

## Centron Solar, Inc.

*We offer "one stop shopping" solution to installers, system integrators and developers in residential, commercial and utility scale installations. We provide most competitive TCOO (Total Cost of Ownership) solutions including solar panels, inverters and mounting systems directly to installers from our logistics center in Eugene, Oregon, with short lead time of a week or two for all systems. No minimum order required. Design and installation services available upon request.*

- **Business type:** Manufacturer, retail sales, wholesale supplier, exporter, importer
- **Services:** Consulting, design, installation, construction, engineering, project development services, education and training services, research services, site survey and assessment services
- **Address:** 4723 Pacific Avenue, Eugene, Oregon USA 97402
- **Telephone:** 1-541-349-9000
- **FAX:** 1-541-343-9000
- **Web Site:** <http://www.centronsolar.com>

## Sunlight Solar Energy, Inc.

*Specializing in solar energy for homes and businesses throughout Oregon, Connecticut and Massachusetts. Sunlight Solar was founded in 1988 and has been serving Central Oregon since 1997. We offer turn-key installations with an emphasis on the highest quality customer service. In 2008, Sunlight Solar was the proud recipient of SunPower's Intelligent Award for Excellence, Central Oregon Builder's Association Green Building Sub Contractor of the Year, and Central Oregon's Best Green Business by The Source Weekly.*

- **Business type:** Solar Electric and Solar Thermal Design & Installation
- **Products:** Photovoltaic systems, solar water heating systems, solar pool heating systems, radiant heating systems, solar electric power systems.
- **Services:** Installation, technical service
- **Address:** 4 Franklin Avenue, NW, Bend, Oregon USA 97701
- **Telephone:** 541-322-1910
- **FAX:** 541-322-1911
- **Web Site:** <http://www.sunlightsolar.com>

## [Andersen Electric Inc.](#)

*We are an innovative Electrical Contractor based in Oregon, with satisfied customers all over the Western United States! We have a proven track record for producing a solid electrical system on budget and on time. We take pride in producing energy efficient electrical systems. Mission Statement: A positive Customer experience is critical to our continued success. We Pledge to consistently deliver a level of integrity and personal responsibility to the Electrical Contracting Industry; We strive to be recognized as outstanding by our peers and in high demand by customers who insist on these qualities. We offer; New Construction Tenant improvements Design/ Build. Our specialties include: Uninterruptible Power Systems Power Condition...*

- **Products:** Energy efficient Commercial buildings and homes, backup power systems, photovoltaic systems, power conditioning equipment, uninterruptible power systems (UPS), Design/Build electrical building systems.
- **Services:** Consulting, design, installation, construction, engineering, project development services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 9390 SE Hide -a-Way ct, Damascus, Oregon USA 97089
- **Telephone:** 503-665-4327
- **FAX:** 503-665-8331
- **Web Site:** <http://andersenelectric.com>

## [Environmental Works](#)

*Environmental Works has two full service project groups that can collectively meet all of your environmental consulting and construction needs. Our environmental division specializes in services related to stormwater, contaminated soil and groundwater, environmental site assessments, regulatory compliance, and ecosystem management. The construction division complements these services by offering green design, building, and remodeling services, in addition to cutting edge renewable energy solutions.*

- **Products:** Photovoltaic systems residential, solar electric power systems, wind energy systems (small), water testing and analysis, solar water heating systems, wind energy assessment equipment.
- **Services:** Consulting, installation, construction, project development services
- **Address:** 11800 SE Flavel Street, Portland, Oregon USA 97266
- **Telephone:** 503-719-6715
- **Web Site:** <http://www.eworksnw.com>

## Abundant Renewable Energy

- **Business type:** Manufacturer, wholesale supplier
- **Products:** ARE wind turbines (2.5kW & 10kW), wind energy towers and structures, wind energy system components, lightning suppression systems..
- **Address:** 22700 NE Mountain Top Road, Newberg, Oregon USA 97132
- **Telephone:** 503-538-8298
- **FAX:** 503-538-8782
- **Web Site:** <http://www.AbundantRE.com>

## Critical Systems NW

*Manufacturer's Representative for Toshiba and Power Distribution Inc (PDI) for the Pacific NW and Hawaii. Providing reliable power systems, service contracts and battery services.*

- **Products:** Uninterruptible power supplies UPS, batteries emergency backup, power conditioning equipment, power conversion equipment.
- **Address:** 5320 SW Macadam Ave, Portland, Oregon USA 97239
- **Telephone:** 503-477-6634
- **FAX:** 503-477-7782
- **Web Site:** <http://criticalsystemsnw.com>

## Synergy Engineering LLC

*Photovoltaic System Design from 5KW to 1,000KW*

- **Products:** Photovoltaic systems.
- **Services:** Consulting, design, engineering
- **Address:** 134 East 13th Avenue Suite 2, Eugene, Oregon USA 97401
- **Telephone:** 541-953-6922
- **FAX:** 541-896-3339
- **Web Site:** <http://www.synergyengineering.net>

## [The Garden Angels Landscape Design & Contracting](#)

*Smart Garden design, green living gardens since 1994. Want to create Energy in the garden? Classic landscape design principles for green living in today's world. Sustainable Landscapes, Smart Gardens, Energy Gardens, Heritage Gardens, Xeriscapes, and Permaculture. Outdoor living solutions such as: water features, patios, decks, pergolas, raised beds, retaining walls, driveways, entryways, fencing, spas, courtyards, secret gardens.*

- **Business type:** Retail sales
- **Products:** Energy efficient homes and buildings, alternative home and building construction materials, alternative homes and buildings, solar garden lights.
- **Services:** Consulting, design, construction, education and training services, site survey and assessment services, architectural design services, contractor services
- **Address:** P. O. Box 3313, Salem, Oregon USA 97302
- **Telephone:** 503-581-5356
- **FAX:** ask us
- **Web Site:** <http://www.thegardenangels.com>

## [Top Wood Jobs](#)

*Recruiting quality, experienced industrial plant, engineering and equipment personnel for biomass energy, wood and forest products industries in North America.*

- **Business type:** Employee Recruiting Firm
- **Products:** Biomass energy systems wood based processing facilities.
- **Services:** Recruiting
- **Address:** 3451 Korbel St. , Eugene, Oregon USA 97404
- **Telephone:** 541-954-8456
- **Web Site:** [www.topwoodjobs.com](http://www.topwoodjobs.com)

## **3W Energy**

- **Address:** PO Box 2872, La Grande, Oregon USA 97850
- **Telephone:** 541-963-0966

## Abney Solar Electrix

- **Business type:** Retail sales Solar Electric Systems
- **Products:** Solar electric power systems, DC to AC power inverters, backup power systems, photovoltaic systems, remote home power systems.
- **Address:** 11244 NW Kingwood Drive, Redmond, Oregon USA 97756
- **Telephone:** 541-923-6000
- **FAX:** 541-923-6376

## All Around Contracting LLC and Cool Green Energy Store

- **Business type:** Retail sales, wholesale supplier, importer
- **Products:** DC powered appliances, air cooling systems, air heating systems, led light bulbs, solar pv nano thin film panels, vawt wind turbines, the sustainable dome, no idle trucking solution, yahts and boats, energy misers, true sheen non stick surface solution, heat pump hot water heaters that cut your water heating by 400%, air conditioning and heating installs, leds, air cooling and heating system components, backup power systems, air filtering and purification systems, millennia sustainable dc heat pump.
- **Services:** Wholesale supply outlet, heating and air conditioning, led lighting, installation, construction, project development services, financial services, contractor services, maintenance and repair services
- **Address:** 320 Baxter St, Eugene, Oregon USA 97402
- **Telephone:** 541-255-5740

## Allied Battery of Oregon

- **Business type:** Retail sales, wholesale supplier
- **Products:** Flooded lead acid batteries, deep cycle batteries, sealed lead acid batteries, medical equipment batteries, automotive starting batteries, lead acid batteries, Battery Boxes, Custom Built Cables, Delivery, Wholesale Dealer Programs, Training Seminars, Renewable Energy Specialists, Northwest's Largest Independent Battery Specialist Since 1953 Trojan, Optima, Odyssey, MK, Armor Plate, Gel Star, Energizer, .
- **Address:** 2770 Crater Lake Hwy., Medford, Oregon USA 97504
- **Telephone:** 800-472-9699/ 541-245-0500
- **FAX:** 541-245-2686

## Best Buy Solar

- **Business type:** Retail sales, wholesale supplier
- **Products:** Photovoltaic systems, solar electric power systems, DC to AC power inverters, photovoltaic modules, photovoltaic module mounting systems, solar water pumping system components.
- **Address:** 1027 South Pacific Highway, Talent, Oregon USA 97540
- **Telephone:** 1-877-498-6527

## Blue Skies Unlimited

- **Business type:** Retail sales
- **Products:** Hybrid power systems, remote home power systems, wind energy systems (small), photovoltaic systems, DC to AC power inverters, energy efficient appliances.
- **Address:** PO Box 241, Canby, Oregon USA 97013
- **Telephone:** 503-266-6353

## Cascade Biodiesel

- **Business type:** Retail sales
- **Products:** Biomass energy biofuel, biodiesel, waste heat recovery systems.
- **Services:** Consulting, education and training services
- **Address:** 35425 S. Firwood Lane, Molalla, Oregon USA 97038
- **Telephone:** 503-914-6528
- **FAX:** 503-922-0318

## Cascade Sun Works, Inc.

- **Business type:** Contracting and consulting for the solar industry.
- **Products:** High efficiency DayStar i80 Northwest Edition high efficiency solar hot water systems. Photovoltaic grid tied solar electric system. Hybrid high efficiency radiant heating systems..
- **Services:** Solar hot water, PV and hybrid high efficiency space heating systems. Consulting and design.
- **Address:** 2444 S.E. First St., Redmond, Oregon USA 97756
- **Telephone:** 541 548-7887
- **FAX:** 541-548-6978

## Cascade Sun Works

- **Business type:** Retail sales
- **Products:** Solar water heating systems, photovoltaic systems.
- **Address:** 2444 SE 1st Street, Redmond, Oregon USA 97756
- **Telephone:** 541-548-7887

## Choice Solar Corp.

- **Products:** Solar electric power systems, hybrid power systems, solar water heating systems.
- **Services:** Consulting, design, engineering, project development, education, site survey and assessment services
- **Address:** 12240 SW Katherine Street, Tigard, Oregon USA 97223
- **Telephone:** 503-799-2293
- **FAX:** 888-273-1844

## D.C.Long, Energyman, Inc.

- **Business type:** Renewable Energy Corporation: Retail Sales in Residential, Commercial & Industrial sectors
- **Products:** Biomass energy systems, Geothermal energy systems including ground loop heat pumps, Photovoltaic systems, Solar water heating systems, Wind energy systems (small), Solar pool heating systems, Energy Auditing and Conservation products..
- **Services:** Design, Engineering, Consulting, Energy Audits, Conservation, Maintenance
- **Address:** 3946 LaMarada Way, Klamath Falls, Oregon USA 97603-7713
- **Telephone:** 541-892-5880

## E2 Powered

- **Products:** Solar electric power systems, solar thermal energy, solar collectors evacuated tube, backup power systems.
- **Services:** Consulting, design, installation, construction, project development services, education and training services, contractor services
- **Address:** Bend, Oregon USA 97702
- **Telephone:** 541-388-1151

## EcoPrime Inc.

- **Business type:** Manufacturer, retail sales, wholesale supplier
- **Products:** Energy efficient appliances, biomass energy products, solar water heaters, energy efficient appliances, solar cooking products, solar heating products, High Natural Fuel Burning Efficiency Stoves.
- **Services:** Research and development, consulting services, system design
- **Address:** 86 SW Century Dr., PMB 375, Bend, Oregon USA 97702
- **Telephone:** 866-326-7746 (toll free) or 541-388-8316
- **FAX:** 541-388-8416

## Ecosystems

- **Business type:** Wholesale supplier for solar thermal products; retail on PV and wind
- **Products:** Solar pool heating systems, solar water heating systems, recreational vehicle power systems, photovoltaic modules, small wind turbines, solar pool heating system components and controls, marine power systems, electric system charge controllers and inverters..
- **Services:** Product sales, consulting, design, education and training services, site survey and assessment services
- **Address:** 10230 SE 252nd Drive, Gresham, Oregon USA 97080
- **Telephone:** 800-382-9002
- **FAX:** 503-492-7862

## Energy Service Company

- **Business type:** Design & installation contractor
- **Products:** Residential and commercial, solar water heating systems, solar pool heating systems, hydronic radiant floor heating systems, air quality systems, solar electric photovoltaic systems.
- **Services:** Design, installation, consultation, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 175 South Danebo Avenue, Eugene, Oregon USA 97402
- **Telephone:** 541-302-6808
- **FAX:** 541-302-6810

## Energy Waste Recovery

- **Business type:** Energy
- **Products:** We carry 1. 5 KW, 2. 5kw - 5 kw- 10 kw - 20 kw- 25 kw- 80 kw- to 250 KW wind turbines. We also whole sell solar systems (sharp). In addition we conduct energy audits using thermal technology, survey your structure and can take air samples for testing of most air systems.
- **Services:** Solar-Wind-Energy Audits-Air quality test-mold-pollen-lead-etc
- **Address:** 546 Vista Ave, Salem, Oregon USA 97302
- **Telephone:** 503-884-4866
- **FAX:** 503-361-7861

## EnerSol Consulting Services, Incorporated

- **Business type:** Rechargeable Battery System Consulting
- **Products:** Consumer electronics batteries, lithium ion batteries, rechargeable batteries, battery accessories, and fuel cell systems. Any Battery Systems for Portable Electronic Products! EnerSol is expert in assisting with quality system improvements with specific expertise in Asia. New activities are focused on electric vehicle and high power/high rate lithium ion batteries..
- **Services:** Consulting on Battery Systems, Technologies or Products
- **Address:** 6827 S.W. Windemere Loop, Portland, Georgia USA 97225
- **Telephone:** 678-591-1171
- **FAX:** 503-291-5112

## Gen-Con, Inc.

- **Products:** Solar pool heating systems, solar water heating systems, hydro energy systems (small), packaged power systems, photovoltaic modules, solar electric power systems, consulting services.
- **Services:** Contractor services
- **Address:** PO Box 25553, Portland, Oregon USA 97298
- **Telephone:** 503-245-7657
- **FAX:** 503-245-7657

## Generation Heating & Cooling

- **Products:** Geothermal energy systems, heat pumps.
- **Services:** Consulting, installation, engineering
- **Address:** 31722 NE Wand Ave, Troutdale, Oregon USA 97030
- **Telephone:** 503-407-0596

## Green Energy Solutions

- **Business type:** Retail sales
- **Products:** Heat pumps, geothermal energy systems, domestic hot water heaters.
- **Services:** Consulting, installation
- **Address:** 19363 Willamette Dr., #137, West Linn, Oregon USA 97068
- **Telephone:** 503-804-7014

## Home Comfort

- **Products:** Solar water heating systems, geothermal energy systems, heat pumps, air cooling systems, solar pool heating systems.
- **Address:** 706 Oscar Street, Eugene, Oregon USA 97405
- **Telephone:** 541-345-2838
- **FAX:** 541-302-3070

## Imagine Energy, LLC

- **Business type:** Retail sales, energy contracting, consulting, design, and installation
- **Products:** Solar PV, Solar Hot Water, Wind Electric, Ground-Source Heat Pumps, Radiant Floors, Tankless Water Heaters, Garden Power, Compact Fluorescent Lighting, and more....
- **Services:** Energy System Consulting, Design, and Installation.
- **Address:** 31090 SW Nehalem Court, Wilsonville, Oregon USA 97070
- **Telephone:** 866-982-6800
- **FAX:** 503-218-5244

## Integral Controls

- **Business type:** Manufacturer, service
- **Products:** Solar water pumping system components, water pump controls, pressure sensors.
- **Services:** Consulting
- **Address:** 3364 Sandlin Road, The Dalles, Oregon USA 97058
- **Telephone:** 541-296-3792
- **FAX:** 541-296-3792

## J H Schlesinger Enterprises

- **Business type:** Retail sales, wholesale supplier
- **Products:** Wood burning stoves and furnaces, air heating system components, water heating systems, Under Slab insulation, Radiant Floor Products, including controls, pumps, manifolds, etc Now we also have the Thermobile Veggie Oil Burner for shops and garages. Will burn glycerin (by product of Bio Diesel) as well as used veggie oil and used motor oil.
- **Address:** PO Box 183, 1360 Lakeshore Dr, Selma, Oregon USA 97538
- **Telephone:** 541-597-2706

## K L HARRISON

- **Business type:** Alternative energy resources
- **Products:** Wind Turbines, Solar, Batteries All Types, Inverters, Appliances, Generators, Lighting, Weather Instruments, Water Turbines, Etc...
- **Services:** Consulting services, sales and distribution, system design, system installation, education and training.
- **Address:** 570 Lawrence St, Suite 211, Eugene, Oregon USA 97401
- **Telephone:** 541-338-4430

## King Solar Products, Inc

- **Business type:** Wholesale supplier
- **Products:** Water heating systems, renewable energy system batteries, water storage tanks, sun concentrating photovoltaic systems.
- **Address:** One World Trade CENTER-121 SW Salmon Suite 1100, Portland, Oregon USA 97024-2921
- **Telephone:** 800-589-5560
- **FAX:** 503-905-8366

## Larry Bennett Handyman Remodeling

- **Business type:** Retail sales
- **Products:** Alternative homes and buildings, DC to AC power inverters, backup power systems, renewable energy system batteries, energy efficient homes and buildings, solar roofing systems, solar products in general all types configurations needed to fit site and design for practical applications.
- **Services:** Design, installation, construction, project development services, site survey and assessment services, contractor services, maintenance and repair services, recycling services
- **Address:** P. O. Box 3276, Gresham, Oregon USA 97030
- **Telephone:** 503-668-0515

## Light-Waves Electronics, Inc.

- **Business type:** Wholesale supplier
- **Products:** LED lighting, LED light bulbs.
- **Address:** 7025 SW 52nd. Ave. , Portland, Oregon USA 97219
- **Telephone:** 503-245-8830
- **FAX:** 503-245-8935

## New Path Renewables, Inc.

- **Business type:** Manufacturer, retail sales, wholesale supplier, exporter, importer
- **Products:** Large Scale Wind Systems, Large Scale Photovoltaic Systems, R&D of Thin Film Photovoltaics, R&D of Wind Turbine Blades. Commercial and Industrial Emergency Power Systems. Remote power systems. Industrial solar thermal systems..
- **Services:** Consulting, design, installation, construction, engineering, project development services, education and training services, research services, site survey and assessment services, financial services, architectural design services, contractor services, maintenance and repair services, recycling services, testing services
- **Address:** PO BOX 1365, Bend, Oregon USA 97709
- **Telephone:** 541-617-0609
- **FAX:** 501-640-8591

## Oregon Solar and Water

- **Business type:** Retail sales
- **Products:** Solar water heaters, energy efficient appliances, solar pool heating systems, SOLAHART AND HELICOL.
- **Services:** Maintenance and repair services
- **Address:** 175 South Danebo, Eugene, Oregon USA 97455
- **Telephone:** 1-800-869-7665

## Oregon Wind Corporation

- **Business type:** Manufacturer, wholesale supplier, exporter
- **Products:** Wind turbines (small), wind energy systems (small), wind power plants, wind energy towers and structures (small), wind energy system components (small), wind energy systems (large).
- **Address:** 1001 SE Water Ave, Suite 120, Portland, Oregon USA 97214
- **Telephone:** 503-595-0140
- **FAX:** 503-595-0145

## Pan Pacific Bamboo Brokerage

- **Business type:** Retail sales, wholesale supplier, importer
- **Products:** Photovoltaic systems, wind energy system components (small).
- **Address:** 16870 SW Cortez Ct, Lake Oswego, Oregon USA 97035
- **Telephone:** 503-539-0527

## Renewable NRG

- **Business type:** Sales, marketing, design and build
- **Products:** Commercial and Residential PV Solar Energy systems and passive solar water heating.
- **Services:** installation, construction, project development services, site survey and assessment services, contractor services
- **Address:** 1405 NW Benfield Dr, Portland, Oregon USA 97229
- **Telephone:** 503-674-7861

## Richard Balkins, Building Designer

- **Business type:** Consulting, design, Building Design
- **Products:** Alternative homes and buildings.
- **Services:** Consulting, design ( Building Design )
- **Address:** 1243 Franklin Ave. , Astoria, Oregon USA 97103
- **Telephone:** N/A Email: rickbalkins(AT)gmail. com
- **FAX:** N/A Services: Building Design services ( design services for buildings exempt from architectural licensing requirement - such as single family residences, agricultural buildings and light commercial within the limitation given by exemption in architectural law )

## Shelter Products Northwest

- **Business type:** Manufacturer, wholesale supplier
- **Products:** Hydronic radiant heating systems.
- **Address:** PO Box 231046, Tigard, Oregon USA 97281
- **Telephone:** 1-503-641-6808

## Solar Dynamics LLC

- **Business type:** Retail sales, wholesale supplier, engineering services provider
- **Products:** Tankless Water Heaters, Portable Power Chargers, Complete Solar and/or Wind Power Systems for any size home or business, Photovoltaic(PV) Panels, DC to AC Power Inverters, Batteries, Charge Controllers, Solar-Powered Lighting, Efficient Gas Refrigerators/Freezers and Appliances, Solar Water Pumping, Solar Water Sterilizers, Solar Gadgets, Alt. Energy Educational Supplies .
- **Services:** Consulting, design, research, technical and installation support
- **Address:** 5806 N. Williams Ave, Portland, Oregon USA 97217
- **Telephone:** 1-503-830-8739
- **FAX:** 1-503-286-0847

## Solar Interior Design

- **Business type:** Retail sales
- **Products:** Alternative home and building construction materials, alternative home and building construction materials, window quilt insulating shades.
- **Address:** 10006 SW Canyon Road, Portland, Oregon USA 97225
- **Telephone:** 503-449-0527

## **solar7.83 design studio**

- **Business type:** Architectural design and education
- **Products:** Passive solar, alternative homes and buildings, earth sheltered homes .
- **Services:** Architecture, consulting
- **Address:** 2323 SE Tamarack Ave., Portland, Oregon USA 97214
- **Telephone:** 503-238-6613
- **FAX:** 208-361-6882

## **SolArchitecture**

- **Products:** Passive Solar residential & small commercial, alternative homes and buildings, reasonably priced i am a building designer (NOT AN ARCHITECT).
- **Address:** 434 SE Cleveland Ave., Bend, Oregon USA 97702□□
- **Telephone:** 541-383-3845

## **Solect Systems, Inc.**

- **Business type:** R&D to manufacturing of thin film coatings.
- **Products:** Photovoltaic modules, wind turbines (large), hydroelectric turbines (large), photovoltaic module mounting systems, electric vehicle components, photovoltaic systems, Thin Film Photovoltaic Roofing Products.
- **Address:** PO Box 9157, Bend , Oregon USA 97708
- **Telephone:** 541-330-2655
- **FAX:** 501-617-1026

## **Solect Wind Systems R&D**

- **Business type:** Manufacturer, exporter
- **Products:** Wind turbines (large), wind turbines (large), solar electric power systems, wind energy systems (small).
- **Services:** Consulting, design, installation, construction, engineering, project development services, education and training services, research services, site survey and assessment services, financial services, contractor services, maintenance and repair services, testing services
- **Address:** 63027 Lower Meadow Drive #3, Bend, Oregon USA 97701
- **Telephone:** 541-330-2655
- **FAX:** 541-617-1026

## Sparta Solar Systems

- **Business type:** Retail sales
- **Products:** Solar water pumping systems, photovoltaic modules, DC to AC power inverters, wind energy system components (small), battery charge controllers, DC to DC power converters.
- **Address:** 3780 10th St., Baker City , Oregon USA 97814
- **Telephone:** 541-523-3104

## Strategywise Energy Solutions

- **Products:** Cogeneration systems, biomass energy systems, hybrid power systems, solar electric power systems.
- **Services:** Consulting, design, engineering, project development services, education and training services, research services, site survey and assessment services, financial services
- **Address:** PO Box 775, Marcola, Oregon USA 97454
- **Telephone:** 541-933-2027

## SunEnergy Power Corporation

- **Business type:** Commercial Solar PV Installations
- **Address:** 1133 NW Wall Street, Suite 305, Bend, Oregon USA 97701
- **Telephone:** 503-922-1548
- **FAX:** 503-922-1552
