

## Huret Associates, Inc.

*Huret Associates, Inc. has over 40 years of Senior Management experience in the battery industry. HAI consults for clients with battery applications, charging battery materials, market research, seminars, strategic planning, expert witness, and general management issues.*

- **Business type:** Service, consulting (Consultant)
- **Products:** Consumer electronics batteries, lithium ion batteries, lithium polymer batteries, nickel metal hydride batteries, rechargeable batteries, backup power systems, cellular batteries, notebook batteries, power tool batteries, sealed lead batteries, nickel cadmium batteries, primary batteries, secondary batteries, battery charging.
- **Services:** Battery Consulting & Business Management
- **Address:** 484 Kings Road, Yardley, Pennsylvania USA 19067
- **Telephone:** 215-369-1544
- **FAX:** 215-493-8455
- **Web Site:** <http://www.huret.com>

## Mountain View Solar and Wind

*Renewable energy systems, sales, installation and service. Weatherization consulting and mitigation services. Will provide services in a fifty mile radius. Call today for a renewable energy analysis and let us show you your home energy options.*

- **Business type:** Green Builders, renewable energy assessment, and weatherization
- **Services:** Consulting, installation, construction, site survey and assessment services, contractor services
- **Address:** 15 Greenway Dr. , Berkeley Springs, West Virginia USA 25411
- **Telephone:** 304-258-4320
- **Web Site:** <http://mtvsolar.com>

## Edwards Builders, Inc

### *Solar Clean Energy Systems*

- **Products:** Solar roofing systems.
- **Services:** Consulting, installation, construction, contractor services
- **Address:** 50 Abby Road, Avondale, Pennsylvania USA 19311
- **Telephone:** 610-350-8666
- **FAX:** 484-720-8082
- **Web Site:** <http://www.edwardsbuilders.com>

## TUDI Mechanical Systems

*TUDI Mechanical Systems is a heating, cooling and plumbing firm known for delivering value and providing energy-saving solutions for its customers. TUDI serves the commercial, industrial and residential markets. Founded in 1987, TUDI has been named Western Pennsylvania's HVAC Specialty Contractor, Subcontractor of the Year and the Excellence in Construction Award for multiples years. The company headquarters are in McKees Rocks, Pennsylvania with a branch location in Tampa, Florida.*

- **Business type:** Contractor
- **Products:** Geothermal energy systems, solar thermal energy.
- **Services:** Consulting, design, installation, engineering, project development services, maintenance and repair services
- **Address:** 343 Munson Avenue, McKees Rocks, Pennsylvania USA 15136
- **Telephone:** 412-771-4100
- **FAX:** 412-771-7737
- **Web Site:** <http://www.tudi.com/mechanical-contractor-services.php>

## [Penn Renewables Inc.](#)

*Penn Renewables Designs, Installs, and Maintains Solar Photo Voltaic, Solar Thermal, Geo-Thermal, Wind Turbine, and Battery Backup Systems.*

- **Products:** Renewable energy systems, solar electric power systems, solar water heating systems, backup power systems, photovoltaic systems, wind energy systems, Consult, Design, Install, Maintain Photo Voltaic, Geo-Thermal, Solar Thermal, Wind Turbines.
- **Services:** Consulting, design, installation, engineering, project development services, site survey and assessment services, maintenance and repair services
- **Address:** Quakertown, Pennsylvania USA 18951
- **Telephone:** 1-877-348-2270
- **Web Site:** <http://www.pennrenewables.com>

## [Energy Without Borders](#)

*Energy Without Borders: Solar Power, wind power and all clean renewable energy projects, products, resources, marketing, sales, innovations & information providers for clean energy & efficiency solutions locally & globally. Solar training, Green Jobs, education and all things alternative energy, sustainability, green building technologies and materials and sourcing.*

- **Business type:** Retail sales, wholesale supplier, global resource and project developers
- **Products:** Photovoltaic modules, solar water heating systems, photovoltaic systems, solar electric power systems, solar water pumping systems, solar roofing systems, solar energy systems.
- **Services:** Consulting, installation, project development services, education and training services, research services, site survey and assessment services
- **Address:** 527 Creek Rd, Doylestown, Pennsylvania USA 18901
- **Telephone:** 215-534-3889
- **FAX:** 215-230-0125
- **Web Site:** <http://energywithoutborders.com>

## Guerrera & Sons Electric, Inc.

*We design and install solar photovoltaic systems both grid-tied and stand-alone systems 1-100kW. Sales, installation and service of emergency standby generator systems. Factory Authorized by Kohler, Briggs & Stratton, Generac, Guardian, GE and Eaton for the sale, service and installation of standby generators.*

- **Business type:** Solar electric installations, solar energy installation, generator installations, parts
- **Products:** Solar electric power systems, photovoltaic systems, backup power systems, Generators, generator parts solar modules, racking, inverters, charge controllers.
- **Services:** Solar energy installation, contractor services, maintenance and repair services
- **Address:** 3 Pennsylvania Avenue, Malvern, Pennsylvania USA 19355
- **Telephone:** 610-644-8501
- **FAX:** 610-644-8521
- **Web Site:** [www.guerreraelectric.com](http://www.guerreraelectric.com)

## Sunrise Source Incorporated

*Sunrise Source Incorporated is a Global distributor of high quality Solar Photovoltaic equipment at the lowest prices available in the USA and abroad. We specialize in manufacturing components required for Solar Energy Generating projects and other Renewable Energy and Environmentally friendly technologies.*

- **Business type:** Manufacturer, wholesale supplier, exporter, importer
- **Products:** Photovoltaic modules, photovoltaic systems commercial, solar water heating systems, sun concentrating photovoltaic systems, wind power plants, photovoltaic modules thin film.
- **Services:** Consulting, design, project development services
- **Address:** 4759 Huckleberry Road, Orefield, Pennsylvania USA 18069
- **Telephone:** 1-484-241-8549
- **Web Site:** <http://importsolar.com>

## Sunpower Builders

*Now in our fourth decade of serving the Delaware Valley, we are dedicated to the principles of quality, integrity and craftsmanship. We help people design beautiful, efficient homes while creating a more sustainable future one project at a time. Our projects include: Historic Restorations and Reproductions; Farmhouse Restorations; Residential Additions and Renovations; Passive and Active Solar Homes; and Solar System Installations.*

- **Business type:** Design, Installation and Construction
- **Products:** Green and EcoLogical Design. Design and installation of solar electric (PV) systems, pool heating systems, solar hot water systems and radiant heating systems. SunPower is a certified dealer/installer for: GE, Uni-Solar, Sharp, Aquatherm, Heliodyne and more. .
- **Services:** Solar Electric, Hot Water, Pool and Radiant Floor Heating Systems
- **Address:** 80 Pechins Mill Road, Collegeville, Pennsylvania USA 19426
- **Telephone:** 610-489-1105
- **FAX:** 610-489-6608
- **Web Site:** <http://www.sunpowerbuilders.com>

## K. C. Larson Inc.

*K.C. Larson Inc. is a mechanical and electrical construction company that has been servicing the industrial and commercial market of northern and central Pennsylvania since 1984. In 1999, we broadened our experience and technology into alternate energy. Currently we offer 400W to 50KW wind turbines, photovoltaic panels, solar hot water panels, and heat pump water heaters. We are a full service contractor who can provide you and your project with everything from consulting service, system design, parts and equipment, and installation of a complete system for residential, commercial, or industrial use. If you have any questions, or would like more information, please call or email our office.*

- **Business type:** Retail sales
- **Products:** Air heating systems, solar electric power systems, solar pool heating systems, solar water heating systems, hydro energy systems (small), wind turbines, PV panels, inverters.
- **Services:** Consulting, design, installation, construction, contractor services, maintenance and repair services
- **Address:** 97 Eck Circle, Williamsport, Pennsylvania USA 17701
- **Telephone:** 570-329-1441
- **FAX:** 570-321-5439
- **Web Site:** <http://www.kclarson.com>

## (SES) Stewartstown Electrical Service, LLC

*Here at SES we aim to be the best in customer service and on the cutting edge of technologies applicable to the South-Central Pennsylvania area. Our goals are to provide Timely, Quality & Reasonably Priced ELECTRICAL, SOLAR, WIND, GENERATOR, ADT HOME SECURITY, and POWER FACTOR CORRECTION services for RESIDENTIAL, SMALL BUSINESS, and COMMERCIAL applications. We offer a turn-key process from first contact, and a FREE home site survey, to system design, project development, and installation. We will also discuss funding, Federal tax credit, and State Rebate options. For more information look us up on the web at*

- **Business type:** Electrical, Solar, Wind, Generators, ADT Home Security, Energy Conservation
- **Products:** Solar electric power systems, photovoltaic systems, wind energy systems (small), radiant heating systems, Power-Factor Correction Systems, Drain Water Heat Recovery Systems.
- **Services:** Sales, design, installation, construction, project development services, contractor services, maintenance and repair services
- **Address:** 19755 Five Forks RD, New Freedom, Pennsylvania USA 17349
- **Telephone:** 717-993-5900
- **FAX:** 717-993-5882
- **Web Site:** <http://www.ses-pa.com>

## Advanced Electrical Solutions

- **Business type:** Master electrician / solar & alternative energy installer
- **Products:** Solar electric power systems, backup power systems, wind power plants, LED lighting, alternative homes and buildings, building integrated photovoltaic systems, Full Service Master Electricians.
- **Services:** Contractor services
- **Address:** 612 N. Hoffert St. , BETHLEHEM, Pennsylvania USA 18015
- **Telephone:** 484-221-2968
- **FAX:** 610-866-3993
- **Web Site:** [advancedelectricalsolutions.biz](http://advancedelectricalsolutions.biz)

## [Advanced Solar Industries LLC](#)

*Since 1994 we have been installing Solar Energy Systems. Let our experience and professional expertise assist you or your company in the Design and Installation of your next Solar project. Customer satisfaction is highest priority*

- **Business type:** Retail sales
- **Products:** Backup power systems, DC to AC power inverters, solar electric power systems, solar collectors evacuated tube, solar water pumping systems, LED lighting, Wind Energy Systems.
- **Services:** Consulting, design, installation, project development services, contractor services
- **Address:** 3530 West Newport Road, Ronks, Pennsylvania USA 17572
- **Telephone:** 717-768-8500
- **FAX:** 717-768-7266
- **Web Site:** <http://www.advancedsolarindustries.com>

## [EnergyPeak](#)

*Nationwide BIPV Solar Roofing Distributor and Integration/Engineering Services provider to over 50% of the North American Standing Seam Metal Roofing industry. 72-hour ROI turnaround with complete design and feasibility report, including all weather/climate modeling, time-series PV power analysis, and all Fed/State/Local-utility based incentives.*

- **Business type:** Manufacturer, retail sales, wholesale supplier
- **Products:** Solar roofing systems.
- **Services:** Design, installation, construction, engineering, project development services, site survey and assessment services, architectural design services, testing services
- **Address:** 1005 Beaver Grade Rd. , Moon Township, Pennsylvania USA 15108
- **Telephone:** 412-299-8260
- **FAX:** 412-299-8050
- **Web Site:** <http://www.energypeak.com>

## Inno Infra

*For a Sense of What Can Be that leads to A Realization of All That Is Possible*

- **Business type:** Retail sales, wholesale supplier, exporter
- **Products:** Alternative home and building construction materials, alternative homes and buildings, earth sheltered homes and buildings, building integrated photovoltaic systems, energy efficient homes and buildings, air heating systems, Carbon neutral buildings of Innovation, in energy consumption, green building materials and green Broadband.
- **Services:** Consulting, design, installation, construction, engineering, project development services, education and training services, research services, site survey and assessment services, recycling services, testing services
- **Address:** 37 W. Shore, RR2 Box 89E, Lakeside, Pennsylvania USA 18834
- **Telephone:** 607-239-1711
- **FAX:** 607-785-9142
- **Web Site:** <http://www.homeaway.com/search/keywords:171407>

## Jolico Solar Power

*Design, consulting and sales of domestic solar hot water heating systems. Dealer for Apricus solar hot water heating systems for residential/business applications*

- **Business type:** Retail sales
- **Products:** Solar domestic hot water heating systems.
- **Services:** Consulting, design, project development services
- **Address:** 134 Jolico Road, Somerset, Pennsylvania USA 15501
- **Telephone:** 814-445-4520
- **Web Site:** <http://www.jolicosolarpower.com>

## Quantus Energy

*Residential, commercial, and industrial installation and distribution of renewable energy systems. Specializing in demand reduction matching systems power output.*

- **Business type:** Retail sales, wholesale supplier, exporter, importer
- **Products:** Solar electric power systems, PV, Modules, Inverters, energy efficient homes and buildings, solar street light, fluorescent light bulbs, solar thermal systems, parabolic solar dish.
- **Services:** Project development services, education and training services, site survey and assessment services, contractor services
- **Address:** 938 Cornwallis Drive, West Chester, Pennsylvania USA 19380
- **Telephone:** 610-999-9917
- **Web Site:** <http://quantusenergy.com>

## Rooftop Solar Solutions LLC

*Serving Montgomery, Delaware, Chester, Bucks and Phila. Counties in Pennsylvania Pa. Grant application assistance available*

- **Business type:** Solar PV Design & Installation
- **Products:** Solar electric power systems, solar roofing systems.
- **Services:** Consulting, design, installation, construction, site survey and assessment services, contractor services
- **Address:** 311 Lenox Road, Havertown, Pennsylvania USA 19083
- **Telephone:** 610-449-8188
- **Web Site:** <http://www.rooftopsolarsolutions.com>

## Simcox Electric LLC

*We install and service grid-tied photovoltaic (solar) systems on houses and small commercial buildings. Call us today to answer your questions about how these systems can save you money and make your house more Eco freindly.*

- **Products:** Photovoltaic systems, cogeneration systems, Grid-tied Photovoltaic systems.
- **Services:** Construction, contractor services
- **Address:** 1064 Flora In, Boothwyn, Pennsylvania USA 19061
- **Telephone:** 484-571-6349
- **Web Site:** <http://www.simcoxelectric.com>

## Skinner Power Systems, L. L. C.

- **Business type:** Manufacturer
- **Products:** Steam turbine electric generators, packaged power systems, cogeneration systems, water pumps, packaged power systems.
- **Address:** 8214 Edinboro Road, Erie, Pennsylvania USA 16509
- **Telephone:** 1-887-868-8577
- **FAX:** 1-814-868-5299
- **Web Site:** <http://www.skinnerpowersystems.net>

## Solardelphia

*Solardelphia is a full-service provider of solar and wind energy technology, equipment, and services. We provide everything from consulting services, system design and equipment to turnkey sustainable energy systems for your home, office, school or government facility.*

- **Business type:** Renewable Energy System Contractor
- **Products:** Solar Electric Power Systems (Photovoltaics).
- **Services:** Consulting, design, installation, construction, project development services, education and training services, site survey and assessment services, architectural design services, contractor services, testing services, renewable energy engineering
- **Address:** Mechanicsville Rd, Carversville, Pennsylvania USA 18913
- **Telephone:** 215-257-1718
- **FAX:** 267-293-0188
- **Web Site:** <http://www.solardelphia.com>

## South Hills PC

*South Hills PC can handle most any I.T. need faced by both residential home users and small to medium business alike. We are the areas leaders in affordable onsite computer diagnostics and repair, charging only a fraction of the cost of those 'other guys'.*

*Located in South Hills, Pa., we are ready to address all of your computer needs.*

*\* OnSite Home & Office Computer Repairs & Upgrades \* OnSite Virus Removal \* OnSite Home & Office Network Installations \* Wireless \* Remote Computing / Virtual Private Network Solutions \* Wireless & Wired Network Security \* Network Security Audits \* Web Design \* Marketing / Advertising \* Physical Security Audits \* Web Server / Domain Name Server Setups \* POS ...*

- **Products:** Computer and electronic components, computer software.
- **Services:** Consulting, design, installation, site survey and assessment services, maintenance and repair services, testing services
- **Address:** Tudor Dr, Belle Vernon, Pennsylvania Us 15012
- **Telephone:** NA
- **Web Site:** <http://www.SouthHillsPC.com>

## **American Governor**

- **Business type:** Manufacturer
- **Products:** Hydro energy system components (small), hydro energy system components (large), hydro energy systems (large), hydro energy systems (small), Governor Parts, Digital Governor Upgrades, Unit & Plant Automation, Gate Positioners. Supports governors from all manufacturers including Woodward Governor, Pelton, Allis Chalmers, Voith, Lombard..
- **Address:** 76 Steamwhistle Drive, Warminster, Pennsylvania USA 18974
- **Telephone:** 610-724-3144 or 215-354-1144
- **FAX:** 215-354-1782

## Batteries Plus

- **Business type:** Batteries Plus is a manufacturer/wholesale supplier OEM battery packs
- **Products:** BatteriesPlus. Batteries Plus offers batteries, and battery packs, for all applications. Lithium Phosphate, Lithium Ion (li-ion) batteries, lithium polymer (lith-poly) batteries, LiFe Battery military-spec. batteries, battery components, OEM, custom battery assemblies, or a custom design you require for testing and/or prototypes. We stock a full line of Ascent Battery Supply items including: Werker battery and Nuon battery brands. Ascent Battery Supply, Qualtech Battery. Batteries Plus is your complete solution for rayovacdirect. com batteries, chargers, and battery related items. Direct supplier of Verizon Fios Battery(s). .
- **Services:** Batteries Plus custom designs batteries and battery packs/Laptop batteries
- **Address:** 3912 Library Road, Pittsburgh, Pennsylvania USA 15234
- **Telephone:** 412-366-3600
- **FAX:** 412-531-0390

## BATTERY SYSTEMS, INC.

- **Products:** Backup power systems, uninterruptible power supplies UPS, rectifiers, inverters, sealed lead acid batteries, flooded lead acid batteries, telecommunication batteries, Switchgear batteries, Nickel Cadium Batteries, Lead Calcuim Batteries, Telecom Power Systems, Battery Chargers, .
- **Address:** 490 Crile Road, Washington, Pennsylvania USA 15301
- **Telephone:** 724-228-7500

## Belmont Solar

- **Products:** Photovoltaic systems, DC lighting, batteries deep cycle, battery components, solar thermal energy.
- **Services:** Installation, maintenance and repair services
- **Address:** 98 Londonvale RD, Gordonville, Pennsylvania USA 17529
- **Telephone:** 717-768-7796

## **Blackwater Environmental Services, LLC**

- **Products:** Wind energy assessment equipment, wind energy systems (large), wind energy systems (small).
- **Services:** Consulting, project development services, education and training services, site survey and assessment services
- **Address:** PO Box 44212, Pittsburgh, Pennsylvania USA 15205
- **Telephone:** 412-922-5475
- **FAX:** 412-922-5475

## **Brockway Development Association**

*We are currently establishing a development association in our community. This group of men and women will be a nonprofit organization devoted to creating jobs in our area . Our geological location is in the state of Pennsylvania . My reason for sending this message is to inquire if your organization would have expansion plans to build a manufacturing facility to produce components or possibly assemble wind turbines in our area. If it is your wish we could send you a asset inventory of this location. We believe there is a great future for wind power in the world and our community would like to become part of this growth. We sincerely hope to hear from you Bruce A Miller local citizen BAMBAM@penn.com 814-265-8484*

- **Business type:** Nonprofit organization
- **Products:** Wind energy system components (large).
- **Address:** RR3 BOX 978 , Brockway, Pennsylvania USA 15824
- **Telephone:** 814-265-8484

## **Burriss Water Technologies**

- **Products:** Water filtering and purification systems, waste treatment systems.
- **Address:** 194 Lindenwood Dr, Exton, Pennsylvania USA 19341
- **Telephone:** 610-451-8964

## **Carroll Energy Solutions**

- **Products:** Energy efficient homes and buildings.
- **Services:** Consulting
- **Address:** 4410 Main Street; Ste B, Philadelphia, Pennsylvania USA 19127
- **Telephone:** 215-990-4140

## **Construction Applications of Renewable Energy Llc**

- **Business type:** Retail sales
- **Products:** Energy efficient homes and buildings.
- **Services:** Consulting, design, installation, construction, project development services
- **Address:** 429 Bernheisel Bridge Rd, Carlisle, Pennsylvania USA 17015
- **Telephone:** 717-903-1247

## **Control Alt Energy, LLC**

- **Business type:** Retail sales
- **Products:** Solar thermal energy, photovoltaic systems, wind energy systems (small), hydro energy systems (small).
- **Services:** Consulting, design, installation, contractor services
- **Address:** 89 E Deerview Dr, Auburn, Pennsylvania USA 17922
- **Telephone:** 570-754-0053

## **Creative Power Resources, Inc.**

- **Products:** Power conditioning equipment, power conversion equipment, battery chargers, DC to DC power converters, DC to AC power inverters, solar charge controllers.
- **Services:** Consulting
- **Address:** 667 Sourwood Drive, Hatfield, Pennsylvania USA 19440
- **Telephone:** 215-362-0258

## **Cross River Solar and Environmental Construction, LLC.**

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, solar water heating systems, solar pool heating systems, radiant heating systems, heat pumps, solar attic vents, natural daylighting products.
- **Services:** Consulting, design, installation, construction, project development services, site survey and assessment services, financial services, contractor services
- **Address:** Easton, Pennsylvania USA 18042
- **Telephone:** 201-602-7925

## Delta T Geothermal

- **Products:** Geothermal energy systems, heat pumps.
- **Address:** 10520 US RT 6N, Albion, Pennsylvania USA 16401
- **Telephone:** 1-888-433-5828

## East Coast Solar, Inc.

- **Business type:** Retail sales, wholesale supplier
- **Products:** Solar water heating systems, solar water pumping system components, water heating systems, solar electric power systems.
- **Services:** National Sales
- **Address:** 2122 Walnut Bottom Rd, Carlisle, Pennsylvania USA 17015
- **Telephone:** 717-609-2681

## Eco-merica Consulting & Construction

- **Products:** Solar electric power systems, solar attic vents, photovoltaic systems, photovoltaic modules, solar attic vents.
- **Services:** Consulting, design, installation, construction, engineering, project development services, contractor services, maintenance and repair services
- **Address:** 121 Meadow Ln, Richboro, Pennsylvania USA 18954
- **Telephone:** 215-322-0476
- **FAX:** 215-322-0750

## Electric Cyc-Line of the Carribean

- **Business type:** Exporter, importer, , ,
- **Products:** Electric vehicle batteries, alternative fuel vehicles, electric bicycle components, electric motorcycles, earth sheltered homes and buildings, telecommunications power systems, CPE Telephone & Mobile Repeater Radio Equipment - Telecommunications.
- **Address:** 2820 Highland, Warrington, Pennsylvania USA 18976
- **Telephone:** 215-918-2821
- **FAX:** 215-918-2813

## Energy Audits & Solutions

*All Phases of Alternative Energy. We design, install, service existing, and offer consulting.*

- **Business type:** Retail sales
- **Products:** Alternative homes and buildings, combined heat and power systems residential, earth sheltered homes and buildings, energy efficient homes and buildings, geothermal energy systems, photovoltaic systems, Wind, Solar Thermal Domestic Hot Water, Solar Photovoltaic, Geo Thermal, Solar Thermal Space Heat.
- **Services:** Consulting, design, installation, construction, project development services, research services, contractor services, maintenance and repair services
- **Address:** 316 South High St. , Mechanicsburg, Pennsylvania USA 17055
- **Telephone:** 717-602-5684

## Energy Efficiency Today

- **Products:** Energy efficient homes and buildings, energy efficient lighting, alternative home and building construction materials, fluorescent lighting, LED lighting, solar water heating systems, Home performance testing and evaluations.
- **Services:** Consulting, installation, construction, contractor services, maintenance and repair services, testing services
- **Address:** Warrington, Pennsylvania USA 18976
- **Telephone:** 1-877-Today-10

## Energy Options and Construction

*We can help you create a completely self sufficient homestead including building; energy production; intensive food production without outside inputs; water sourcing/treatment/storage/distribution; and self generating transport. We cater to self reliant folks.*

- **Business type:** Manufacturer, retail sales
- **Products:** Uninterruptible power supplies UPS, alternative homes and buildings, backup power systems, batteries lead acid deep-cycle, batteries lead acid flooded, solar electric power systems, NiFe Batteries, LED lighting, PV modules/systems, Remote power systems, Radiant heat systems, Solar attic vents, charge controllers, collectors (flat plate @ evacuated tube), hot water heating systems, lighting, pool heating, thermal, water pumping systems, tubular skylights, water filtration/purification, water storage.
- **Services:** Consulting, design, installation, construction, engineering, project development services, research services, site survey and assessment services, architectural design services, contractor services, maintenance and repair services
- **Address:** 1755 Coon Road, Aspers, Pennsylvania USA 17304
- **Telephone:** 717-677-6721

## Eos Energy Solutions

- **Products:** Photovoltaic systems.
- **Services:** Consulting, design, installation, financial services
- **Address:** 2206 Mount Vernon Street, Philadelphia, Pennsylvania USA 19130
- **Telephone:** 215-787-9999

## Epoch Solar Innovations

- **Business type:** Retail sales, design and installation
- **Products:** Photovoltaic systems.
- **Services:** Design, installation, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 1632 Laura Lane, Pottstown, Pennsylvania USA 19464
- **Telephone:** 484-524-8812
- **FAX:** 484-524-8812

## Exact Solar

- **Business type:** Retail sales
- **Products:** Solar water heating systems, solar pool heating systems, photovoltaic systems, solar thermal energy, solar collectors flat plate, solar collectors evacuated tube.
- **Services:** Consulting, installation, maintenance and repair services Free consultation!
- **Address:** 1655 Fairfield Road, Yardley, Pennsylvania USA 19067
- **Telephone:** 267-825-0918
- **FAX:** 206-202-1031

## Fitch Consulting

- **Business type:** Retail sales, Wholesale supplier, Direct Importer.
- **Products:** Solar space and water heating systems. 20 Tube evacuated tube solar thermal collector. 30 Tube evacuated tube solar thermal collector. Solar differential temperature controllers, pumps, Armaflex pipe insulation, underground polyurethane insulated copper pipe, etc. also available..
- **Services:** North American Distributor, Design and Consulting, local installation.
- **Address:** 1072 Fowlersville Rd, Berwick, Pennsylvania USA 18603
- **Telephone:** 570-752-4827

## Gorilla Solar Company

- **Products:** Photovoltaic systems, solar electric power systems, batteries renewable energy system.
- **Services:** Design, installation, contractor services
- **Address:** 190 Meyers st. , East Stroudsburg, Pennsylvania USA 18301
- **Telephone:** 570-801-2458

## **Green Microfinance, LLC**

- **Business type:** Consulting, training, and research organization
- **Products:** Green Microfinance (GMf) seeks to link with renewable energy providers world-wide. We promote the use and distribution of renewable energy technologies, which helps reduce global warming, providing the poor with cleaner air and ultimately better health. During 2007, we intend to increase awareness of renewable energy technologies through our e-Knowledge Center (on-line database)..
- **Address:** 13 Mill Street, Phoenixville, Pennsylvania USA 19460
- **Telephone:** 610-415-9168
- **FAX:** 610-415-9168

## **Innovative Solar Heating and Power Installations, LLC**

- **Business type:** Retail sales
- **Products:** Solar water heating systems, backup power systems, solar pool heating systems, photovoltaic systems, solar collectors evacuated tube, solar electric power systems.
- **Services:** Consulting, design, installation, project development services, site survey and assessment services, maintenance and repair services
- **Address:** 1601 Elm Street, Lebanon, Pennsylvania USA 17042
- **Telephone:** 717-450-5251

## **Motors & Controls International**

- **Business type:** Manufacturer
- **Products:** Portable power systems, backup power systems, battery accessories, DC to AC power inverters, DC to DC power converters, wind energy system Inverters (large), Variable Speed Generators (VSG), AC Link Inverter.
- **Address:** 29 North Conahan Drive, Hazleton, Pennsylvania USA 18201
- **Telephone:** 570-450-5600

## Nautilus Water Turbine

- **Business type:** Manufacturer, exporter, importer
- **Products:** Hydroelectric turbines (small). Hydro energy systems (small). Low Head Francis and Propeller Microturbines. High Head turgo and Pelton Turbines. 500 watts up to 200 kw. Heads from 4ft (1m) to 18ft (5.5m) for small outputs up to 3 kw. High heads up to 200 ft at 200kw..
- **Services:** Consulting, design, site survey and assessment services, maintenance and repair services
- **Address:** 2131 Harmonyville Rd., Pottstown, Pennsylvania USA 19465
- **Telephone:** 610-469-1858
- **FAX:** 610-469-1859

## One Degree Group, LLC

- **Business type:** Importer
- **Products:** Solar electric power systems, solar lighting systems.
- **Services:** Consulting, design, installation, engineering, education and training services, site survey and assessment services, maintenance and repair services
- **Address:** Pennsylvania USA 19333
- **Telephone:** 215-717-8588

## One Degree Group, LLC

- **Business type:** Importer
- **Products:** Solar electric power systems, solar lighting systems.
- **Services:** Consulting, design, installation, engineering, education and training services, site survey and assessment services, maintenance and repair services
- **Address:** Pennsylvania USA 19333
- **Telephone:** 215-717-8588

## Paramedex, Inc. (LED.web.com)

- **Business type:** Retail sales, wholesale supplier
- **Products:** LED lighting.
- **Address:** 19 W. Water St., Muncy, Pennsylvania USA 17756
- **Telephone:** 570-546-5925

## **Pine Associates, Ltd.**

- **Business type:** Service
- **Services:** System design and consulting
- **Address:** 821 Collegetown Road, Collegetown, Pennsylvania USA 19426
- **Telephone:** 610-489-1475/0545
- **FAX:** 610-489-7057

## **Pure Energy Technology Inc**

- **Products:** Geothermal energy systems.
- **Services:** Engineering
- **Address:** HC 1 Box 39, Saylorsburg, Pennsylvania USA 18353
- **Telephone:** 570-856-4320

## **Shoener Environmental Consulting**

- **Products:** Wind power plants, wind energy systems (large), wind energy systems (small), wind energy assessment equipment.
- **Services:** Consulting, design, construction, engineering, project development services, education and training services, site survey and assessment services, contractor services
- **Address:** 239 Main St., Suite 301 , Dickson City, Pennsylvania USA 18519
- **Telephone:** 570-489-6920

## **Solair Energy, Inc.**

- **Business type:** Complete Green Energy Solutions: Renewable Systems Consulting, Design & Installation, Energy Conservation for Homes & Buildings
- **Products:** Photovoltaics, solar air collectors, radiant hydronic heat, solar water heating, a wide variety of wind energy turbines and towers, hydro energy (microhydro), DC to AC power inverters, backup power systems, geothermal, solar pool heating, solar water pumping, solar tubular skylights, solar attic fans, energy audits & contracting for energy efficient homes and buildings, including cellulose & spray foam insulation. We are dealers for a wide variety of renewable products and manufacturers. .
- **Services:** Equipment Sales, Installation, Site Surveys, Consulting, Energy Audits, Insulation, Weatherization, Financing Available
- **Address:** 2401 Reach Road, Williamsport, Pennsylvania USA 17701
- **Telephone:** 570-995-5747
- **FAX:** 570-995-9116

## Solar-Max Construction Services

- **Business type:** Retail sales
- **Services:** Consulting, design, installation, construction, financial services, contractor services
- **Address:** PO Box 67, Pocono Summit, Pennsylvania USA 18346
- **Telephone:** 570-656-0524
- **FAX:** 570-656-0524

## Solardelphia

- **Business type:** Renewable Energy System Contractor
- **Products:** Solar Electric Power Systems (Photovoltaics).
- **Services:** Consulting, design, installation, construction, project development services, education and training services, site survey and assessment services, architectural design services, contractor services, testing services, renewable energy engineering
- **Address:** Carversville, Pennsylvania USA 18913
- **Telephone:** 215-257-1718
- **FAX:** 267-293-0188

## Solaris Energy

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, solar water heating systems, wind turbines (large) vertical axis, wind turbines (small) vertical axis.
- **Services:** Consulting, design, installation, engineering, site survey and assessment services
- **Address:** 717 North second street, FL2, Philadelphia, Pennsylvania USA 19123
- **Telephone:** 267-254-4012

## Springhouse Energy Systems, Inc.

- **Products:** Photovoltaic systems, photovoltaic modules, solar water pumping systems, wind energy systems (large), wind energy systems (small), hybrid power systems, sales of photovoltaic modules, charge controllers, trackers, batteries, and inverters.
- **Services:** Consulting, design, installation, research services, site survey and assessment services
- **Address:** Rm. 412 Washington Trust Building, Washington, Pennsylvania USA 15301
- **Telephone:** 724-225-8685
- **FAX:** 724-228-5888

## Sumintra LLC

- **Products:** Solar electric power systems, solar water heating systems, water heating systems.
- **Services:** Consulting, design, installation, construction, engineering, project development services, contractor services
- **Address:** PO Box 7966, Philadelphia, Pennsylvania USA 19101
- **Telephone:** 267-241-7975
- **FAX:** 215-382-2345

## Sun-El Corporation

- **Business type:** Manufacturer
- **Products:** Hydronic radiant heating systems, solar water heating components.
- **Address:** 2223 Dailey Avenue, Latrobe, Pennsylvania USA 15650
- **Telephone:** 724-537-3600
- **FAX:** 724-537-8002

## SunEnergy Technologies, Inc.,

- **Business type:** Wholesale supplier, exporter, importer
- **Products:** Alkaline batteries, water pumps, solar outdoor lighting systems, photovoltaic modules, wind energy system components (large).
- **Services:** Consulting, installation, project development services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** P.O. Box 40588, Philadelphia, Pennsylvania USA 19101
- **Telephone:** 215-599-6914
- **FAX:** 215-965-7555

## Sunhaven Solar and Home Performance Testing

- **Business type:** Consulting and contracting
- **Products:** Audit and installation of photovoltaic systems. Home performance testing including infiltration using state-of-the-art blower door, moisture and heater efficiency..
- **Services:** Solar audits, home infiltration, moisture and heating audits, consulting, design, installation, contractor services
- **Address:** 5430 Laurens Street, Philadelphia, Pennsylvania USA 19144
- **Telephone:** 267-408-3340
- **FAX:** 215-988-0919

## SunLion Energy Systems, Inc

- **Business type:** Retail sales, installation, wholesale supplier
- **Products:** Photovoltaic module components, solar hot water, and wind generators, deep cycle batteries, DC to AC power inverters, compact fluorescent light bulbs, DC lighting. .
- **Address:** 2330 Dairy Rd, Lancaster, Pennsylvania USA 17601
- **Telephone:** 717-898-8700
- **FAX:** 717-898-8778

## Suntara Energy

- **Business type:** Manufacturer, retail sales, wholesale supplier, exporter
- **Products:** Wind energy systems (small), marine power systems, photovoltaic systems, lead acid batteries, hybrid power systems, hydro energy systems (small), energy efficient products for use with alternative energy systems; lighting, refrigerators, clothes washers, well pumps, etc..
- **Address:** 115 Evergreen Heights Drive, Pittsburgh, Pennsylvania USA 15229
- **Telephone:** 412-939-0377
- **FAX:** 412-415-7604

## SunTechnics Energy Systems

- **Business type:** Renewable Energy
- **Products:** Photovoltaic Systems, Solar Electric Power Systems, Solar Tracking Systems, Solar Water Weating Systems, Solar Water Pumping Systems.
- **Address:** 222 W. Lancaster Avenue, Suite 200, Paoli, Pennsylvania USA 19301
- **Telephone:** 610-647-3809
- **FAX:** 866-436-6114

## Sure Power, Inc.

- **Business type:** Retail sales, wholesale supplier
- **Products:** Uninterruptible power supplies UPS, backup power systems, emergency backup batteries, sealed lead acid batteries.
- **Address:** 617A. Grant Rd., Folcroft, Pennsylvania USA 19032
- **Telephone:** 610-583-9640

## Sustainable NEPA Business Directory

- **Products:** Computer software.
- **Address:** 6521 The Hideout, Lake Ariel, Pennsylvania USA 18436

### TekVal Int'l Inc.

- **Business type:** Retail sales, wholesale supplier, exporter, importer
- **Products:** Solar water heating systems, wind turbines (large) horizontal axis, wind turbines (small) horizontal axis, solar pool heating systems, solar water pumping systems, solar lighting systems, Solar Air-Conditioning systems.
- **Services:** Installation, engineering
- **Address:** 1730 Leechburg Rd. , Pittsburgh, Pennsylvania USA 15235
- **Telephone:** 412-798-3911 or 963 11 3343575
- **FAX:** 412-798-3912 / Ext 100

### Tribology Systems Inc

- **Business type:** Manufacturer, research institution, engineering
- **Products:** Custom-designed bearings, specialty bearings, flywheel energy storage devices. .
- **Services:** Bearing repair
- **Address:** 239 K Madison Ave, Warminster, Pennsylvania USA 18974
- **Telephone:** 610-466-7547
- **FAX:** 610-466-9594

### Walt Ratterman-TRC-Alternative Energy Group

- **Business type:** NABCEP Certified Solar PV Installer
- **Products:** We are designers and installers of stand alone and grid tied renewable energy systems - primarily solar systems. We also work increasingly in developing countries providing renewable energy solutions to remote villages through our association with Green Empowerment. ([www.greenempowerment.org](http://www.greenempowerment.org)).
- **Services:** Solar system design, procurement and installation
- **Address:** 501 Marstellar Road, New Park, Pennsylvania USA 17352-0289
- **Telephone:** 717-993-0403
- **FAX:** 717-993-0404

## Wenckus Energy, Inc.

- **Business type:** Energy consulting services and construction
- **Products:** Hydroelectric: specification writing, on site supervision, studies, troubleshooting, alignment specialists, operations and maintenance enhancements, pm plans, training!, consultation and engineering. wind: installation services.
- **Services:** On site supervision, project mgr., hydro services
- **Address:** 4881 Macks Road, Stewartstown, Pennsylvania USA 17363
- **Telephone:** 717-993-5726
- **FAX:** 717-993-5877
