

## [A&R Solar Seattle - Western Washington Solar Specialists](#)

*A&R Solar specializes in the design and installation of high quality solar electric (PV) and solar hot water systems. Located in Seattle, Washington, we provide all services from site evaluation and consultation to efficient custom design. We have installed over 150 photovoltaic and solar thermal systems for customers throughout the Puget Sound Region of Western Washington. We strive to give you the highest quality workmanship to ensure your system will have a long and productive life.*

- **Business type:** Retail Sales, System Installation, System Design
- **Products:** Solar electric power systems, solar water heating systems, photovoltaic systems, solar collectors evacuated tube, solar collectors flat plate, solar pool heating systems, Battery Backup Systems, Solar Charge Controllers.
- **Services:** Consulting, design, installation, construction, project development services, site survey and assessment services, contractor services, maintenance and repair services
- **Address:** 535 N. 72nd St. , Seattle, Washington 98103
- **Telephone:** 800-714-1834
- **FAX:** 800-714-1834
- **Web Site:** <http://www.aandsolar.com>

## [Sunergy Systems](#)

*Sunergy Systems is Washington's premier full service solar installation company with over 80 installed solar electric and hot water systems. Our staff includes professional project managers, engineers, and a dedicated installation department. Projects range from residential systems to Shoreline Community College's 18kW system.*

- **Business type:** Retail sales
- **Products:** Solar electric power systems, photovoltaic systems, solar water heating systems, solar water heating components, solar thermal energy, photovoltaic modules.
- **Services:** Consulting, design, installation, construction, engineering, project development services, site survey and assessment services, contractor services
- **Address:** 5314 17th Ave NW, Seattle, Washington 98107
- **Telephone:** (800) 997-0086
- **Web Site:** <http://www.sunergysystems.com>

## [Rain City Solar, Inc.](#)

*Rain City Solar provides full service solar design, installation, and commissioning to the greater Puget Sound region. Our licensed professional engineers and staff make sure your solar system is designed and installed right. Along with handling residential projects we also focus on commercial and rural/agricultural solar applications. Come see how our grant writers can help you pay for your solar system.*

- **Products:** Solar electric power systems.
- **Services:** Design, installation, engineering, project development services, contractor services
- **Address:** Everett, Washington
- **Telephone:** 206-954-0380
- **Web Site:** <http://www.raincitysolarpower.com>

## [ControlFreek Inc](#)

*Our company designs and manufactures electrical control systems and control panels. We are a UL listed manufacturer and are very interested in teaming up with green technology companies and keeping the money in the US. Let me know if we can be of any assistance to further your vision.*

- **Business type:** Manufacturer
- **Products:** Solar electric power systems, waste treatment systems.
- **Services:** Consulting, design, engineering, project development services, contractor services
- **Address:** 11616 E. Montgomery Dr, Suite #9, Spokane Valley, Washington 99206
- **Telephone:** 509-290-6500
- **FAX:** 866-381-3007
- **Web Site:** <http://www.controlfreek.com>

## [Eco Advance](#)

*Energy consultant, Energy auditor, Energy efficiency service provider, Renewable energy, Clean development mechanism*

- **Services:** Consulting, project development services, education and training services, research services, site survey and assessment services
- **Address:** Perth, Washington Australia 6163
- **Telephone:** +614 0651 0474; +614 3942 1718
- **Web Site:** <http://www.ecoadvance.com.au>

## [Fire Mountain Solar LLC](#)

*Woman-owned renewable energy contractor and product supplier since 2001. Consulting, design, installation, product sales. Off-grid and grid-interactive specialists. Customer-centered approach. We are committed to providing the highest level of service to all our clients. Our business operates on green power.*

- **Business type:** Retail sales
- **Products:** Solar electric power systems, wind energy systems (small), solar water pumping systems, water filtering and purification systems, water pumps, Kohler backup power systems, power inverters, gas refrigerators, solar batteries, solar charge controllers, solar well pumps, solar racks and trackers, deep cycle solar batteries.
- **Services:** Consulting, design, installation
- **Address:** 18388 Periwinkle Lane, Mount Vernon, Washington 98274
- **Telephone:** 877-230-7710
- **FAX:** 360-539-0045
- **Web Site:** <http://www.firemountainsolar.com>

## **A Cooler Planet**

- **Products:** Solar electric power systems, solar thermal energy, solar pool heating systems, solar water heating systems, solar water pumping systems, solar air heating systems, We help consumers find local professionals for solar projects.
- **Services:** Consulting, project development services
- **Address:** 9822 62nd Ave S, Seattle, Washington 98118
- **Telephone:** 206-683-1456

## **Aeropower Services Inc.**

- **Business type:** Professional Services
- **Products:** Consulting for large scale wind power plants, wind development issues, land agreements, and site feasibility review and planning. We provide project management, civil and electrical planning, and all local activities. Our development team provides electrical engineering. We can provide expert wind meteorological analysis or use the client's resources. We supplement and compliment the kinds of work done by engineering companies like Garrad Hassan..
- **Services:** Consulting & Project Management
- **Address:** 2502 NW 35th Cir., Camas, Washington 98607-8237
- **Telephone:** 503-730-3798
- **FAX:** (see web site)

## Aiki Homes

- **Products:** Energy efficient homes and buildings, alternative homes and buildings, radiant heating systems, air filtering and purification systems, tankless water heating systems.
- **Services:** Construction, project development services, contractor services
- **Address:** 1710 Grant St. , Bellingham, Washington 98225
- **Telephone:** 360-715-0700
- **FAX:** 360-715-0701

## Alliance Tech, Inc.

- **Products:** Fuel cell systems, backup power systems, computer software.
- **Address:** 8202 SR 104, Suite 102, #285, Kingston, Washington 98346
- **Telephone:** 360-981-0773
- **FAX:** 253-276-8087

## Alternative Energy Solutions

- **Business type:** Retail sales
- **Products:** Lead acid batteries, DC to AC power inverters, hydro energy system components (small), photovoltaic modules, photovoltaic systems, solar electric power systems.
- **Services:** Installation, project development services
- **Address:** 3231 Hillside Rd, Deming, Washington 98244
- **Telephone:** 360-592-2716 ext 4
- **FAX:** 360-592-5166

## Ample Power Company

- **Business type:** Manufacturer, distributor
- **Products:** Bio-diesel battery chargers, energy management systems, Internet capable engine monitoring/control web server, remote site automation, meters and monitoring equipment, battery charge controllers, battery chargers, fuel-powered backup generators, packaged power systems, renewable energy system batteries.
- **Services:** System design, consulting
- **Address:** 2442 NW Market Street, #43, Seattle, Washington 98107
- **Telephone:** 206-789-0827
- **FAX:** 206-789-9003

## APak Batteries

- **Business type:** Manufacturer
- **Products:** Custom batteries, alkaline batteries, nickel metal hydride batteries, nickel cadmium batteries, consumer electronics batteries, rechargeable batteries.
- **Services:** Design, construction, research services
- **Address:** 14441 124th Av NE Suite A-3, Kirkland, Washington 98034
- **Telephone:** 425-820-2272
- **FAX:** 425-823-3139

## ARL Services

- **Business type:** Retail sales,
- **Products:** Photovoltaic systems, alternative home and building construction materials, water pumps.
- **Services:** Consulting, design, installation, education and training services, contractor services
- **Address:** 703 S. Columbus, Goldendale, Washington 98620
- **Telephone:** 509-773-4334
- **FAX:** 509-773-4334

## Ask Me Solar

- **Business type:** Retail sales
- **Products:** Backup power systems, recreational vehicle power systems, marine batteries, backup power systems, solar electric power systems, custom batteries, Marine RV and Home Power Alternatives.
- **Address:** PO Box 8590, Port Orchard, Washington 98366
- **Telephone:** 360-701-4980

## Battery Power Systems, Inc.

- **Business type:** DC Power Sales & Services
- **Products:** Lead acid batteries, telecommunications power systems, DC to AC power inverters, sealed lead acid batteries, battery chargers, DC to DC power converters, UPS systems, DC power systems.
- **Services:** Consulting, installation, engineering, project development services, site survey and assessment services, contractor services, maintenance and repair services, recycling services, testing services
- **Address:** 201 Frontage Rd N Suite A, Pacific, Washington 98047
- **Telephone:** 253-931-8222
- **FAX:** 253-939-7380

## **BCE Engineers, Inc**

- **Products:** Geothermal energy systems, air cooling system components, air heating systems, cogeneration systems, energy efficient lighting, photovoltaic systems.
- **Address:** 6021 12th Street East, Suite 200, Tacoma, Washington 98424
- **Telephone:** 253-922-0446

## **Biogas Energy Systems**

- **Products:** Biomass energy systems, cogeneration systems, composting systems.
- **Address:** Seattle, Washington 98103
- **Telephone:** 815-301-3432
- **FAX:** 815-301-3432

## **BlueRidge Company**

- **Business type:** Manufacturer, Retail Sales, Wholesale Supplier, Importer
- **Products:** Products: ENERGY EFFICIENT PRODUCTS, Pex pipe for in floor radiant heat, manifold systems, Air Conditioning, Chillers, Air Filtration, Boilers High efficiency Wall Hung with instant domestic hot water, on demand domestic water heaters, Forced Air (Heating and Cooling Coils, Hi Velocity, and Low Velocity), Insulation Products, Manifolds & Controllers, Pipe Support System Unistrut, Heat Transfer Plates, Pex Tubing (PEX-A-PEX, PEX-AL-PEX), MYSON Radiators, Bathroom Towel Warmers), Indirect Hot Water Tanks, and Tankless Water Heaters. Evacuated tube solar collectors, Photo voltaic systems.
- **Services:** Hydronic Heating and Radiant Heating In Floor Heating, Solar
- **Address:** PO Box 2270, Vashon Island, Washington 98070
- **Telephone:** 1-866-361-4782,
- **FAX:** 206-463-7265

## Brothers Electric

- **Products:** Solar electric power systems, energy efficient homes and buildings, photovoltaic systems.
- **Address:** 6019 Alameda Ave. West, University Place, Washington 98467
- **Telephone:** 253-474-1968

## Celt M. Schira, P. E.

- **Business type:** Licensed Electrical Engineer and LEED Accredited Green Building Consultant
- **Products:** Electrical design for conventional and green buildings, including power, lighting and communications. Grid-tied and off grid photovoltaic systems, wind energy systems, backup power systems, telecommunications power systems. Green building consultant. .
- **Services:** Electrical Design (power, lighting, renewable energy), Green Building Consultation
- **Address:** 1028 12th Street, Bellingham, Washington 98225
- **Telephone:** 360-756-8957

## Centennial Battery Systems

- **Business type:** Manufacturer, retail sales, wholesale supplier, exporter, importer
- **Products:** Backup power systems, automotive starting batteries, deep cycle batteries, industrial batteries, emergency backup batteries, sealed lead acid batteries, alkaline, flooded cell, AGM, GEL, Solar, .
- **Address:** 13701 E. 24th Street, Suite A5, Sumner, Washington 98390
- **Telephone:** 253-405-2393
- **FAX:** 253-826-4791

## **Dominion Renewable Energy Corp**

- **Products:** Waste to energy systems, biomass energy biofuel, biomass energy system components, water filtering and purification systems.
- **Services:** Design, engineering, project development services, research services, financial services, recycling services, testing services
- **Address:** 17417 55th Place W, Lynnwood, Washington 98037
- **Telephone:** 800-730-4380
- **FAX:** 425-742-1590

## **Don Stephens' Terratech Design Team**

- **Business type:** Environmental-Home design and building technologies innovation
- **Products:** Alternative homes and buildings, alternative home and building construction materials, biomass energy systems, composting systems, earth sheltered homes and buildings, geothermal energy systems, Annualized Geo-Solar structure heating/cooling, Alternative building products/techniques.
- **Services:** Design consultation, lecture and writing
- **Address:** P.O.Drawer 1441, Spokane , Washington 99210-1441
- **Telephone:** 509-838-8222

## **Ecology and Environment, Inc.**

- **Business type:** Environmental consulting
- **Products:** Environmental Impact Statements (NEPA and state) Endangered Species Act biological assessments Due Diligency Reviews for Wind energy Site Acquisition Noise, Visual, and Land Use Assessments.
- **Services:** Environmental permitting of large wind energy facilities and geothermal developments
- **Address:** 2101 4th Avenue Suite 1900, Seattle, Washington 98121
- **Telephone:** 206-624-9537
- **FAX:** 206-621-9832

## Ecotech Energy Systems

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, backup power systems, deep cycle batteries, photovoltaic modules, DC to AC power inverters, hybrid power systems, solar electric power systems.
- **Services:** Design, installation, consulting
- **Address:** 814 Dupont, Bellingham, Washington 98225
- **Telephone:** 360-510-0433

## Energy Specialties LLC

- **Business type:** Retired!
- **Products:** A very rewarding 20 years in the field of renewable energy. So long and thanks for all the fish..
- **Address:** 2429 Gravelly Beach Loop NW, Olympia, Washington 98502-9527
- **Telephone:** 360-866-7477

## Energyfirst Homes Inc

- **Business type:** Manufacturer, wholesale supplier, exporter, importer
- **Products:** Alternative home and building construction materials, energy efficient homes and buildings, energy efficient lighting.
- **Address:** P.O. Box 825 , Woodinville , Washington 98072
- **Telephone:** 866-833-2711

## EnergyIdeas Clearinghouse

- **Business type:** University Extension Program
- **Products:** Please remove..
- **Services:** Energy education and outreach services; fact sheets; web tools and resources
- **Address:** WSU Extension Energy Program, PO Box 43165, Olympia, Washington USA 98504-3165
- **Telephone:** 360-956-2237
- **FAX:** 360-236-2129

## **EV Parts Inc.**

- **Business type:** Online retail sales
- **Products:** Parts for ALL types of electric vehicles: cars, golf carts, boats, motorcycles, scooters, bicycles, electrathon, robotics, and industrial vehicles of all types, RVs and also solar and wind energy components.
- **Address:** 160 Harrison Road, #7, Sequim, Washington 98382
- **Telephone:** 360-582-1270
- **FAX:** 360-582-1272

## **Global Energy Concepts, LLC**

- **Products:** Wind energy systems (large), wind energy systems (small), wind turbines (large), wind turbines (small), wind energy system components (large), wind energy system components (small), All aspects of wind energy .
- **Services:** Consulting, engineering, testing services
- **Address:** 5729 Lakeview Drive NE, Suite 100, Kirkland, Washington 98033
- **Telephone:** 425-822-9008
- **FAX:** 425-822-9022

## **Green Depot - Your Trusted Source for Sustainable Building Solutions**

- **Business type:** Green Building Supplier
- **Products:** GREEN DEPOT distributes some of the finest quality energy efficient and resource conserving building products on the market. Here s a sampling of our product lines: Insulated Concrete Forms (ICF), Structural Insulated Panels (SIP), Solar Systems, Water Conservation Products, Fiberglass Windows, masonry wood heaters, heat exchangers, heat recovery ventilators (HRVs) and more. .
- **Services:** Performance Testing & Energy Modeling; Technical Consulting; LEED, Energy Star, Built Green Assessment, Verification and Documentation
- **Address:** 121 State Ave. NE, Olympia, Washington 98501
- **Telephone:** 360-705-2868

## Green Lantern Energy Solutions

- **Business type:** Retail sales, wholesale supplier
- **Products:** Solar electric power systems, energy efficient homes and buildings, photovoltaic systems, wind turbine power generators.
- **Services:** Consulting, design, sales of renewable energy products
- **Address:** 815 1st Ave Suite 1000, Seattle, Washington 98104
- **Telephone:** 425-242-4265

## Hamer Environmental L.P.

- **Business type:** Environmental Consulting
- **Products:** Planning, evaluations and site selection. Impact assessments, threatened and endangered species issues, development of mitigation and biological monitoring plans, rare plant and noxious weed surveys, wetlands assessments, wildlife surveys and studies, powerline corridor feasibility studies, specialized avian and bat surveys, mortality monitoring, risk of collision modeling..
- **Services:** Threatened and Endangered Species Issues, Impact Assessments, Biological Surveys and Studies, Monitoring
- **Address:** P.O. Box 2561, Mount Vernon, Washington 98273
- **Telephone:** 360-899-5156
- **FAX:** 360-899-5146

## Harris Group Inc.

- **Business type:** Engineering
- **Products:** Biomass energy systems, cogeneration systems, fuel cell systems, gas turbine electric generators, steam turbine electric generators, wind energy towers and structures (large), ethanol plants .
- **Services:** Engineering, design, consulting, project planning, feasibility studies
- **Address:** 1000 Denny Way, Suite 800, Seattle, Washington 98109-5338
- **Telephone:** 206-494-9400
- **FAX:** 206-494-9500

## Hydro Technology Systems Inc.

- **Business type:** Manufacturer
- **Products:** Microhydro powered electric generators, hydro energy components.
- **Services:** Consulting
- **Address:** P.O. Box 683, Kettle Falls, Washington 99141
- **Telephone:** 509-738-6544
- **FAX:** 509-738-4198

## Hydrogen Alliance Group, Inc.

- **Products:** Consulting for Regulatory approval for Fuel Cell devices, ISO 9000 certification, Software Processes and auditing.
- **Services:** Consulting
- **Address:** 18892 Angeline Ave. NE, Suquamish, Washington 98392
- **Telephone:** 360-981-0773
- **FAX:** 360-779-8299

## Inland Generator

- **Business type:** Retail sales
- **Products:** Emergency backup batteries, DC to AC power inverters, fuel powered electric generators, hydro energy systems (small), photovoltaic systems, wind energy systems (small).
- **Services:** Consulting, design, site survey and assessment services, maintenance and repair services
- **Address:** 6885 Cummins Canyon Way, Nine Mile Falls, Washington 99026
- **Telephone:** 509-276-3335
- **FAX:** 509-276-3400

## Intelligent Energy a division of Phantom Energy Works

- **Business type:** Manufacturer, retail sales, wholesale supplier, saving energy, more miles per gallon, electrical power systems
- **Products:** Water cooling systems, Emergency and Backup home power systems, 50% High Energy Saver Retro-fit for Central Air Conditioning. Option-Non Exclusive-Exclusive-Rights Sale. Phone Toll Free 800-707-1232 in the USA and Canada. Now working on auto fuel system to double mileage!.
- **Services:** Design, engineering, energy saving services
- **Address:** 1540 Ocean Beach Road, Hoquiam, Washington 98550
- **Telephone:** 360-289-4166 or Toll Free 800-707-1232 North America
- **FAX:** 360-289-4166

## Investors Solar Development Group

- **Products:** Backup power systems, alternative homes and buildings, home automation, packaged power systems, wind energy system components (large), earth sheltered homes and buildings, Conventional Building methods using self sustained solar.
- **Services:** Consulting, design, installation, construction, engineering, project development services, site survey and assessment services, architectural design services, contractor services
- **Address:** 16704 75th St E, Sumner, Washington 98390
- **Telephone:** 425-577-3727
- **FAX:** 425-577-3727

## JATS Alternative Power Co.

- **Business type:** Retail sales, exporter
- **Products:** Solar electric power systems, DC to AC power inverters, hybrid power systems, backup power systems, hydro energy systems (small), wind energy systems (small), alternative energy power systems.
- **Address:** 12219 4th Ave N.W., Seattle, Washington 98177
- **Telephone:** 206-362-2001

## Northwest Solar Electric

- **Products:** Solar-electric, wind and solar thermal components and systems. Solar water pumping components and systems. Remote sign lighting components and systems..
- **Services:** Consulting, Design, Purchasing and Installation
- **Address:** 25005 S. Columbia Basin Hwy, Cheney, Washington 99004
- **Telephone:** 509-236-2249

## Northwest Wind & Sun

- **Business type:** Retail sales
- **Products:** Photovoltaic systems, wind energy system components (small).
- **Address:** 14001 N.E. 7th Cir., Vancouver, Washington 98684
- **Telephone:** 360-892-8444

## Olympic Energy Systems, Inc.

- **Business type:** System Engineering
- **Products:** Solar photovoltaic systems, wind energy systems (small), hydro power systems (small), wind monitoring, on-grid systems, off-grid systems.
- **Services:** Solar PV and Solar Thermal System Development and Installation
- **Address:** 907 - 19th Street, Port Townsend, Washington 98368
- **Telephone:** 360-301-5133

## Olympic Radiant Heating Inc.

- **Business type:** HVAC Contractor
- **Products:** Hydronic radiant heating systems, geothermal energy systems, Solar and hydronic Boiler systems.
- **Services:** Radiant Floor Heating
- **Address:** PO Box 2117, Gig Harbor, Washington 98335
- **Telephone:** 253-858-2422
- **FAX:** 253-858-2919

## P2 Systems

- **Products:** Battery chargers.
- **Services:** Consulting, engineering, research services, testing services
- **Address:** 2525 Broadway, #4603, Everett, Washington 98201
- **Telephone:** 425-455-0378
- **FAX:** 630-839-2776

## Peak Electrical Services, Inc.

- **Business type:** Electrical contractor
- **Products:** Photovoltaic systems, wind energy systems (small), fuel powered electric generators.
- **Services:** System design, supply, installation & service
- **Address:** 14972 Lincoln St., Anacortes, Washington 98221
- **Telephone:** 360-588-8706

## Power Trip Energy Corp

- **Business type:** System Installation, System Design, Consultation, Resale
- **Products:** Photovoltaic systems.
- **Services:** System Installation, System Design, Consultation, Resale
- **Address:** 2343 Thomas Street, Port Townsend, Washington 98368
- **Telephone:** 360-643-3080
- **FAX:** 360-539-1857

## Puget Sound Solar

- **Business type:** Design, sales, installation, and service
- **Products:** Solar electric systems, solar water heating systems,.
- **Services:** Solar design and consulting, energy efficiency consulting
- **Address:** 5308 Baker Ave NW, Seattle, Washington 98107
- **Telephone:** 206-706-1931

## Pulse Power Inc.

- **Business type:** Manufacturer
- **Products:** Battery chargers, battery charge controllers, custom batteries, Portable power systems integration.
- **Address:** 15333 NE 90th Street, Redmond , Washington 98052
- **Telephone:** 425-885-4404
- **FAX:** 425-881-6365

## **RBH Electronic Designs**

- **Business type:** Manufacturer, wholesale supplier
- **Products:** DC to DC power converters, DC to AC power inverters, fuel cell system components, battery charge controllers, solar electric power systems, electric vehicle components, Custom Power Products, Wireless Monitoring Solutions.
- **Address:** E 12611 31st, Spokane Valley , Washington 99216
- **Telephone:** 509-995-4382

## **SelfCHARGE, Inc.**

- **Business type:** Manufacturer, engineering
- **Products:** Custom batteries, battery chargers, medical equipment batteries, battery accessories
- **Address:** 6742 - 185th Avenue N.E., Suite 230, Redmond, Washington 98052
- **Telephone:** 425-881-9199
- **FAX:** 425-883-1447

## **Seraphim Electric Company/Seraphim Energy Inc**

- **Business type:** Installer, online sales
- **Products:** Backup power systems, solar electric power systems, wind energy towers and structures (small), wind energy systems (large), hydro energy systems (small), DC to AC power inverters, solar panels, .
- **Services:** Consulting, design, installation, education
- **Address:** PO Box 662, Goldendale, Washington 98620
- **Telephone:** 509-773-3806
- **FAX:** 509-773-2244

## **Shuksan Energy Consulting**

- **Business type:** Renewable Energy Consulting
- **Products:** Photovoltaic systems, wind energy systems (small), fuel cell systems, hybrid power systems, hydro energy systems (small), solar electric power systems, Use of Renewable Energy, On-site Generation, Green Tags, others for Sustainable Business Strategy.
- **Services:** Help Sustainable Business find green power solutions
- **Address:** 10924 Mukilteo Speedway #117, Mukilteo, Washington 98275
- **Telephone:** 425-349-1725
- **FAX:** 425-740-0131

## Solar Shop

- **Business type:** Retail sales
- **Products:** Deep cycle batteries, photovoltaic cells, water pumps, battery cables, energy efficient appliances, DC to AC power inverters, Charge Controllers, Hydroponic/Garden Supplies, lighting, meters, gel type batteries, off the grid living supplies.
- **Services:** Design, consultation, retail sales
- **Address:** 306 W 4t St, Tonasket, Washington 98855
- **Telephone:** 509-486-4508

## Solar Tracking by SolaRichard

- **Business type:** Photovoltaic Solar Tracking Photovoltaic Systems
- **Products:** State of the Art Solar Tracking Photovoltaic Power Systems for home and/or Business. LED (Light Emitting Diode) lighting systems. Radiant heating and DHW. .
- **Services:** Design, Install and Repair Photovoltaic Systems
- **Address:** 2037 South 7th Street, Tacoma, Washington 98405
- **Telephone:** 1-253-572-9220
- **FAX:** 1-253-572-6825

## Spin Trends LLC

- **Products:** Condition Monitoring and assessment of Bearings, gears and critical components of: wind power plants, wind energy system components (large), hydro energy system components (large), ocean energy system components, gas turbine electric generators, fuel powered electric generators.
- **Address:** 644 Blalock Drive, Walla Walla, Washington 99362
- **Telephone:** 509-526-5128

## Sunergy Systems

- **Business type:** Solar Contractor and Dealer
- **Products:** Photovoltaic systems, Solar Thermal/Hot Water Systems, tankless water heating systems, DC to AC power inverters, solar pool heating systems.
- **Services:** Consulting, design, installation, engineering, site survey and assessment services, financial services, contractor services, maintenance and repair services
- **Address:** 5314 17th Ave NW, Seattle, Washington 98107
- **Telephone:** 206-297-0086
- **FAX:** 206-784-2605

## Survival Center

- **Products:** Solar electric power systems, fuel powered electric generators, photovoltaic systems, emergency preparedness supplies, how-to books, Remote power generating systems ( in container for shipment world wide ). Small wind generators. .
- **Address:** Box 234, McKenna, Washington 98558
- **Telephone:** 1-360-458-6778 ext. 2
- **FAX:** 1-360-458-6868

## THE SOLAR BiZ

- **Business type:** Retail sales, wholesale supplier, exporter
- **Products:** Air cooling systems, deep cycle batteries, DC to AC power inverters, photovoltaic systems, wind energy systems (small), hydro energy systems (small), Sustainable Building Products, Solar Water Pumping and Heating Systems, Efficient Computer Systems..
- **Address:** 18388 Periwinkle Lane, Mount Vernon, Washington 98274
- **Telephone:** Toll Free 888-826-0939

## TOBYS BATTERY L.L.C.

- **Business type:** Retail sales, wholesale supplier
- **Products:** Alternative fuel vehicles, backup power systems, alkaline batteries, automotive starting batteries, solar electric power systems, emergency backup batteries, batteries for everything.
- **Address:** 3003 N. Crestline , Spokane, Washington 99207
- **Telephone:** 509-484-5114
- **FAX:** 509-484-4297

## U.S. Filter

- **Business type:** Manufacturer, wholesale supplier
- **Products:** Water filtering and purification systems, water filtering and purification system components, water storage tanks, water testing and analysis.
- **Services:** Design, engineering, project development services, research services, contractor services, maintenance and repair services, recycling services, testing services
- **Address:** 1910 21st Ave S , Seattle , Washington 98144
- **Telephone:** 206-329-3090
- **FAX:** 206-329-3090

## Virtual Technologies, Ltd.

- **Business type:** Alternative Energy, Power Electronics, Custom Manufacturing, Research and Development, Prototyping, Retail Sales, Wholesale Supplier
- **Products:** Battery charge controllers, battery chargers, DC to DC converters, DC to AC inverters, fuel cell power electronics, power supplies, home automation, MPPT pump controllers, solar charge controllers, commercial/industrial wind power, frequency & phase converters, custom power supplies, solar powered point-to-point radio links, Solar Powered Remote Monitoring Systems - Water Wells, Pumps, Billboards, Signs.
- **Services:** Consulting, design, custom engineering, product development, project development services, research services
- **Address:** 3815 S. Union Road, Spokane, Washington 99206
- **Telephone:** 509-990-3919
- **FAX:** 509-921-0618

## Water Alchemy Enterprises

- **Business type:** Retail sales
- **Products:** Hydro energy systems (small), hydroelectric turbines (small), hydro energy system components (small), hydro energy systems (large), hydroelectric turbines (large), hydro energy system components (large).
- **Services:** Consulting, design, installation, construction, engineering, project development services, site survey and assessment services, maintenance and repair services
- **Address:** 172043 Hwy 101, Forks, Washington 98331
- **Telephone:** 360-379-6957 ext.178

## Western Solar Inc

- **Business type:** Renewable Energy
- **Products:** Solar electric systems, solar hot water, solar space heating, green building design and construction.
- **Services:** Solar electric and thermal systems, design and build green homes.
- **Address:** P. O. Box 5382, Bellingham, Washington 98227
- **Telephone:** 360-746-0859

## Whidbey Sun & Wind Renewable Energy Systems

- **Products:** Solar, wind, & microhydro power systems, solar water heating systems, backup power systems, RV & Marine solar and battery systems.
- **Services:** Design, sales & installation of renewable energy products & systems
- **Address:** 987 Wanamaker Rd, Coupeville, Washington 98239
- **Telephone:** 360-678-7131
- **FAX:** 360-678-7131
