and installation
- **Address:** 11 Salem Hill Road, Weaverville, North Carolina USA 28787
- **Telephone:** 828-645-2080
- **FAX:** 828-645-2020

Sunrise Enterprise

- **Products:** Biomass energy systems.
- **Address:** 1654 Snow Hill Falls Circle, Franklin, North Carolina USA 28734
- **Telephone:** 1-828-349-5566
- **FAX:** same

Sustainable Engineers

- **Products:** Biomass energy systems, wind power plants, cogeneration systems, ocean energy systems, solar electric power systems, fuel cell systems, Biodigestion, Gasification, Energy Storage.
- **Address:** 8902 Horsecroft Court, Waxhaw, North Carolina USA 28173
- **Telephone:** 704-814-0451

T-Square Builders Inc.

- **Products:** Energy efficient homes and buildings, photovoltaic systems, solar electric power systems, hydro energy systems (small), wind energy systems (small), solar water heating systems.
- **Address:** 757 Old Farm Rd, Banner Elk, North Carolina USA 28604
- **Telephone:** 828-898-9768

Tech Power Group

- **Business type:** Sales & Service
- **Products:** Uninterruptible power supplies UPS, air cooling systems, backup power systems, batteries VRLA, NiCad & wet, batteries for telecommunication, battery chargers, New & Used Generators Sales & Renting.
- **Services:** Maintenance & Installation
- **Address:** 10311 Shelter Rock Ct., Charlotte, North Carolina USA 28214
- **Telephone:** 336-214-2843
- **FAX:** 202-658-7448

Thermacraft Energy Services

- **Products:** Water heating systems, solar water heating systems, photovoltaic systems.
- **Services:** Installation, construction, site survey and assessment services, contractor services
- **Address:** 306 Elk Park Drive, Asheville, North Carolina USA 28804
- **Telephone:** 828-285-8825
- **FAX:** 828-285-8825
