

[Building Energy](#)

Building Energy provides solar system design, sales and installation for residential and commercial customers. Our products and services include solar photovoltaics, solar hot water, solar space heating, energy audits, weatherization and insulation, wood pellet boilers and daylighting products. Call us today for a free estimate 802-859-3384 or visit our store in Williston, Vermont.

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, solar water heating systems, wind energy systems (small), wood burning stoves and furnaces.
- **Services:** Design, installation, construction, contractor services
- **Address:** 1570 South Brownell Road, Williston, Vermont USA 05495
- **Telephone:** 802-859-3384
- **FAX:** 802-658-3982
- **Web Site:** <http://buildingenergyus.com>

[groSolar](#)

groSolar, (formerly Global Resource Options), is the premier provider of solar power products (PV, hot water, air heating), transforming the industry in scale and scope to comprehensive residential and commercial solar power systems. We provide sensible solutions allowing you to help us beat the Climate Crisis. groSolar educates you about energy and its impacts, and provides energy that you want. We provide high-value solutions, making your purchase as simple as possible. We want help each customer become an advocate for solar and the planet through the simple action of adding solar power. Our core values embody social justice, corporate leadership, and stewardship of the earth.

- **Business type:** Retail sales and installation, wholesale supplier
- **Products:** Solar power systems, solar water heating systems, solar air heating systems, renewable energy systems, photovoltaic systems, design engineering, zero energy / low energy building design. Residential, commercial, installation and distribution..
- **Services:** Consulting, design, installation, engineering, project development services, education and training services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 601 Old River Road Suite 3, White River Junction, Vermont USA 05001
- **Telephone:** 800-374-4494
- **FAX:** 802-295-4417
- **Web Site:** <http://www.groSolar.com>

Catamount Energy Corporation

Catamount Energy Corporation, a renewable energy company based in Vermont, has been in the business of providing cost-competitive electricity in the United States and Europe for over 15 years. Catamount's existing portfolio is fueled by a diverse mix of renewable energy and environmentally benign energy sources. Since 2001, Catamount has focused its experienced IPP team on developing wind projects in the U.S. and Europe.

- **Products:** Wind power plants.
- **Address:** 71 Allen Street, Suite 101, Rutland, Vermont USA 05701
- **Telephone:** 1-802-773-6684
- **Web Site:** <http://www.catenergy.com>

Bright Earth Solar

Bright Earth Solar is a small, locally owned renewable energy company that specializes in Design, Sales, Installation and Repair Services for Solar Electric and Solar Hot Water Systems in Vermont.

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, solar water heating systems, backup power systems.
- **Services:** Consulting, design, installation, site survey and assessment services, maintenance and repair services
- **Address:** PO Box 323, Shrewsbury, Vermont USA 05738
- **Telephone:** 802-492-2273
- **Web Site:** <http://www.brightearthsolar.com/>

Energy WorksLLC

Energy Works LLC. Experts in: Renewable Energy Resources and Geothermal Installation, Air Conditioning, Refrigeration, Indoor Air Quality, Gas Heating Repair and Installation. Service area includes Vermont and parts of NY. Visit our website <http://www.EnergyWorksVermont.com> for more details on our services.

- **Products:** Geothermal energy systems, air cooling systems, heat pumps, refrigerators and freezers, energy efficient homes and buildings, air heating systems, EPA Proctor.
- **Services:** Consulting, design, contractor services, maintenance and repair services
- **Address:** Po Box 101, Bennington, Vermont USA 05201
- **Telephone:** 802-771-7443
- **Web Site:** <http://www.energyworksvermont.com>

Houseneeds

Offers Radiant Heat PEX Tubing, Tankless Water Heaters, Gas Boilers, Oil Boilers and Propane Boiler and Solar Heating Systems and Solar Panels. Also, supply whole house water treatment, whole house fans, Hydronic Heating Supplies, Wood Stoves and Gas Fireplaces, Gas Space Heaters, LED Lighting, and Tubular Skylights and more.

- **Business type:** Retail sales, wholesale supplier, importer
- **Products:** Radiant heating systems, heat exchangers, hydronic radiant heating systems, LED lighting, tankless water heating systems, solar water heating systems, solar attic vents, water storage tanks, wood burning stoves and furnaces.
- **Address:** 167 Madriver Canoe Road, Waitsfield, Vermont USA 05673
- **Telephone:** 802-583-2726
- **FAX:** 802-583-2572
- **Web Site:** <http://www.houseneeds.com>

Integrated Solar Applications Co.

- **Products:** Solar roofing systems, geothermal energy systems, hybrid power systems.
- **Services:** Consulting, design, installation, construction, engineering, project development services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 121 Spring Tree Rd. , Brattleboro, Vermont USA 05301
- **Telephone:** 802-257-7493
- **Web Site:** <http://www.isasolar.com>

Stewart Construction, Inc.

- **Products:** Energy efficient homes and buildings.
- **Address:** 24 Pearl Street, Essex Junction, Vermont USA 05452
- **Telephone:** 802-879-0500
- **Web Site:** <http://www.stewart-construction.com>

Cavendish Solar Store

- **Business type:** Retail sales
- **Products:** Solar thermal energy, photovoltaic modules, hydro energy system components (small), wind energy system components (small), solar water heating systems, batteries deep cycle.
- **Services:** Consulting, design, installation, education and training services
- **Address:** 1531 Route 131, Cavendish, Vermont USA 05142
- **Telephone:** 603-369-8086

Central Vermont Solar and Wind, LLC

- **Business type:** Wind and Solar power systems, sales and installation, retail sales of Renewable Energy Equipment
- **Products:** PhotoVoltaic modules, Top of Pole Racks, DC to AC power inverter/chargers, Solar hot water systems, wind generators, energy efficient refrigerators and freezers, solar electric power systems, energy efficient lighting, .
- **Services:** Installation, maintenance and repair and consultation
- **Address:** 104 River Street, Rutland, Vermont USA 05701
- **Telephone:** 802-747-0577
- **FAX:** 802-773-0924

Draker Solar Design, LLC

- **Products:** Energy efficient appliances, backup power systems, LED lighting, photovoltaic systems, solar tracking systems, portable power systems, Data Acquisition .
- **Address:** PO Box 8346, Burlington, Vermont USA 05401
- **Telephone:** 802-238-2964

Foxfire Energy Corp.

- **Business type:** Sales, Service and Installation
- **Products:** Renewable Energy Systems -- Grid Interactive & Backup Power Systems, Energy Efficient Homes and Buildings, Photovoltaic Systems, Remote Home Power Systems, Wind Energy Systems (small), Portable Power Systems..
- **Services:** Design, Installation, Education and Training , Maintenance and Repair
- **Address:** 141 Holden Rd. , Chittenden, Vermont USA 05737
- **Telephone:** 802-483-2564

Independent Power LLC

- **Business type:** Renewable Energy Design, Sales and Installation
- **Products:** Grid Tied and Off Grid solar electric power systems, Solar Domestic Hot Water systems, photovoltaic modules, DC to AC power inverters, renewable energy system batteries, hydro energy systems (small), packaged power systems.
- **Services:** Design, installation, do-it-yourself packages
- **Address:** 462 Solar Way Drive, Hyde Park, Vermont USA 05655
- **Telephone:** 802-888-7194
- **FAX:** 802-888-4230

Independent Power LLC

- **Business type:** NABCEP Certified Solar PV Installer - David Palumbo
- **Products:** Solar PV electric systems, solar thermal hot water systems.
- **Services:** Design, Sales, Installations, Service
- **Address:** 462 Solar Way Drive, Hyde Park, Vermont USA 05655
- **Telephone:** 802-888-7194

James Grundy

- **Business type:** NABCEP Certified Solar PV Installer
- **Products:** Solar PV electric systems.
- **Address:** E. Montpelier, Vermont USA
- **Telephone:** 802-476-3441

Jeffery Wolfe

- **Business type:** NABCEP Certified Solar PV Installer
- **Products:** Solar PV electric systems, solar hot water systems, commercial, residential, on-grid, off-grid, battery backup.
- **Services:** Commercial & Residential PV & Solar Hot Water
- **Address:** 601 Old River Rd, Suite 3, White River Junction, Vermont USA 05001
- **Telephone:** 802-295-4415

Kirk Herander

- **Business type:** NABCEP Certified Solar PV Installer
- **Products:** Solar PV electric systems.
- **Address:** Burlington, Vermont USA
- **Telephone:** 802-863-1202

Natural HeatWorks

- **Products:** Biomass energy boilers, hydronic radiant heating systems, tankless water heating systems, hydronic radiant heating systems, biomass energy systems, alternative homes and buildings, Energy-efficient buildings, timberframes, life-span home design, plumbing & heating. .
- **Services:** Consulting, design, installation, site survey and assessment services, architectural design services, contractor services
- **Address:** 268 Old Airport Road, Bristol, Vermont USA 05443
- **Telephone:** 802-453-3164
- **FAX:** 802-329-2070

Natural HeatWorks

- **Products:** Biomass energy boilers, hydronic radiant heating systems, tankless water heating systems, hydronic radiant heating systems, biomass energy systems, alternative homes and buildings, Energy-efficient buildings, timberframes, life-span home design, plumbing & heating. .
- **Services:** Consulting, design, installation, site survey and assessment services, architectural design services, contractor services
- **Address:** 268 Old Airport Road, Bristol, Vermont USA 05443
- **Telephone:** 802-453-3164
- **FAX:** 802-329-2070

New England Ground Source

- **Business type:** Geothermal HVACR Contractor
- **Products:** Heating, Ventilation, Air Conditioning and Refrigeration..
- **Services:** Geothermal HVACR Installations
- **Address:** PO Box 534, Bellows Falls, Vermont USA 05101
- **Telephone:** 802-258-6504
- **FAX:** none

Radiantec

- **Business type:** Manufacturer, wholesale supplier
- **Products:** Solar air heating system components, hybrid power systems.
- **Services:** Consulting, project development services, contractor services
- **Address:** P O Box 111, Lyndonville, Vermont USA 05851
- **Telephone:** 1-800-451-7593
- **FAX:** 1-802-626-8045

Solar Pro

- **Business type:** Solar Water Heating Sales, Installation, Service
- **Products:** Solar thermal energy, solar water heating systems, solar collectors flat plate, solar water heating components, solar collectors evacuated tube, solar air heating systems.
- **Services:** Consulting, design, installation, construction, site survey and assessment services, contractor services
- **Address:** 99 Hollerith Rd, Arlington, Vermont USA 05250
- **Telephone:** 802-375-6462

Solar Works, Inc

- **Business type:** Retail sales, wholesale supplier
- **Products:** Solar electric power systems, solar water heating systems, backup power systems, hybrid power systems, solar pool heating systems, energy efficient appliances.
- **Services:** Consulting, installation, project development services, education and training services, architectural design services, contractor services, maintenance and repair services
- **Address:** 64 Main Street, Montpelier, Vermont USA 05602
- **Telephone:** 800-339-7804
- **FAX:** 802-223-8980

SolarWrights

- **Products:** Photovoltaic systems, solar thermal energy, wind energy systems (large), wind energy systems (small), backup power systems, solar pool heating systems.
- **Services:** Consulting, design, installation, project development services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 174 River St. Suite 2, Montpelier, Vermont USA 05602
- **Telephone:** 802-229-2786

Sunnyside Solar, Inc.

- **Business type:** Retail sales, design and engineering, education in photovoltaics
- **Products:** Solar electric power systems, photovoltaic modules, inverters, renewable energy system batteries, teaching photovoltaic technology education.
- **Services:** Design, installation, engineering, maintenance, repair services, education
- **Address:** 1014 Green River Road, Guilford, Vermont USA 05301
- **Telephone:** 802-254-4670
- **FAX:** 802-254-4670

Sunnyside Solar, Inc.

- **Business type:** NABCEP Certified Solar PV Installer
- **Products:** Solar PV electric systems.
- **Services:** Solar PV electric systems
- **Address:** 1014 Green River Road, Guilford, Vermont USA 05301
- **Telephone:** 802-254-4670
- **FAX:** 802-254-4670

Vermont Fuel Cell/Div. of GICS

- **Business type:** Manufacturer, retail sales, publisher
- **Products:** Fuel cell systems, fuel cell system components.
- **Address:** 324 Minister Hill Road, Wheelock, Vermont USA 05851
- **Telephone:** 802-626-1154
