

## Sun City Solar Energy, LLC

*Solar specialists since 1983. Solar Hot Water, Solar Pool Heaters, Solar Power Electric and Solar Heating. Call 918-494-0886 for Energy Independence.*

- **Business type:** Retail store
- **Products:** Solar hot water systems, solar pool heaters, solar power electric, solar heating systems.
- **Services:** Design, retail, install, and service commercial and residential
- **Address:** 6709-G East 81st Street, Tulsa, Oklahoma USA 74133
- **Telephone:** 918-494-0886
- **FAX:** 918-494-0894
- **Web Site:** <http://www.suncityenergy.com>

## Sun City Solar Energy-Oklahoma City

*24 years delivering energy independence. Why rent your utilities? Own a portion of your utility.*

- **Business type:** Retail sales
- **Products:** Solar electric power systems, solar pool heating systems, solar water heating systems, photovoltaic systems, solar water pumping systems, solar attic vents, solar heating.
- **Services:** Design, installation, engineering, site survey and assessment services, maintenance and repair services
- **Address:** 7540 Berkely Ave. , Oklahoma City, Oklahoma USA 73116
- **Telephone:** 405-842-3800
- **Web Site:** <http://www.suncityenergy.com>

## Green Wind and Solar

*(((Green Wind and Solar))) We install systems anywhere in the United States! From commercial electric farms, to small and large business as well as home systems. Turnkey photovoltaic and wind intertie systems engineered and installed to your specifications and needs. (((10 year written warrantee on all Green Wind and Solar installed parts and equipment))) (((Government incentive programs available to you))) (((Performance projections for your area)))(((Please allow us to provide your Green Energy Needs))) Contact Steve Startz and let us design and install your GREEN POWER today405-321-0664*

- **Business type:** Retail sales, wholesale supplier
- **Products:** Photovoltaic systems, photovoltaic module components, photovoltaic module mounting systems, photovoltaic cells, solar electric power systems, solar roofing systems, Green Energy Wind and PhotoVoltaic Systems, Off-Grid and on-Grid systems, battery and generator backup systems.
- **Services:** Consulting, design, installation, construction, engineering, project development services, research services, site survey and assessment services, architectural design services, contractor services, maintenance and repair services, recycling services
- **Address:** PO Box 1386, Norman, Oklahoma USA 73070
- **Telephone:** 405-321-0664
- **FAX:** 405-573-0686
- **Web Site:** <http://www.greenwindandsolar.com>

## Innovative Power Solutions

*We design, service, and install home or commercial emergency power systems. We also carry the first indoor backup generator. Solar, Wind, or Off the grid systems we do it all.*

- **Business type:** Retail sales
- **Products:** Fuel powered electric generators, batteries emergency backup, gas turbine electric generators, solar electric power systems, solar thermal energy, Standby Generators.
- **Services:** Design, installation
- **Address:** 1611 S Utica Ave #268, Tulsa, Oklahoma Us 74104
- **Telephone:** 918-688-9279
- **Web Site:** <http://www.innovativepowersolutions.net>

## Quality Equipment Design, Inc.

*Engineering, Design, Manufacture, construction of  
Electrical/Instrumentation/Automation for Wind, Solar or Oil/Gas plants.*

- **Business type:** OEM manufacturer
- **Products:** Power conversion equipment, wind energy systems (small), Control Systems, Plant Electrical System design, installation and service.
- **Services:** Design, installation, construction, engineering, site supervision services, maintenance on all electrical & control systems
- **Address:** 4246 South 74th East Ave. , Tulsa, Oklahoma USA 74145
- **Telephone:** 918-492-4019
- **FAX:** 918-492-7110
- **Web Site:** <http://www.qed-corp.com>

## **Advanced Mechanical Solutions**

- **Business type:** Consulting
- **Products:** Energy conversion equipment such as wood & biomass gasifiers, solid fuel boilers, gas-fueled boilers, fuel handling, steam turbines, electric generators..
- **Services:** Standard and biomass energy boilers, biomass energy systems, biomass energy furnaces, cogeneration systems, waste-to-energy systems.
- **Address:** 1216 East Kenosha, Broken Arrow, Oklahoma USA 74012
- **Telephone:** 918-453-7569

## **Centaurus Technologies and Innovations, Inc**

- **Business type:** Retail sales
- **Products:** Energy efficient lighting, energy efficient homes and buildings, building integrated photovoltaic systems.
- **Services:** Consulting, research services, maintenance and repair services
- **Address:** 710 Asp Ave, Suite 304, Norman, Oklahoma USA 73069
- **Telephone:** 405-229-9165
- **FAX:** 866-661-5253
-

## Earth Energy Technology & Supply, Inc.

- **Business type:** Wholesale supplier
- **Products:** Geothermal energy systems, geothermal energy system components, geothermal energy systems.
- **Address:** 505 NE 2nd Ave. , Marietta, Oklahoma USA 73448
- **Telephone:** 580-276-9455
- **FAX:** 580-276-9459

## Gila Enterprises Inc.

- **Business type:** Generator Systems both stationary and portable
- **Products:** Emergency Backup Generator Systems, Sales, Installation and Service. Portable Generator Sales and Service. Diesel Fuel Delivery also available.
- **Services:** Sales and Service
- **Address:** 1105 E Street N.W., Ardmore, Oklahoma USA 73401
- **Telephone:** 580-223-8999

## Harvest Solar and Wind Power

- **Business type:** Manufacturer, retail sales, wholesale supplier
- **Products:** Solar electric, grid-tie, back-up generators, solar water pumps, solar water heating systems, solar outdoor lighting systems, photovoltaic systems, wind energy systems (small), Solar lighting, energy efficient appliances, LED lighting, solar attic fans, tubular skylights, industrial solar systems for oil and gas and pipelines. Bergey, solcool, solar attic fans, solar air heaters, kyocera, BP solar, Sharp, Rolls Surette, Outback.
- **Services:** Solar integrator
- **Address:** 1571 East 22 Place , Tulsa, Oklahoma USA 74114
- **Telephone:** 918-743-2299
- **FAX:** 918-743-2299

## Lektron LED Technology

- **Business type:** Manufacturer, exporter
- **Products:** LED lighting.
- **Address:** 1849 N 105th E Ave., Tulsa, Oklahoma USA 74116
- **Telephone:** 918-838-3886

## Sunrise Alternative Energy

- **Business type:** Retail sales
- **Products:** Solar electric power systems, solar water heating systems, photovoltaic systems, solar pool heating systems, solar outdoor lighting systems.
- **Services:** Consulting, design, installation
- **Address:** PO Box 7978, Edmond, Oklahoma USA 73083-7978
- **Telephone:** 405-330-1552
