

H2OSOLAR

H2O Solar installs and maintains solar hot water systems in the South Carolina Low Country. Located near Hilton Head Island, Savannah GA and Beaufort SC, we cover a large service area. Please call us at 843. 816. 0317

- **Business type:** Retail sales
- **Products:** Solar water heating components collectors evacuated tube.
- **Services:** Installation, maintenance and repair services
- **Address:** 418 Pinckney Colony Rd. , Bluffton, South Carolina USA 29909
- **Telephone:** 843-816-0317
- **FAX:** 843-757-2784
- **Web Site:** <http://h2osolar.net>

ARC Renewables, LLC

Green field developers of Wind, PV Solar and CSP Thermal Solar facilities. Primary concentration 1MW to 5MW solar projects; 20MW to 300MW wind projects.

- **Products:** Wind energy systems (large), wind energy systems (small), solar electric power systems, solar thermal electric power systems, photovoltaic systems, biomass energy systems.
- **Services:** Consulting, project development services, site survey and assessment services
- **Address:** 131 Jupiter Lane, Summerville, South Carolina USA 29483
- **Telephone:** 843-851-2505
- **Web Site:** <http://www.arc renewables.com>

Integrated Power Services

Integrated Power Services (IPS) is the nation's leading independent power services provider. We offer industrial motor and generator repair services, field services and product sales on a local, regional and national scale, delivering coast-to-coast reliability to companies that demand more from their rotating assets.

- **Products:** Cogeneration systems, hydro energy system components (large), wind power plants, wind energy system components (large), water pumps, wind energy system components (small), AC & DC motors and generators.
- **Services:** Maintenance and repair services
- **Address:** 3 Independence Pointe, Ste 100, Greenville, South Carolina USA 29615
- **Telephone:** 864-451-5600
- **FAX:** 864-451-5601
- **Web Site:** <http://www.integratedpowerservices.com>

AESOP Energy Options

Provider of alternative energy and conservation

- **Business type:** Retail sales
- **Products:** Solar water heating systems, photovoltaic systems, solar attic vents, LED lighting, tubular skylights, solar water heating components.
- **Services:** Consulting, design, installation, education and training services, site survey and assessment services, maintenance and repair services
- **Address:** 113 Hampton St. , Rock Hill, South Carolina USA 29730
- **Telephone:** 803-328-9888
- **FAX:** 803-328-9827
- **Web Site:** <http://www.aesopsolar.com>

EcoBilt Energy Systems

EcoBilt Energy Systems is an alternative energy systems provider dedicated to facilitating the implementation of clean technologies for residential and commercial facilities. Whether it be solar photovoltaics(PV), solar thermal, wind energy, Micro-Hydroelectric, remote power sites or marine applications, we work closely with our clients from the feasibility stage to system installation to insure each system is designed to meet specific client needs. We are happy to provide complimentary on-site evaluations to those seeking the benefits of renewable energy.

- **Address:** 84 Colleton Drive, Charleston, South Carolina USA 29407
- **Telephone:** 843-737-5763
- **FAX:** 843-737-5763
- **Web Site:** <http://www.ecobiltenergy.com>

Environmental Solar Industries, LLC.

Environmental Solar Industries, LLC. is dedicated to bringing renewable energy to the Low country region of South Carolina. We are committed to the highest standards of performance in design, installation, and customer service. When you decide that renewable energy is for you and your organization or family we are anxious to help. What we do ESI designs, sells, and integrates renewable energy systems for commercial, municipal, and residential clientele. We offer solar and wind power components and turn-key systems for new or existing structures. Our only limits of size are your imagination and budget.

- **Products:** Solar electric power systems, wind energy systems (large), backup power systems.
- **Address:** PO Box 52001, Summerville, South Carolina USA 29485
- **Telephone:** 843-725-8623
- **FAX:** 801-981-7942
- **Web Site:** <http://lowcountrygreenpower.com>

Global Sun Solar

Photovoltaic system design and installation. Global Sun Solar offers turn key PV array installations. Please let us know how we can help. South Carolina is going GREEN! Call on us today. . . Thank you for considering Global Sun Solar.

- **Products:** Photovoltaic systems residential, photovoltaic systems commercial.
- **Services:** Consulting, design, installation, construction, engineering, project development services, education and training services, research services, site survey and assessment services, financial services, architectural design services, contractor services, maintenance and repair services, testing services
- **Address:** 910 Roundtree Rd, Effingham, South Carolina USA 29541
- **Telephone:** 843-292-9761 Cell 843-615-7628
- **Web Site:** <http://globalsunsolar.com/>

Tech Power group LLC

Sales and service of secure reliable power for DTA centers, hospitals, industry and Government

- **Business type:** Manufacturer, retail sales, wholesale supplier
- **Products:** Backup power systems, batteries lead acid sealed gelled, solar electric power systems, solar water heating systems, uninterruptible power supplies UPS, batteries emergency backup.
- **Services:** Consulting, design, installation, project development services, maintenance and repair services, recycling services
- **Address:** 137 Home Ave, Darlington, South Carolina USA 29532
- **Telephone:** 336-214-2843
- **FAX:** 202-658-7448
- **Web Site:** <http://www.techpowergroup.com>

Understanding Renewable Energy

Custom Photovoltaic Design and Fabrication facility. Let our experience and facilities supply your special solar energy applications. Our expertise has helped Universities prepare for competition while providing solar modules to the private sector.

- **Business type:** Manufacturer
- **Products:** Photovoltaic modules, photovoltaic module components, photovoltaic module mounting systems, photovoltaic cells.
- **Services:** Consulting, design, engineering, project development services, research services
- **Address:** 3134 Kelleytown Rd., Hartsville, South Carolina USA 29550
- **Telephone:** 843-383-5599

Alternative energy Systems

- **Business type:** Retail sales
- **Products:** Photovoltaic module components, solar water heating systems, solar pool heating systems, solar street lighting, batteries renewable energy system, Efficiency.
- **Services:** Consulting, design, installation, site survey and assessment services
- **Address:** 3655 Rivers Ave, North Charleston, South Carolina USA 29405
- **Telephone:** 843-747-0047
- **FAX:** 843-747-0048

Bryan Plumbing Co., Inc.

- **Products:** Military batteries.
- **Address:** 214 Bennington Circle, Columbia, South Carolina USA 29229
- **Telephone:** 803-865-5700

Clean and Dry, LLC

We are a complete solar systems company and do energy audits with thermal imaging equipment.

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, solar water heating systems, solar air heating systems.
- **Services:** Consulting, design, installation, construction, engineering, project development services, contractor services, maintenance and repair services
- **Address:** 108 Carnes Blvd. , Summerville, South Carolina USA 29483
- **Telephone:** 843-296-6382
- **FAX:** 843-851-3378

Eccotemp Systems, LLC

- **Business type:** Manufacturer
- **Products:** Tankless water heating systems, HWHP air source heat pump water heaters.
- **Address:** 315 Industrial Road, Summerville, South Carolina USA 29483
- **Telephone:** 866-356-1992
- **FAX:** 843-875-4230

Elemental Design Group

- **Business type:** Retail sales
- **Products:** Solar water heating systems, photovoltaic systems, wind power, water recovery units.
- **Services:** Consulting, design, installation, project development services, contractor services, maintenance and repair services
- **Address:** 611 N. Palmetto St., Summerville, South Carolina USA 29483
- **Telephone:** 843-270-6895

Environmental Solar Industries, LLC.

- **Business type:** Retail sales
- **Products:** Solar electric power systems, wind energy systems (large), remote home power systems, photovoltaic systems, wind energy systems (small).
- **Services:** Consulting, design, installation, construction, engineering, project development services, education and training services, research services, site survey and assessment services, financial services, contractor services, maintenance and repair services, testing services
- **Address:** PO Box 80876, Charleston, South Carolina USA 29416
- **Telephone:** 843-725-8623
- **FAX:** 901-981-794

Ford, Bacon & Davis LLC

- **Products:** Cogeneration systems, biomass energy boilers, steam turbine electric generators.
- **Address:** 481 Garlington Road; Suite H, Greenville, South Carolina USA 29615
- **Telephone:** 864-254-5510

Free Energy LLC

- **Business type:** Retail sales, wholesale supplier, exporter
- **Products:** Alternative home and building construction materials, photovoltaic systems, portable power systems, recreational vehicle power systems, marine power systems.
- **Services:** Consulting, design, installation, construction, engineering, project development services, education and training services, research services, site survey and assessment services, financial services, contractor services, maintenance and repair services
- **Address:** 1935 Cosgrove Ave, North Charleston, South Carolina USA 29405
- **Telephone:** 843-740-9907
- **FAX:** 843-747-9906

National Power Corp.

- **Business type:** Master Distributor
- **Products:** Backup power systems, emergency backup batteries, packaged power systems, telecommunications power systems, uninterruptible power supplies- UPS, DC to AC power inverters, dc-dc converters, utility/industrial/telecom battery chargers, TVSS/Lightning Protection, Outdoor enclosures, Generators, Power Management/Critical Environment Monitoring, Equipment Racks, Power Distribution Units/Modules, Starline Busway, etc. Services: Install, Maintenance, Ground Audits, Ground Ring Install, Power Quality Audits. .
- **Services:** Consulting, generator service, battery & UPS service, Turnkey Installations
- **Address:** 2180 Carolina Place Rd, Suite 111, Fort Mill, South Carolina USA 29708
- **Telephone:** 803-548-1672, x-6927
- **FAX:** 803-548-1724

North American Biomass Corporation

- **Business type:** Brokerage
- **Products:** Biomass Product (E-Grass)
- **Address:** 101 Westpark Blvd., Suite A, Columbia, South Carolina USA 29210
- **Telephone:** 803-561-0995
- **FAX:** 803-561-0506

Power Quality Solutions

- **Business type:** Wholesale supplier
- **Products:** Uninterruptible power supplies UPS, telecommunications power systems.
- **Address:** 1900 Heyward St., Columbia, South Carolina USA 29205
- **Telephone:** 803-758-5864
- **FAX:** 803-758-5865

Solar Heating Specialists

- **Business type:** Retail sales
- **Products:** Solar pool heating systems, solar water heating systems, solar electric power systems, solar air heating systems, solar tracking systems, tankless water heating systems.
- **Services:** Consulting, installation, engineering, project development services, contractor services, maintenance and repair services
- **Address:** 912 North Mountain St, Blacksburg, South Carolina USA 29702
- **Telephone:** 864-839-5552
- **FAX:** 864-839-5552

Solar Hot Water Works

- **Business type:** Retail sales, installation
- **Products:** Solar water heating systems.
- **Services:** Consulting, design, installation, site survey and assessment services, maintenance and repair services
- **Address:** 510 Sunset Dr. , Charleston, South Carolina USA 29407
- **Telephone:** 843-270-6895

Sunstore Solar

- **Business type:** Retail Sales, Wholesale Supplier, Design, Installation and Service.
- **Products:** Solar Pool Heating, Solar Water Heating, Solar Light Tubes, Solar Attic Fans, Solar Electricity, Solar Backup, Photovoltaic Systems, Solar Water Pumping, etc. .
- **Services:** Design, Installation, and Service
- **Address:** 3090 South Highway 14, Greer, South Carolina USA 29650
- **Telephone:** 864-297-6776
- **FAX:** 864-297-6776

Tablerock Technologies, LLC

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, solar thermal energy, solar pool heating systems, solar water pumping systems.
- **Services:** Consulting, design, installation, construction, project development services
- **Address:** 201 C Shady Grove Rd, Pickens, South Carolina USA 29671
- **Telephone:** 864-878-5540
- **FAX:** 864-878-5540

Tablerock Technologies, LLC

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, solar thermal energy, solar pool heating systems, solar water pumping systems.
- **Services:** Consulting, design, installation, construction, project development services
- **Address:** 201 C Shady Grove Rd, Pickens, South Carolina USA 29671
